INVITATION FOR BID (IFB)
NO. 103-2026
Water Treatment Chemicals

SCHEDULE OF EVENTS

Bid Issued **10/20/2026**
Questions Due **10/28/2026 by 12:00 PM noon**
Responses to Questions Issued **10/30/2026**
Bid Due Date & Time **11/04/2026 by 2:00 PM**

In accordance with Town of Castle Rock Municipal Code §3.02.060, all solicitations over $75,000 shall be solicited through formal sealed bidding unless exempted by the Town Manager or Town Council.

If you are unable to access any portion of this document due to a disability as defined under Colorado House Bill 21-1110, we are here to help! Please call us at 303-663-4440 or email the Town of Castle Rock's Accessibility Team at Accessibility@crgov.com.

This document was drafted/created/analyzed with artificial intelligence and has been fact-checked edited by Town of Castle Rock staff.

BID CERTIFICATION

Vendor offers to furnish to Town of Castle Rock the materials, supplies, products and/or services requested in accordance with the specifications and subject to the terms and conditions of the purchase(s) described herein:

COMPANY NAME:_____
(Company name to be the legal entity that will enter into a contract with the Town if awarded pursuant to this solicitation)

ADDRESS:_____CITY:_____STATE: _____

ZIP:_____ PHONE NUMBER:_____ EMAIL: _____

BY: _____ _____
(Printed or Typed Name) (Written Signature)

Signature constitutes acceptance of all terms and conditions listed on this form and all documents attached.

SECTION ONE: SCOPE OF WORK AND TECHNICAL REQUIREMENTS

A. PURPOSE

The Town of Castle Rock Purchasing Division, on behalf of Castle Rock Water, hereafter referred to as the "Town" solicits sealed bids from qualified chemical distributors to **supply and deliver water treatment chemicals to various facilities,** in accordance with the specifications contained in this IFB.

B. SCOPE OF WORK

The Town operates six water treatment plants (WTP) and one tank booster station, see **Attachment A** for a map of the locations. The Town utilizes a variety of treatment chemicals across its water purification facilities to ensure safe, reliable, and high-quality drinking water. The maximum box truck length for chemical totes is 35 feet. Tankers are prohibited at Miller WTP, Founders WTP, and Bell Mountain Ranch WTP. All chemical lines must be blown out after each fill.

Below is a summary of the key chemicals used and their respective purposes:

- **Sodium Hypochlorite 12.5% & Liquid Ammonium Sulfate 40%:**
  Used together in the disinfection process to form chloramines at all Castle Rock Water (CRW) treatment plants. Chloramines provide long-lasting protection against harmful microorganisms, helping to safeguard public health.

- **Caustic Soda 50%:**
  Utilized at the Plum Creek Water Purification Facility (PCWPF) to adjust and maintain proper pH levels, ensuring optimal treatment performance and protecting plant infrastructure.

- **Sodium Bisulfite 38-40%:**
  Applied at PCWPF to neutralize residual chlorine after Clean-in-Place (CIP) procedures, helping maintain flux and extend the life of the microfiltration racks.

- **Sodium Thiosulfate:**
  Used to dechlorinate treated water before discharge into storm drains or sewer systems, thereby protecting the environment.

- **Hydrogen Peroxide 20%:**
  Employed in the raw and intermediate ozone processes at PCWPF to generate hydroxyl radicals, which enhance the breakdown of organic materials and metals during treatment.

- **Aluminum Sulfate 48%:**
  Used at the PCWPF, Founders and Meadows Water Treatment Plants to improve settling efficiency and reduce suspended solids following filter backwashes.

- **Citric Acid 50%:**
  Utilized at PCWPF for cleaning microfiltration racks to maintain optimal performance and efficiency.

- **Citric Acid Anhydrous:**
  Used at the Bell Mountain Ranch Water Treatment Plant to regenerate ion exchange media, improving iron and manganese removal from the water supply.

- **SureSoft® Water Softening Pellets (Approved Equals Allowed):**
  Used at the Ray Waterman, Meadows, and Bell Mountain Ranch Water Treatment Plants to regenerate media and reduce hardness, helping protect injectors used for liquid ammonium sulfate.

- **Sodium Silicate:**
  Used at the Bell Mountain Ranch Water Treatment Plant as a sequestering agent and pipe protectant to help maintain water quality and protect distribution system infrastructure.

These chemicals play a vital role in ensuring that all Town water treatment facilities operate effectively, maintain compliance with regulatory standards, and continue to provide safe, high-quality drinking water to the community.

All chemicals shall be approved by NSF 60 or ANSI 61 and include a Certificate of Analysis (COA) for each delivery. Chemical Safety Data Sheets (SDS) will be provided, as needed, for each chemical delivered.

All Sodium Hypochlorite deliveries shall include an onboard chemical transfer pump, generator, and compressor. A pallet jack is required for all salt deliveries.

For typical orders, products shall be delivered within 48 hours of receipt of order - up to three deliveries per week in the summer season on Monday, Wednesday, and Friday, and 1 to 2 deliveries per week on Wednesday and Friday in the winter season.

For emergency needs, Sodium Hypochlorite & Liquid Ammonium Sulfate shall be delivered within 24 hours of receipt of order. Vendors must be able to deliver split tanker loads to multiple facilities, as needed.

i. **Mandatory requirements**

If the vendor fails to meet any mandatory requirement, their bid may be considered non-responsive:

a) Provide a statement of qualifications (SOQ) with your submission explaining how you meet our needs and requirements indicated herein.
b) Vendors must provide an emergency after-hours phone number – **see Attachment B**

i. **Treatment Facilities**

1. **Plum Creek Water Purification Facility (PCWPF)**
   1929 Liggett Rd. Castle Rock, CO 80109

   Required Chemicals
   - Sodium Hypochlorite 12.5%
   - Caustic Soda (Sodium Hydroxide) 50%
   - Liquid Ammonium Sulfate 40%
   - Sodium Bisulfite 38–40%
   - Hydrogen Peroxide 20%

- Citric Acid 50%
- Sodium Thiosulfate (50 lb. bags)

Delivery method/size needed for each chemical

- Sodium Hypochlorite – 1 tanker/month (summer); every 2 months (winter)
- Caustic Soda – 1 tanker every 2 months (summer); every 2–4 months (winter)
- Liquid Ammonium Sulfate – 1 tanker every 2–3 months (summer); every 3–5 months (winter)
- Sodium Bisulfite – 1–2 drums every 2 months (summer); 1 drum every 2–3 months (winter)
- Hydrogen Peroxide – 1 tanker every 3 months (summer); every 3–5 months (winter)
- Citric Acid – 1 tanker every 3–5 years
- Sodium Thiosulfate – 1 pallet per year

2. Meadows Water Treatment Plant (Meadows WTP)
3950 Butterfield Crossing Dr., Castle Rock, CO 80109

Required Chemicals

- Sodium Hypochlorite 12.5%
- Sodium Thiosulfate (50 lb. bags)
- Aluminum Sulfate 48%
- SureSoft® Water Softening Pellets (50 lb. bags)

Delivery method/size needed for each chemical

- Sodium Hypochlorite – 1 tanker every 2–3 months and 2–5 totes weekly (year-round)
- Sodium Thiosulfate – 5–10 bags per year
- Aluminum Sulfate – 1 drum every 2–4 months
- SureSoft® Water Softening Pellets – 1 pallet every 3–5 months

3. Ray Waterman Regional Water Treatment Center (Ray Waterman)
1282 Castle Oaks Dr., Castle Rock, CO 80108

Required Chemicals

- Sodium Hypochlorite 12.5%
- Liquid Ammonium Sulfate 40%
- Sodium Thiosulfate (50 lb. bags)

Delivery method/size needed for each chemical

- Sodium Hypochlorite –3–5 totes weekly (summer); 2–4 totes weekly (winter)
- Liquid Ammonium Sulfate – 1 tanker every 2–3 months (summer); every 3–5 months (winter)
- Sodium Thiosulfate – 10–15 bags per year

4. Founders Water Treatment Plant (Founders)
980 Lantern Trail, Castle Rock, CO 80104

Required Chemicals

- Sodium Hypochlorite 12.5%
- Liquid Ammonium Sulfate 40%
- Sodium Thiosulfate (50 lb. bags)
- Aluminum Sulfate 48%

Delivery method/size needed for each chemical

- Sodium Hypochlorite – 2 totes per week (year-round)
- Liquid Ammonium Sulfate – 1 tote per month (year-round)
- Sodium Thiosulfate – 3–8 bags per year
- Aluminum Sulfate – 1 drum every 2–4 months

5. Miller Water Treatment Plant (Miller)
2032 Champion Court, Castle Rock, CO 80104

Required Chemicals

- Sodium Hypochlorite 12.5%
- Liquid Ammonium Sulfate 40%
- Sodium Thiosulfate (50 lb. bags)

Delivery method/size needed for each chemical

- Sodium Hypochlorite – 1 tote per week (summer); varying need (winter)
- Liquid Ammonium Sulfate – 1 tote per month (summer); varying need (winter)
- Sodium Thiosulfate – 5–10 bags per year

6. Bell Mountain Ranch Water Treatment Plant (Bell Mountain)
4260 Bell Mountain Dr. Castle Rock, CO 80104

Required Chemicals

- Sodium Hypochlorite 12.5%
- Caustic Soda 50%
- Sodium Silicate
- Citric Acid Anhydrous (Powder)
- Sodium Thiosulfate (50 lb. bags)
- SureSoft® Water Softening Pellets (50 lb. bags)

Delivery method/size needed for each chemical

- Sodium Hypochlorite – 1 drum per month (summer); every 2 months (winter)
- Caustic Soda – 1 drum per month (summer); every 2 months (winter)
- Sodium Silicate – 1 drum per month (summer); every 2 months (winter)
- Citric Acid Anhydrous – 1 bag every 4–6 months
- Sodium Thiosulfate – 1–3 bags per year
- SureSoft® Water Softening Pellets – 2 pallets per week (summer); 1 pallet every other week (winter)

7. Tank 17 Booster Station
2362 Coachline Rd. Castle Rock, CO 80109

Required Chemicals

- Sodium Hypochlorite 12.5%
- Liquid Ammonium Sulfate 40%

Delivery method/size needed for each chemical

- Sodium Hypochlorite – 1 tote per month or 2–3 drums
- Liquid Ammonium Sulfate – 1 tote every 2–3 months or equivalent drums

C. BID ITEMS

See **Attachment B**. Bidders may submit pricing for any or all line items.

D. BRAND AND/OR TRADE NAMES:

Each vendor shall agree to furnish the proposed services, equipment, or materials that are called for on the face of this IFB in strict accordance with the conditions, requirements, and specifications of this IFB. In the event the Town includes trade names as a part of the work description of any item, any participating vendor may submit quotations on other trade-named products, provided they are equivalent, unless the wording "No Substitute"/ "Brand Name Only"/ "No Approved Equals" is indicated. When the description includes the wording "No Substitute"/ "Brand Name Only"/ "No Approved Equals" in addition to the trade name, quotations of price will be accepted only on the trade-named product indicated. All disputes concerning grades and quality of merchandise or work shall be determined by the Director of Purchasing or his/her authorized representative.

The Town reserves the right at the time of final evaluation of this IFB to request any vendor proposing an "Approved Equal" technical data, test results, or other pertinent information as evidence that the substitute offered is equal to or better than the specification requirement.

E. PRICING

Pricing submitted must remain **valid for 90 days** after opening. Pricing shall be in the format contained in the IFB. Do not include cost or price figures anywhere except in the cost and pricing section.

No additional fees, charges, or surcharges will be accepted or paid unless expressly identified in the solicitation and approved in writing by the Town.

F. ESTIMATED QUANTITIES:

The approximate quantities indicated for the material or equipment outlined herein are estimated as closely as possible. However, the Town neither states nor does it imply any guarantee that actual purchases will equal the estimate. It is the intent of this bid that the Town will be supplied with more or less of the material or equipment according to actual needs.

G. REFERENCES

Vendors shall furnish the names, addresses and telephone numbers of a minimum of three (3) public water system organizations for which the vendor is currently furnishing or has, in the past, supplied orders for:

Company Name _____

Address _____

Reference _____

Reference Email Address _____

Telephone Number _____

Contract Amount ($) _____

Company Name _____

Address _____

Reference _____

Reference Email Address _____

Telephone Number _____

Contract Amount ($) _____

Company Name _____

Address _____

Reference _____

Reference Email Address _____

Telephone Number _____

Contract Amount ($) _____

H. TERM

The term of this Agreement shall commence on **01/01/2027 to and including 12/31/2027.** The Town shall have an option to renew this Agreement for four (4) additional one (1)-year periods, not to exceed **December 31, 2031,** under the same terms and conditions by a written amendment to this Agreement executed prior to the expiration of the Term.

This agreement and/or extension to the original period of a subject agreement shall be contingent upon vendor performance, annual funding being appropriated, budgeted, and otherwise made available for such purposes and subject to the Town's unanimous satisfaction with the services received during the preceding agreement period.

I. F.O.B DESTINATION AND ACCEPTANCE

All goods shall be shipped **F.O.B. Destination**, freight prepaid.

Delivery shall not constitute acceptance. The Town reserves the right to inspect and reject any goods that are damaged, defective, or non-conforming. Risk of loss shall remain with the Contractor until final acceptance by the Town.

SECTION TWO: PAYMENT AND PERFORMANCE

A. PRICE ADJUSTMENTS

Pricing shall remain firm and fixed until **12/31/2027.**

The awardee may submit a written request for a price adjustment at least **sixty (60) days** prior to the contract's effective date. All pricing modifications must be mutually agreed upon by both the Vendor and Town before taking effect.

Consumer Price Index (CPI-U), U.S. City Average, All Items, as published by the U.S. Bureau of Labor Statistics (BLS). Prices may be adjusted annually based on changes in the CPI-U and/or an applicable PPI index. If the index decreases, prices shall be reduced accordingly. Price adjustments may not exceed the percentage increase or decrease reflected in the selected index.

The Town shall have the right to audit and verify all pricing data used to justify an adjustment. No price increase is effective unless approved in writing by the Town.

B. PAYMENT TERMS

All payment terms shall be "Net 30". Consideration will be given to any discounts offered for payments made earlier than "Net 30"; please explain in your IFB response and submit a separate price table showing the discounted rates.

C. VENDOR PERFORMANCE MANAGEMENT

The Town may administer vendor performance metrics as part of the resulting contract. The purpose of this program is to create a method for documenting and advising the department of exceptional performance or any problems related to the purchased goods and services. If requested by the department, metrics must be provided annually and include, but are not limited to:

- Total dollar value of purchases
- Total number of transactions
- Average response time after receipt of call from the Town
- Average time for order completion
- Number of items backordered

SECTION THREE: INSTRUCTIONS TO BIDDERS

A. ROCKY MOUNTAIN E-PURCHASING SYSTEM (BIDNET®)

Bids must be submitted electronically only through Rocky Mountain E-Purchasing System (BidNet®) at https://www.bidnetdirect.com/colorado/town-of-castle-rock. Physical bids or late submittals will not be accepted.

Registration with BidNet® is available at NO CHARGE and allows vendors access to view governmental bids posted on BidNet®; they offer an additional notification service option with an associated fee. It is the responsibility of the vendor to evaluate and select the service option of their choice.

The Town is not responsible for the actions or lack thereof on the part of the vendor regarding their interaction with BidNet®, or any other third-party bid notification service in relation to this IFB.

Support is available at support@bidnet.com or by calling 1-800-835-4603.

B. QUESTIONS AND ADDENDA

All questions regarding this solicitation must be submitted in writing via email to the contact listed below by the deadline stated in the Schedule of Events. Communication with other Town personnel is strictly prohibited.

Contact: Christina Buster
Email: cbuster@crgov.com

Only written addenda issued by the Town through BidNet® shall modify this document. Bidders are responsible for reviewing and acknowledging all posted addenda and incorporating them into their submission.

SECTION FOUR: CONDITIONS & PROVISIONS

A. OFFEROR'S ACCEPTANCE OF THE REQUEST FOR BID AND TERMS AND CONDITIONS

Submission of a proposal constitutes acceptance of this solicitation, including all exhibits and attachments.

Unless an Offeror submits proposed revisions to the Town's **Sample Agreement** as clearly identified redlines with its proposal, submission constitutes acceptance of the Sample Agreement in its entirety. Any proposed revision constitutes a counteroffer that the Town may accept or reject at its sole discretion. If the parties cannot agree upon final contract terms, the Town may rescind the award and proceed with another Offeror.

The Town reserves the right to waive any technical or formal errors or omissions and to reject any and all bids, or to award a contract for the items herein, either in part or whole, if deemed to be in its best interests.

By submitting a proposal, the Offeror agrees to comply with the solicitation requirements and abide by the Town's final decisions regarding the solicitation process.

B. ETHICAL STANDARDS AND KICKBACKS

It shall be a breach of ethical standards for any person to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other capacity in any proceeding of application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation therefore.

It shall be a breach of ethical standards for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher-tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

In the event that any gratuities or kickbacks are offered or tendered to any Town employee or representative, the bid response shall be disqualified and shall not be reinstated.

C. NON-COLLUSIVE BID CERTIFICATION

By submission of this bid, the respondent certifies that:

a. The bid has been arrived at by the respondent independently and has been submitted without collusion with any other respondent.

b. The contents of the bid have not been communicated by the respondent; nor, to its best knowledge and belief, by any of its employees or agents, to any person not an employee or agent of the respondent or its surety on any bond furnished herewith, and will not be communicated to any such person prior to the official opening of this bid.

c. No respondent shall submit more than one bid, to include an alternate bid, for this purchase.

D. EXAMINATION OF RECORDS

The successful respondent will agree that the Town shall, until the expiration of three (3) years after the final payment under a contract issued as a result of this IFB, have access to and the right to examine any directly pertinent books, documents, papers and records of the respondent concerning the services performed pursuant to such contract.

E. EVALUATION OF AWARDS

The Town may award one or more vendors.

The Town reserves the right to award each individual line item for that specific item, or in otherwise best interest of the Town.

The criteria to be used for the bid evaluation include but are not limited to:

- Price
- Responsive and responsible bidder {per Castle Rock Municipal Code §3.02.070}
- Ability to meet specifications
- Past performance

No weighting or relative importance of criteria is intended or implied by this list. The Town may request clarifications or additional information.

No bid shall be accepted from, and no contract will be awarded to, any person, firm or corporation that is in arrears to the Town, upon debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to the Town, or that has failed to attain or demonstrate compliance with any law, ordinance, regulation, or contract term or condition as may be provided for or required in any Town contract, or that may be deemed irresponsible or unreliable by the Town. The successful respondent may be required to submit satisfactory evidence that they have a practical knowledge of the particular work, as described, and that they have the necessary financial resources to perform and complete the work outlined in this IFB.

The successful respondent agrees to abide by all applicable laws, regulations and administrative rulings of the United States, the State of Colorado, and the Town, and shall secure any and all applicable licenses and permits in connection with this IFB.

F. AWARD RECOMMENDATION AND APPROVAL

Per TOCR §3.02.080 approval levels:

Dollar Amount	Approval Required
Less than $25,000	Department Director or designee
$25,000 – $249,999.99	Department Director and Town Manager
$250,000 and more	Department Director, Town Manager, and Town Council

G. COLORADO OPEN RECORDS ACT (CORA)

All information submitted in response to this IFB may be subject to disclosure under the Colorado Open Records Act (CORA). Respondents are discouraged from providing information that they consider confidential and/or privileged as part of a response to this IFB. If any portion of your response is identified as proprietary

and/or confidential, a redacted copy must be uploaded to the Rocky Mountain E-Purchasing System with your original response.

In the event any action is brought under CORA, Respondents are responsible for defending the asserted confidentiality or proprietary content or nature of their response.

H. REGISTRATION WITH THE COLORADO SECRETARY OF STATE

If awarded, successful vendors are required to furnish a Certificate of Good Standing from the Colorado Secretary of State's Office, as proof that they are properly registered to do business in the State of Colorado, within ten (10) calendar days of issuance of the Notice of Intent to Award.

I. CERTIFICATE OF INSURANCE

The apparent successful Offeror shall provide a Certificate of Insurance (COI), meeting all requirements set forth in the solicitation and sample contract, within ten (10) calendar days of issuance of the Notice of Intent to Award.

Failure to provide the required Certificate of Insurance within the specified timeframe may result in the Offeror being deemed non-responsive and may be grounds for withdrawal of the Notice of Intent to Award and award to the next highest-ranked Offeror.

J. TERMINATION

The Town reserves the right to terminate the solicitation at any time, in whole or in part, without penalty, for any reason.

SECTION FIVE: BID SUBMISSION CHECKLIST

A. CHECKLIST

Did you sign the first page of the solicitation document? _____

Did you complete the pricing table and include an emergency after-hours line? _____

Did you provide three (3) public water system references? _____

Did you include a statement of qualifications (SOQ) for your organization? _____

Have you responded to or completed and included proof of meeting all of the Town's requirements (where applicable)? _____

If you bid an "Approved Equal", did you include applicable technical data, test results, or other pertinent information as evidence that the substitute offered is equal to or better than the specification requirement? _____
