Section 1 - Introduction and Instructions to Proposers

Proposal Statements (herein referred to as “Proposal Statement” or “Proposal”) from interested Roofing Specialists (herein referred to as Contractor or Contractors) will be received by the District Purchasing Manager on behalf of Weld RE-4 School District submitted directly to Rocky Mountain E-Purchasing System (RMEPS) via BidNet on December 2nd, 2026, no later than 2:00 pm MT.

Weld RE-4 School District (herein referred to as the District) is seeking proficient Contractors who are eligible to offer their services for the purpose of Reroofing Grandview Elementary School located at 1583 Grand Avenue, Windsor CO 80550.

The District will evaluate proposals and present a recommendation to the District’s Board of Education for approval. Subject to and following approval by the Weld RE-4 Board of Education, the District will attempt to negotiate a contract for the Project at fair and reasonable terms. If the negotiations are unsuccessful with the Contractor, the District will attempt negotiations with the next Contractor in line for the Project. Although the District anticipates very qualified Contractors to submit Proposal Statements, it is ultimately up to the District’s judgment as the client, to select the Contractor that is the best qualified for the successful execution of the Project

Appendices and Exhibits *referenced in this RFP will be provided as separate documents and made available to proposers through BidNet Direct.*

Section 2 - Key Events Schedule

Issue Request for Proposal - October 22, 2026
Mandatory PreProposal Meeting & Site Visit - November 4th at 3 pm MT.
Last Date for questions/clarifications - November 11th, 2026 no later than 2:00 pm MT
Deadline for Submission of Proposal - December 2nd, 2026 no later than 2:00 pm MT

Section 3 - Scope of Work and Project Requirements

Scope of Work

The District is seeking qualified Contractors to replace the Grandview Elementary roof. This includes providing all labor, materials, and equipment.

All work must be performed in strict accordance with the technical specifications, material standards, and performance requirements detailed in ***Exhibit A*** (Technical Specifications and Scope of Work) and ***Exhibit B*** (Roof Drawings), which are incorporated herein by reference. Proposers are required to thoroughly examine the roof drawings and site specifications prior to submitting a proposal. Submission of a proposal constitutes contractor acknowledgement that all site conditions shown in *Exhibit B* have been reviewed and accounted for in the pricing.

Project Schedule & Milestones

- Contractors shall submit a Proposed Project Schedule that outlines their intended timeline for completing the scope of work, including start and end dates, estimated durations at each school site (if phased), and any known limitations.
- The District's preference is for the project to run between May 31 and August 10th, 2027. Contractors are encouraged to propose a realistic, weather-conscious schedule that includes:
    - Estimated time required with specific milestones
    - Weather considerations and flexibility
    - Any assumptions made (e.g., number of crews, hours per day)
- The District will evaluate the proposed schedule as part of the selection process to ensure it meets operational needs and supports safe and efficient installation.

Liquidated Damages

Failure to achieve Substantial Completion by August 10, 2027, will result in Liquidated Damages in the amount of $500 per day for every day the project remains incomplete beyond the established deadline.

Section 4 - Proposal and Budget

Bid Proposal Form

Vendors are required to review and complete the provided Pricing Form included in the attached bid documents as ***Appendix A***. This form must accompany Vendor's statement response.

Budget

The District has established a budget of $1,200,000 for the work described in this RFP. This includes a 12% contingency. Contractors are encouraged to submit solutions that align with this budget.

Section 5 - Mandatory Pre-proposal Meeting

A mandatory pre-proposal meeting and site walk will be held on November 4th, 2026 at 3:00 PM at Grandview Elementary School. It will not be necessary to show ID at the front door since students will already be dismissed. Representatives of the District and the Roofing Architect will be present to discuss the project in detail and take attendees on a guided site walk. **Attendance is mandatory;** proposals from contractors who did not attend the meeting will be rejected as non-responsive. RSVP to memorie.dudley@weldre4.org and please state how many people in your group will be attending.

Section 6 - Communication Protocol

No Contact Protocol

To maintain fairness and transparency, Respondents must adhere to the following communication rules during the RFP process:

- Restricted Contact: From the RFP's release until a vendor is selected, all communication regarding this solicitation must be directed to the District's Purchasing Manager. Contact with any other District employee, Board member, or agent is strictly prohibited and may result in disqualification.
- Prohibited Communications: Respondents, bidders, lobbyists, or consultants may not communicate with:
    - Members of the District's Board of Education about this RFP.
    - Any member of a selection or evaluation committee.
- Exceptions:
    - Communication with the District's designated purchasing agent.
    - Discussions with the District's legal counsel at the District's request.
- Public Meetings: Respondents may address the Board during public meetings on matters unrelated to this RFP or if presenting at the District's request, in compliance with Board policies.
- General Inquiries: All inquiries must follow the RFP's instructions. Failure to comply may result in disqualification.
- Sales & Introductory Meetings: Requests for sales calls and introductory meetings will not be accommodated.
- Addenda & Updates: General questions will be answered via addenda posted to this solicitation.

The communication restriction remains in effect until the administration recommends a contractor for award. This policy ensures a fair selection process, maintains transparency, and upholds the integrity of the solicitation.

Questions & Clarifications

All questions regarding this RFP must be submitted directly to the district's purchasing manager online via Bidnet Direct by November 11th, 2026 no later than 2:00 PM MT. Questions submitted through any other method will not be accepted. Responses to all inquiries will be provided through Bidnet Direct to ensure transparency and equal access to information.

Section 7 - Proposal Submission Instructions

Quality of Submission:

1. One (1) electronic copy submitted via BidNet Direct
2. Maximum of 40 pages excluding covers and dividers
3. Number all pages sequentially
4. The organization of the Proposal will be as follows:
    - Front Cover - Identify RFP Submission and Contractor's name
    - Table of Contents
    - Tab A - Letter of Interest
    - Tab B - Business Profile
        - Company Overview: Year founded, office locations, and general operating capacity.
        - K-12 Approach: Brief description of your approach and work processes for K-12 educational facilities.
        - Key Personnel: Names, roles, and relevant K-12 reroofing experience for the primary Project Manager and On-Site Superintendent.
    - Tab C - Experience and References
        - Provide three (3) K-12 or public entity references for similar completed roofing projects.
        - For each project, include:
            - District/Entity name, contact person, phone number, and email address.
            - Project scope, completion date, and final contract value.

    - Submit a Letter of Bondability from your surety providing 100% Performance and Payment Bonds.
- Tab H - W-9
- Tab I - Signatures and Acknowledgements in **Section 10.**

Review of Construction Agreement

Exhibit C (Draft Construction Agreement): Proposers must review the sample District Construction Agreement provided in *Exhibit C*. Proposers must indicate one of the following as an acknowledgement in **Section 10**:

- Acceptance of the agreement as drafted; OR
- Submission of specific exceptions or proposed edits in clear redline format. This will be submitted separately and will not count toward the 40 page proposal.

Note: Weld RE-4 School District will not entertain extensive modifications after award. Certain terms required by Colorado law and Board Policy DJE—such as limits on District indemnification, mandatory venue in Weld County, and TABOR non-appropriation provisions—are non-negotiable.

Section 8 – Evaluation and Award Process

Weld RE-4 School District will evaluate submitted Proposals to select a qualified contractor that has demonstrated experience, qualifications, proposed pricing, and overall value to the District.

An evaluation committee, appointed by the Superintendent or designee, will review all eligible submissions. Shortlisted contractors may be asked to participate in interviews. Proposals will be scored according to the criteria outlined below.

Following evaluation, the District will submit a recommendation to the Weld RE-4 Board of Education for final approval. Only upon Board approval will the District enter into contract negotiations with the selected contractor. If the District is unable to reach agreement on contract terms with the top-ranked respondent, negotiations may proceed with the next highest-ranked contractor.

Evaluation Criteria (100 Points Total)

- (45 Points) Price
- (25 Points) References
- (15 Points) Safety Rating
- (5 Points) Financials

- (3 Points) Proximity to Weld Re-4 School District
- (7 Points) Quality of Submission

The District reserves the right to reject any or all Proposals, reissue the RFP, or cancel the procurement process at any time. Evaluation outcomes may involve subjective judgment, and the District is not required to provide feedback, scoring breakdowns, or justification for award decisions unless required by law.

Section 9 - Respondent Representations and Legal Disclaimers

By submitting a Proposal Statement, the Respondent acknowledges, agrees to, and certifies the following:

1. No Contract Created
   This RFP is a solicitation for proposals only and does not constitute an offer or guarantee of a contract. Submission of a response does not create a binding agreement with the District. No contractual relationship shall exist unless and until a written agreement is approved by the Weld RE-4 Board of Education and executed by authorized representatives of both parties.
2. Costs and Commitments
   All costs incurred in the preparation and submission of the response are the sole responsibility of the Respondent. The District is not responsible for any such costs, nor does it guarantee the award of any project.
3. Accuracy and Completeness of Information
   All information provided in the response must be accurate, complete, and current. The District relies on this information in making its selection. Failure to provide all required information and documentation may result in the proposal being rejected as non-responsive.
4. Qualifications and Authority
   The Respondent is authorized to provide services in Colorado and has the staff, capacity, experience, and resources necessary to meet all RFP requirements. The signatory certifies they have legal authority to bind the company.
5. No Conflict of Interest
   No Board member or employee of Weld RE-4 has a financial interest in the Respondent's organization. Any potential conflict has been disclosed in the response.
6. Waiver of Claims
   The Respondent waives any claims against the District, its Board, employees, or agents arising from the administration, evaluation, or outcome of this RFP process.
7. Clarifications and Post-Submission Inquiries
   The District reserves the right to request additional or clarifying information after proposals have been submitted. This information may be used to further evaluate

the response or clarify submittal items. The Respondent's designated contact shall provide requested clarifications in a timely manner.

8. District Rights and Reservations
   The District reserves the right to evaluate proposals based on any criteria deemed necessary to determine best overall value to the District. The District further reserves the right to:
   a. Make multiple awards or none at all;
   b. Reject any or all submissions, in whole or in part;
   c. Hold proposals open for acceptance for up to 90 days;
   d. Waive technical irregularities or informalities if in the District's best interest;
   e. Cancel this RFP at any time; and
   f. Make no guarantee of quantities or contract award, and terminate any resulting agreement in accordance with its terms.
9. Public Records & Confidentiality
   Submitted materials are subject to disclosure under the Colorado Open Records Act (C.R.S. § 24-72-201 et seq.). Proprietary or confidential information must be clearly marked, but blanket designations of the entire proposal will not be accepted.
10. Addenda and Clarifications
    The Respondent has reviewed all solicitation documents and acknowledges receipt and incorporation of all addenda issued by the District through BidNet Direct.

Section 10 - Signatures and Acknowledgements

Affidavit of Non-Collusion, Non-Conflict of interest, Anti-Lobbying

By submission of this response, the undersigned certifies that:

1. Neither the Respondent nor any of its officers, partner, owners, agents, representatives, employees, or parties in interest, has in any way colluded, conspired, or agreed, directly or indirectly with any person, Respondent, corporation or other Respondent or potential Respondent or given any money or other valuable consideration for assistance in procuring or attempting to procure a contract or fix the prices in the attached response or the response of any other Respondent, and further states that no such money or other reward will be hereinafter paid.
2. No attempt has been or will be made by this Respondent's officers, employees, or agents to lobby, directly or indirectly, the District's Board of Education between response submission date and award by the District's Board of Education.
3. No officer, or stockholder of Respondent is a member of the staff, or related to any employee of the Weld RE-4 School District except as noted below:

    _____

    _____

    _____

4. If this project is funded in whole or in part with federal funds, the Respondent certifies that it is not suspended or debarred from participation in federally funded contracts and is not listed on any federal exclusion lists.

By signing below, the Respondent certifies that:

- They are a duly authorized officer of the company submitting this response;
- They are authorized to bind the company to the pricing and terms proposed; and

- They have reviewed and agreed to comply with all RFP requirements, including the representations and acknowledgments contained within this document.

The Respondent also acknowledges and agrees to the Affidavit of Non-Collusion, Conflict of Interest, and Anti-Lobbying, which must be completed and submitted with the proposal if applicable.
