If any new tariffs, duties, or similar government-imposed charges or increases to existing tariffs, existing duties or similar existing government-imposed charges, affect the products outlined in this proposal prior to equipment shipment, a detailed explanation and documentation of costs impacted (freight, import duties, or specific material increases) that support any tariff surcharges shall be provided to the County for approval prior to ordering the products.

Purpose: Arapahoe County is seeking proposals from qualified vendors to provide comprehensive maintenance, support, and advisory services for the security electronics systems at the Arapahoe County Justice Center. This includes, but is not limited to, cameras (CCTV), door controls (PLC & HMI), intercoms, paging, and all supporting equipment and infrastructure. The selected vendor will be responsible for ensuring the continued reliable operation of all existing systems, advising on parts replacement, and supporting the County in planning for future upgrades.

APPLICABILITY. These General Terms and Conditions apply, but are not limited, to all bids, offers, proposals, qualifications, and quotations (hereinafter referred to as "Responses") made to Arapahoe County (hereinafter referred to as "County") by all prospective responders (herein after referred to as "Contractors") in response, but not limited, to Requests for Bids, Requests for Proposals, Requests for Qualifications, and Requests for Quotations (hereinafter referred to as "Solicitations").

GENERAL TERMS AND CONDITIONS. Contractors are required to submit their Responses in accordance with the following expressed conditions:

1. Contractors shall make all investigations necessary to thoroughly inform themselves regarding the facilities affected by the delivery of materials, equipment, and services. No plea of ignorance by the Contractor of conditions that exist or that may hereafter exist as a result of failure to fulfill the requirements of the contract documents will be accepted as the basis for varying the requirements or the compensation to the Contractor. The County will not be responsible for any expenses incurred by any Contractor in preparing and submitting its Response.

2. Contractors are advised that all County contracts are subject to all legal requirements contained in County Rules and Policies and Colorado State and Federal Statutes. When conflicts between this Solicitation and these legal documents occur, the highest authority shall prevail.

3. Successful Contractors shall be familiar and comply with all local, state, and federal directives, ordinances, rules, orders, and laws applicable to, and affected by, any awarded agreement.

4. Venue. Colorado law, rules, and regulations shall be applied in the interpretation, execution, and enforcement of this Solicitation and any awarded Agreement. Any provision included or incorporated herein by reference which conflicts with said laws, rules, and regulations shall be null and void. All suits or actions related to this Solicitation and any awarded Agreement shall be filed and proceedings held in the State of Colorado and exclusive venue shall be in Arapahoe County.

5. Variations and Exceptions. Contractors are required to state exactly what they intend to furnish to the County via this Solicitation and must indicate any variances to the terms, conditions, and specifications of this Solicitation no matter how slight in a separate electronic file submitted with the Response before the solicitation submission deadline. If variations are not stated in a file submitted before the solicitation deadline, it shall be construed that the Contractor's Response fully complies with all conditions identified in this Solicitation. Contractors who qualify their Responses by requiring alternate contractual terms and conditions must include such alternate terms and conditions in their Offers. The County reserves the right to declare Contractors' Responses as non-responsive if any of these alternate terms and conditions are in conflict with the County's terms and conditions, or if they are not in the best interests of the County.

6. Non-appropriation. Financial obligations of the County payable after the current fiscal year are contingent on funds for that purpose being appropriated or otherwise made available by the Arapahoe Board of County Commissioners. The County's obligations under any awarded Agreement shall be from year to year only and shall not constitute a multiple-fiscal year direct or indirect debt or other financial obligation of the County within the meaning of Article X, Section 20 of the Colorado Constitution (TABOR) pursuant to C.R.S.§ 29-1-110. The awarded agreement will automatically terminate on January 1st of the first fiscal year for which funds are not appropriated. The County shall give the Contractor written notice of such non-appropriation.

7. Protection of Personal Identifying Information. In the event any awarded Agreement includes or requires the County to disclose to Contractor any Personal Identifying Information as defined in C.R.S. § 24-73-101, Contractor shall comply with the applicable requirements of C.R.S. §§ 24-73-101, et seq., relating

to third-party service providers.

8. No indemnification by Arapahoe County. The County is prohibited under Article XI, Section 1 of the Colorado Constitution from indemnifying anyone. Any term included in any awarded Agreement that requires the County to indemnify or hold Contractor harmless; requires the County to agree to binding arbitration; limits Contractor's liability for damages resulting from death, bodily injury, or damage to tangible property shall be void ab initio. Any term included in any awarded Agreement that limits Contractor's liability that is not void under this section shall apply only in excess of any insurance to be maintained under any awarded Agreement, and no insurance policy shall be interpreted as being subject to any limitations of liability of any awarded Agreement.

9. Indemnification. Contractor shall indemnify and hold harmless the County and its elected and appointed officials, officers, employees, agents, and assignees (the "Indemnified Parties") as required under any awarded Agreement. Contractor's obligation to indemnify, and to provide any extended insurance coverage where applicable, shall survive the completion of the scope of services, and shall survive the termination of any awarded agreement.

a. Confidential Information Indemnification. Disclosure or use of any County confidential information by Contractor may be cause for legal action by third parties against Contractor, the County, or their respective agents. Contractor shall indemnify, defend, and hold harmless the Indemnified Parties as required under any awarded agreement.

b. Intellectual Property Indemnification. Contractor shall indemnify, save, and hold harmless the Indemnified Parties in relation to any claim that any deliverable, good or service, software, or work provided by Contractor under any awarded Agreement (collectively, "IP Deliverables"), or the use thereof, infringes a patent, copyright, trademark, trade secret, or any other intellectual property right as required under any awarded Agreement. Contractor's obligations shall not extend to the combination of any IP Deliverables provided by Contractor with any other product, system, or method, unless the other product, system, or method is (a) provided by Contractor or Contractor's subsidiaries or affiliates; (b) specified by Contractor to work with the IP Deliverables; (c) reasonably required in order to use the IP Deliverables in its intended manner and the infringement could not have been avoided by substituting another reasonably available product, system, or method capable of performing the same function; or (d) is reasonably expected to be used in combination with the IP Deliverables.

10. Confidential information. Contractors may designate specific pages or sections within their submission as trade secret or confidential commercial information or as otherwise protected by law ("Confidential Information"). Documents and data that are considered Confidential Information shall be clearly marked as such and separated from the rest of the Solicitation submission documents. Comingling is not acceptable. The County does not favor blanket assertions of Confidential Information. Please note that blanket assertions that merely classify and/or broadly claim information is confidential are insufficient as a matter of law. Any information that will be included in any resulting awarded agreement cannot be considered Confidential Information. Under no circumstances may submission pricing information be considered Confidential Information. In the event a formal agreement is entered into with the County and a portion of the Response carries a designation indicating the Contractor believes it is Confidential Information, then the County agrees that it will use its best efforts to forward any request for the disclosure of the Confidential Information to the Contractor. By submission of its /Response, Contractor agrees to promptly respond to the request for disclosure with any objections and reasons therefor in accordance with the Colorado Open Records Act 6 C.R.S. §§24-72-101 et seq. and any other applicable law. Further, Contractor agrees to assume the obligation to defend, hold harmless, and indemnify the Indemnified Parties in any legal proceeding that arises from non-disclosure of documents or data pursuant to the Contractor's objection.

11. Arapahoe County intends and expects that the contracting processes of the County and its Contractors provide equal opportunity without regard to disability, race, creed, color, sex, religion, sex, sexual orientation, religion, age, national origin, ancestry, or any other characteristic protected by law. Accordingly, the Contractor and their sub-contractors shall not discriminate on any of the foregoing grounds in the performance of any awarded agreement.

12. Governmental Immunity. Liability for claims for injuries to persons or property arising from the negligence of Arapahoe County, its departments, boards, commissions, committees, bureaus, offices, employees, and officials shall be governed by the provisions of the Colorado Governmental Immunity Act,

§§24-10-101, et seq., C.R.S. (CGIA). No term or condition of the Agreement shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions contained in the CGIA.

13. Tax exempt. Contractors shall not include federal, state, or local excise or sales taxes in prices offered, as the County is exempt from payment of such taxes. Materials purchased directly by the Contractor in conjunction with this contract will, however, be subject to applicable state and local sales taxes. The Contractor shall bear these taxes. Under no circumstances shall Contractor be authorized to use the County's tax exemption number in acquiring such materials.

The County shall not be liable for the payment of any excise, sales, or use taxes. Arapahoe County is exempt from federal excise taxes under I.R.C. Chapter 32 (26 U.S.C., Subtitle D, Ch. 32) and from State and local government sales and use taxes under §§39-26-704(1), et seq.

14. Independent Contractor. Contractor shall be considered an independent contractor. An independent contractor is not entitled to worker's compensation benefits and will be obligated to pay federal and state income tax on any monies earned pursuant to the contract relationship. Notwithstanding any provision appearing in any awarded agreement, all personnel assigned by the Contractor to provide services under the terms of such agreement shall be and remain at all times employees of the Contractor or employees of their respective employers for all purposes. The County may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable.

15. By submitting its Response, Contractor warrants and certifies that he/she is eligible to submit a Response because he/she is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a transaction by any Federal, State, or local department or agency.

16. The County logo is trademarked and property solely of Arapahoe County. Contractors do not have permission to use the County logo on any documentation or presentation materials and to do so would be a violation of the trademark. It is also preferred that your company does not utilize its trademark as to not influence an evaluator's evaluation.

17. Failure to Perform**.** The County may, by written notice to the successful Contractor, terminate any awarded agreement if the Contractor has been found to have failed to perform its service in a manner satisfactory to the County as per specifications, including delivery as specified. The date of termination shall be stated in the notice. The County shall be the sole judge of non-performance.

18. Rejection of Offers. The County may, at its sole discretion reject any and all, or parts of any or all, Offers submitted by prospective Contractors including, but not limited to, the following conditions:

- The County chooses to re-advertise this Solicitation.
- The County postpones or cancels the solicitation process.
- Where the Contractor misstates or conceals any material fact in its Offer.
- When an offer that does not strictly conform to the law or the requirements of this Solicitation.
- Offer is missing documents, including, but not limited to, certificates, licenses, and/or samples, which are required for submission with the Offer; or
- Where communication is initiated by the Contractor or on a Contractor's behalf regarding this Solicitation to or with any County official or employee during the submission process, except as expressly set forth in this Solicitation. Prohibited communications initiated by a Contractor shall be grounds for eliminating the offending Contractor from consideration for award.
- An Offer may not be accepted from, nor any contract be awarded to, any person or firm which is in arrears to the County upon any debt or contract or which is a defaulter as surety or otherwise upon any obligation to the County.
- An Offer may not be accepted from, nor any contract awarded to, any person or firm which has failed to faithfully perform any previous contract with the County, state, or federal government, for a minimum period of three years after that previous contract was terminated for cause.

SPECIAL TERMS AND CONDITIONS.

1. Purpose of Solicitation: Arapahoe County is issuing this Solicitation for the purpose of Security Electronics Maintenance & Support Services. It is understood and agreed that the County may, during the term of the awarded agreement, request additional services be performed by the successful Contractor(s) at other locations within the County. This option, if exercised, is the prerogative of the County and shall be honored by the Contractor(s) throughout the contract period. No guarantees are made that additional services will be requested.

2. Prices proposed by the Contractor shall remain fixed and firm during the term of the awarded agreement. The term shall commence upon the date specified in the awarded agreement or purchase order and shall remain in effect until such time as all items/services purchased in conjunction with this Solicitation have been delivered and accepted by the County's authorized representative. It shall be understood and agreed that any warranty period which exceeds this term shall remain in full force for the duration of the warranty period.

3. Option to Renew for Subsequent Years: The prices or discounts quoted in this Solicitation shall prevail for one year from the effective date of the contract, at which time the County shall have the option to renew the contract for four (4) additional one-year periods; provided that the Contractor provided satisfactory performance during the contract period. Continuation of the awarded agreement beyond the initial period is a County prerogative and not a right of the Contractor. During the option period, the County will consider an adjustment to the pricing structure. For consideration, the Contractor must document that it was subject to a price adjustment by the product manufacturer or a direct wholesale supplier. Any price adjustments shall not exceed the amount being passed on.

4. Contractors are prohibited from directly or indirectly communicating with the Arapahoe County Board of County Commissioners regarding their qualifications or any matter related to the eventual award of a contract for the good and/or services requested in this Solicitation. Contractors are prohibited from contacting County employees or evaluation committee members regarding their qualifications or the award of a contract unless in response to an inquiry from an employee or committee member as part of the formal evaluation process outlined in the Solicitation. Any violation of these provisions may result in the Contractor's immediate disqualification from the selection process.

5. Due to the service level required in conjunction with this Solicitation, the Contractor may be required to maintain an office within the Metro Denver, Colorado, area. This office shall be staffed by a competent company representative who can be contacted during normal working hours and who is authorized to discuss matters pertaining to the awarded agreement. Metro Denver consists of the City and County of Denver, City and County of Broomfield, Adams County, Boulder County, Douglas County, Larimer County, El Paso County, and Gilpin County, Colorado.

6. Inspection of the Contractor's facility may be made prior to award of the agreement. Solicitations will only be considered from firms which are engaged in the business of performing services as described in this Solicitation. The Contractors must be able to produce evidence that they have an established satisfactory record of performance for a reasonable period of time and have sufficient financial support, equipment, and organization to ensure that they can satisfactorily execute the services if awarded an agreement.

7. In its Response, Contractor shall be required to identify any and all sub-contractors that will be used in the performance of an awarded agreement resulting from this Solicitation. Contractor shall also identify the capabilities, experience, and portion of the work to be performed by any sub-contractor(s). The competency of the sub-contractor(s) with respect to skill, responsibility, and business standing will be considered by the County when making the award in the best interest of the County.

8. Responses to this Solicitation are considered to be working documents while they are under consideration and, as such, are not subject to official bid openings. The only information released at the public opening of Responses to this Solicitation will be the names of the respondents. Only after staff makes

an official recommendation of award and an agreement is fully executed will Responses to this Solicitation be available as public record.

9. Cooperative Purchasing. The County encourages and participates in cooperative purchasing endeavors undertaken by or on behalf of other governmental agencies including the Multiple Assembly of Procurement Officials (MAPO) and the Cooperative Educational Purchasing Council (CPEC). We hereby request that any member of MAPO/CEPC/Colorado governmental agency be permitted to avail itself of any awarded agreement and purchase, as specified by the awarded agreement resulting from this Solicitation, at the contract prices established therein. Each governmental entity shall establish its own contract, issue its own orders, be invoiced directly, make its own payments, and issue its own exemption certificates as required. It is understood and agreed that the County is not a legally binding party to any other contractual agreement made between another governmental entity and the successful Contractor as a result of this Solicitation. The County shall not be liable for any costs or damages incurred by any other entity.

10. Software Piracy Prohibition. The County or other public funds payable under any awarded agreement shall not be used for the acquisition, operation, or maintenance of computer software in violation of federal copyright laws or applicable licensing restrictions. Contractor hereby certifies and warrants that, during the term of any awarded agreement and any extensions, Contractor has and shall maintain in place appropriate systems and controls to prevent such improper use of public funds. If the County determines that Contractor is in violation of this provision, the County may exercise any remedy available at law or in equity or under the awarded agreement, including, without limitation, immediate termination of the agreement and any remedy consistent with federal copyright laws or applicable licensing restrictions.

11. Insurance. Contractor agrees to procure and maintain, during the life of any awarded agreement, a policy, or policies of insurance against all liability, claims, demands, and other obligations assumed by the Contractor. Contractor shall procure and maintain, during the life of the agreement, for itself and any sub-Contractor, the minimum insurance coverages required by the awarded agreement. The certificate of insurance provided by the selected Contractor shall be completed by the Contractor's insurance agent as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect and shall be reviewed and approved by the County prior to commencement of the agreement. No other form of certificate shall be used. The certificate shall identify awarded agreement and the coverages afforded under the policies. **The certificate of insurance must be on file with the County prior to commencement of the agreement**. The completed certificate of insurance must be sent to:

FEDERAL FUNDS.

1. Federally funded projects (in whole or in part) shall be handled within the laws, rules, and regulations as promulgated by the United States Government, which includes Public Law http://uscode.house.gov; Code of Federal Regulations (CFR) codification of the general and permanent rules and regulations https://www.ecfr.gov, but is not limited to: Title 2: Grants and Agreements: Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards Subpart F Appendix II and Uniform Grant Guidance as amended.

2. Federal Compliance - This Solicitation will be funded, in whole or in part, with an award of federal funds. Contractor shall comply with all applicable federal laws, regulations, and requirements. These include but are not limited to compliance with the following laws and regulations:

1) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). If this Agreement is in excess of $100,000 and involves the employment or mechanics or laborers, Contractor must comply with provisions of 40 U.S.C. 3702, as supplemented by Department of Labor regulations (29 CFR Part 5).

2) Rights to Inventions Made Under a Contract or Agreement. If this Agreement is an agreement with a small business firm or nonprofit organization for performance of experimental, developmental, or research, Contractor must comply with the requirements or 37 CFR Part 401, "Rights to Inventions Made by Nonprofit organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any Implementing regulations issued by the awarding agency.

3) Clean Air Act (42 U.S.C. 7401 – 7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). If this Agreement is in excess of $150,000, the Contractor is required to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act as amended (42 U.S.C. 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency of the federal funds for this Agreement and the Regional Office of the Environmental Protection Agency (EPA).

4) Debarment and Suspension (Executive Orders 12549 and 12689). The County is prohibited to from entering into this Agreement with a party listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

5) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). If this Agreement is for compensation in excess of $100,000, Contractor must file the required certification with the County that it will not and has not used Federal appropriated funds received by the Contractor to pay any person or organization for influencing or attempting to influence an officer or employee or any agency, a member of Congress, officer or employee of Congress, or an employee or a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Contractor must also disclose to the County any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award.

6) Procurement of Recovered Material (2 CFR CH. II §200.322). Contractor must 1) comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; 2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and 3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

7) Equal Employment Opportunity. If this Agreement is a construction contract Contractor is required to comply with the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11246, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and Implementing regulations at 41 CFR part 60, "Office or Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

8) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). If this Agreement is prime construction contract in excess of $2,000, Contractor is required to comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor Regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

ADMINISTRATIVE INFORMATION.

1. Arapahoe County officially distributes Solicitation documents through the **Rocky Mountain E-Purchasing System Bidnetdirect.com/Colorado**. **Copies of solicitations obtained from any other source are not considered official copies.** Only those Contractors who obtain Solicitation documents from the Rocky Mountain E-Purchasing System will be in receipt of officially posted and relevant information regarding solicitations issued by the County. The County cannot be held responsible for incorrect information, nor can it attest to the accuracy of information, found on websites other than the Rocky Mountain E-Purchasing System.

2. Questions which arise during the Response preparation period regarding issues around this Solicitation, purchasing, and/or award should be directed electronically, via the Rocky Mountain E-Purchasing system. Contractor submitting the question(s) shall be responsible for ensuring that the question(s) is received by the date and time listed above for consideration. Please only enter one question per line on the Bidnetdirect.com/Colorado web site.

3. The County shall issue a written addendum if substantial changes which impact the technical submission of Responses are required. Addenda will be posted on the Rocky Mountain E-Purchasing System web site (Bidnetdirect.com/Colorado). Contractors are responsible for revisiting this website prior to the Solicitation due date.

4. Contractors may offer a cash discount for prompt payment. If the Contractor does not enter a percentage discount, it is hereby understood and agreed that the County will typically pay net 30, however, for this contract payment terms shall be stated as net forty five (45) days, effective on the date that the County receives an accurate invoice or accepts the products, whichever is the later date. Payment is deemed to be made on the date of the mailing of the check or electronic transfer.

5. Prices, quotes, and deliveries are to be **FOB destination, freight prepaid**, and shall require inside delivery unless otherwise specified in the Solicitation's Special Terms and Conditions. Title and risk of loss shall pass to the County upon inspection and acceptance by the County at its designated point of delivery, unless otherwise specified in the Special Terms and Conditions. If the Contractor defaults on its contract or the contract is terminated for cause due to performance, the County reserves the right to re-procure the materials or services from the next lowest Contractor or from other sources during the remaining term of the terminated/defaulted contract.

6. **Method of Award - Best Evaluative Score Based on Written Response.** The County is a best value agency. The intent of the County to award this Solicitation to the responsive responsible proposer that meets or exceeds the specifications and requirements as determined by the County's Evaluation Committee.

If it is in the best interest of the County, the Evaluation Committee may invite a limited number of Contractors who received the highest scores during the written phase to provide an oral presentation and discussion. The number of Contractors who may be invited to participate in this discussion will be determined by the Evaluation Committee at its sole discretion.

The County reserves the right to conduct negotiations with Contractors and to accept revisions of Responses. During this negotiation period, the County will not disclose any information derived from Responses submitted, or from discussions with other Contractors. Once an award is made, the Solicitation file and Responses contained therein are in the public record.

REQUEST FOR PROPOSAL
SPECIFICATION FORM

I. BACKGROUND

The Justice Center's security electronics systems have undergone significant upgrades since 2019, but ongoing maintenance, timely repairs, and proactive parts replacement are critical to maintaining facility security and operational continuity. The systems include hundreds of cameras, extensive intercom and paging infrastructure, PLC-based door controls, and supporting network and power equipment. The County requires a vendor with deep experience in correctional and courthouse environments, capable of both routine and emergency response, and able to coordinate with County staff and other contractors as needed.

II. SCOPE OF WORK AND DELIVERABLES

Maintenance & Support

- Preventative Maintenance: Perform scheduled inspections, testing, cleaning, and diagnostics on all security electronics equipment, including but not limited to:
  - CCTV cameras and servers
  - Door control PLCs, HMIs, relays, and associated hardware
  - Intercom and paging systems (controllers, amplifiers, master stations, field devices)
  - Network switches, UPS units, and power supplies.
- Corrective Maintenance: Respond to and resolve system faults, device failures, and operational issues. Provide on-site response within 4 hours for critical failures, and restore systems to full operation within 24 hours.
- Emergency Support: Provide 24/7 on-call support for critical system outages or security events.
- Documentation: Maintain detailed records of all maintenance activities, repairs, and parts replacements. Update as-built drawings and equipment inventories as required.
- Existing Equipment: Must be able to support the following equipment: Avigilon VMS, Omron PLCs, InduSoft HMIs, Harding Intercoms, and Tripp Lite UPS units.

Advisory & Parts Replacement

- Parts Assessment: Regularly assess the condition and expected lifespan of all major system components (cameras, intercoms, PLCs, HMIs, amplifiers, UPS, network switches, etc.).
- Replacement Planning: Advise the County on recommended replacement schedules and budgets for aging or high-failure-rate components, referencing industry best practices and site-specific failure data.
- Spare Parts Inventory: Recommend and help maintain an appropriate inventory of critical spare parts.
- Vendor Coordination: Coordinate with County staff and other contractors for parts procurement, installation, and system upgrades.

System Support Requirements

- Maintain Support for Existing Systems: All maintenance and upgrades must preserve full functionality of existing systems and integrations. No system or device may be decommissioned or replaced without County approval.
- Integration: Ensure continued integration between cameras, door controls, intercoms, and access control systems. Support for legacy devices and mixed-vendor environments is required.
- Training: Provide on-site training for County staff on system operation, troubleshooting, and basic maintenance. Supply updated manuals and documentation after any significant changes.
- Quality Control: Implement a quality control program to document performance measures and address recurring issues.

Reporting & Communication

- Regular Reporting: Provide monthly maintenance and incident reports, including status of all systems, outstanding issues, and recommendations.
- Communication: Maintain clear, timely communication with County Facilities, IT, and Sheriff's Office staff. Designate a primary point of contact and escalation procedures.

Technical Requirements

- Vendor Qualifications: Minimum 10 years' experience in security electronics maintenance for correctional or courthouse facilities. Demonstrated expertise with PLC/HMI door controls, CCTV, intercom/paging, and supporting network/power infrastructure.
- Certifications: Staff must be CJIS-certified and able to work in secure environments.
- Response Time: 4-hour on-site response for critical failures; 24-hour restoration of service.
- Warranty Support: Uphold manufacturer warranties and guarantee workmanship for at least one year after any installation or major repair.
- Subcontractors: All subcontractors must be pre-approved by the County and meet the same qualification and certification requirements.

III. REQUIRED DOCUMENTATION (List items which must be included in submittal to be accepted and evaluated)

The following items must be included in the proposal for consideration and evaluation:

1. Completed and signed Submittal Form and Acknowledgement Form, including acknowledgement of all issued addenda.
2. Company Information and Executive Summary.
3. Detailed maintenance and support approach.
4. Staffing plan and resumes of key personnel.
5. Relevant experience with similar facilities or projects and a minimum of three (3) references.
6. Sample reports and documentation.
7. Completed fee schedule, including hourly labor rates, parts mark-up, maintenance contract pricing, emergency response rates, and applicable subcontractor rates and mark-up.
8. Proposed spare parts inventory and replacement recommendations.
9. List of proposed subcontractors and their responsibilities, or a statement that no subcontractors will be used.
10. Exceptions or clarifications to the scope of work or contract terms, or a statement that no exceptions are taken.
11. Certificate of Liability Insurance.

Proposals must comply with the submission format and page limit stated in this solicitation. Failure to provide required documentation may result in the proposal being deemed non-responsive and rejected.

IV. RESPONSE FORMAT

SUBMISSION OF RESPONSES: ONE (1) electronic submittal must be submitted online via at www.bidnetdirect.com/colorado . PERFORMANCE MEASURES FORM INSTRUCTIONS:
The County's Purchasing Department has incorporated Performance Management into our culture. When vendors submit offers to the County in response to solicitations for ***Services*** (not associated with the primary purchase of goods or software), they shall identify the goals by which they will monitor and report their performance providing the services. Vendor performance shall be documented as to (a) Price/Cost, (b) Punctuality/Responsiveness (c) Quality/Reliability, and optionally (d) Sustainability/or Innovation.

The awarded vendor will self-score their defined measures prior to contract renewal. The department will review the vendor's self-scored measures. Performance measures will be queried for every year of the contract. Performance measures reporting will partially inform re-contracting with or renewing a contract with a vendor.

SERVICES means the furnishing of labor, time, effort, expertise, maintenance, or other work by a contractor, including any incidental materials or equipment necessary to perform the work, when the initial contract amount exceeds $100,000. or as otherwise deemed necessary by the County.
