EXHIBIT A (Complete and Return)

STATEMENT OF WORK, SPECIFICATIONS, BIDDER(S) RESPONSE

COLORADO DEPARTMENT OF CORRECTIONS (CDOC)

DQ CAAA 2027000037 – Boiler Chemicals & Treatment Services at TCF

1. **STATEMENT OF WORK:** This Statement of Work (SOW) describes the services and deliverables sought through this DQ and the scope of what the awarded Bidder(s) will be expected to offer through the Purchase Order resulting from this DQ. The SOW is intended to provide interested Bidder(s) with sufficient basic information to submit a Quote. It is not intended to limit a quote's content or exclude any relevant or essential data. CDOC is seeking Quotes from qualified bidder(s) that can provide Boiler Chemicals and Treatment services on site at Trinidad Correctional Facility.

   A. Boiler Water Treatment services to include: Maintain the appropriate water chemical levels for optimal performance of steam boiler system, condenser, condensate, and chiller water of closed system. Implement a treatment program which protects boilers from water scales and corrosion to prevent any malfunction or system issues. Monthly testing of water chemical composition, adding or adjusting water concentration levels, inspection of boiler functions and controls.

   B. Consult with facility staff on operational practices, provide technical guidance and support of chemical handling, and make recommendations for system care.

   C. The awarded Bidder(s) will be expected to provide all necessary chemicals, materials, equipment, testing supplies, and tools to perform treatment services on site.

   D. Monthly schedule of services: Services must be prescheduled, one day per month, based on Trinidad Correctional Facility Physical Plant staff agreed upon date and time. Additional calls for testing and treatment may be requested prior to the regular monthly schedule.

   E. Urgent service calls: Must be able and prepared to respond within 24 hours for urgent or emergency service calls. It is critical for the daily operations of the facility that the Boiler System be fully operational at all times.

   F. Please be advised that all bidder(s) interested in submitting a quote for these services must attend the **Mandatory Site Visit** scheduled for 10:00am Wednesday, October 21, 2026. See section 4 of the Document Quote for additional instructions and information.

2. **SPECIFICATIONS OF BOILERS:**

   A. Trinidad Correctional Facility currently has two (2) Cleaver Brooks model #CBW700-150 in the program's unit and T Building, built in 1998.

   B. Steam capacity is 5,277,000 BTU's providing heat to 38,900 square feet.

   C. There are two (2) additional Cleaver Brooks model #CBW700-100 in the admin building, built in 1998.

   D. Steam capacity is 4,200,000 BTU's providing heat to 37,590 square feet.

   E. The system is non-continuous with blowdowns and condensate, hydronic closed loop.

   F. Natural gas is the heat source for the water tubes.

G. Automatic controls: chemicals are administered through feed pumps which operate on an automatic basis as the boilers call for water.

H. Water Source: Feed water is pretreated in house by facility staff with water softeners and are not part of the requested chemicals or services in this solicitation. Facility water is tested monthly by staff or a third-party contacted vendor.

I. The boiler(s) water pH in condensate, softness and hardness, sulfate levels and raw water harness must be tested monthly and include lab reports sent to physical plant staff.

J. There are two (2) York Scroll Chillers model #YLAA. Maintenance for Chillers is contacted through a third-party vendor; however, any visible or chemical concerns must be reported to facility staff at time of service as part of the monthly consultation.

K. Historical data: new gas trains are on all boilers. Electronic air fuel mixture controls will be needed in the future.

3. DELIVERABLES:

A. Boiler Water Treatment Chemicals List:

i. Boiler Water Treatment - APC2102

a. Sodium Sulfate Air Scavenger to take oxygen out of the water.

ii. Hydronic Lines Water Treatment - Econmine 3130G

a. Iconamine – Polyamine water treatment to remove sludge.

iii. Steam Boiler Treatment – APC2412

a. Phosphate Scale inhibitor, to remove scale out of boiler.

iv. Steam Boiler Treatment – APC3320

a. Trisodium Phosphate, pH balancer.

v. Microbiological Treatment – JUSTEQ

a. Chlorine, Biocide, for alae and slim control.

vi. Phosphonate – APC5358

a. Anti-scalant and Corrosion Inhibitor

vii. Sodium Hydroxide – APC2027

a. Caustic Alkalinity Builder

B. Water Balancing Reagent Chemicals, Testing Kits & Supplies:

i. Phenolphthalein, pH Inhibitor.

ii. Conductivity Neutralizing Solution.

iii. Trace Hardness Titrant.

iv. Potassium Iodide – Iodate.

v. Sulfuric Acid 1n Reagent Solution.

vi. Molybdate Reagent Solution.

vii. Total Alkalinity Indicator.

viii. Hardness Indicator Powder.

ix. Trace Hardness Buffer.

x. Starch Acid Inhibitor Powder.

xi. Stannous Chloride.

xii. Coliform Test Kits (if needed).

xiii. Fluorescent Red Tracer Dye Tablets (in needed).

C. Technical and Training Support Requirements:

i. Service representatives possess a technical degree(s), certifications, knowledge or experience, and expertise in boiler water treatment systems.

ii. Provide formal training on the handling of chemicals, installation, care, maintenance, testing, and operation of water treatment systems.

iii. Regular consulting services upon request and at least monthly.

iv. 24-Hour response time to service calls.

4. ON SITE SERVICE LOCATION

A. Trinidad Correctional Facility, located at 2100 Hwy 350 East, Model, CO. 81059, is a medium security facility. Some interaction or verbal contact with offenders that work in the same area may occur.

B. Service Technicians must have the ability to work in the space, area, near and around where the boiler system is located on the facility property to perform services.

C. Any employee(s) or assistant(s) of the Awarded bidder(s) working with Service Technicians that will be entering a State of Colorado Correctional Facility, must be able to pass a background check.

D. **Performance Standards:** Any failure to deliver (non-delivery) of awarded goods or services on three (3) separate occasions within the agreed-upon timeframe or as specified may result in the Bidder(s) being deemed a non-responsible bidder(s), leading to disqualification from participating in all future solicitations for a period of three (3) years or indefinitely.

5. CDOC RESPONSIBILITIES

A. Facility staff will escort technicians and assistants through the facility while performing the monthly Boiler water treatment services.

B. Facility staff will coordinate schedule for monthly services with the Awarded bidder(s). Reasonable time will be provided for services based on the necessary services; additional work may require another service date to be scheduled.

C. Training and consulting services provided by awarded bidder(s) will be received by facility staff to care for and maintain Boiler system.

6. PRICING

A. Pricing must be provided on an itemized quote document or on Exhibit D-Price Quote. Price per container size (55-gallon drum preferred or largest available) of chemical, treatment services, testing, training, support and any additional service call pricing must be provided.

B. Pricing of all goods and services will be considered **all inclusive**, no additional shipping, surcharges, or taxes will be paid. Bidders should take shipping costs into consideration when submitting a bid response to this solicitation.

C. Per diem, lodging and travel expenses are not authorized for these services and will not be considered for award during the evaluation process. Any such charges listed on an invoice from the awarded bidder(s) will not be paid, travel costs must be taken into consideration when submitting a bid response to this solicitation.

D. All pricing shall remain firm during the first-year term of the Purchase Order.

E. The CDOC may at its sole discretion elect to include a provision in the CDOC Purchase Order that allows the CDOC to consider an annual price increase not to exceed 2.5% for each fiscal year of the Purchase Order if awarded. Any price increase(s) must be agreed upon between CDOC and the awarded bidder(s).

7. INVOICING

A. All invoices will need to be submitted via email to: DOC Accounts Payable office, doc_accountspayable@state.co.us

B. All invoices will be sent each month after scheduled water, testing, and chemical services have been completed within 15 business days to the above-mentioned departments/staff via email.

8. EQUAL SPECIFICATIONS

A. Brand names and specifications used herein are intended to aid in establishing the desired standard of quality needed to meet state requirements, and not to unduly restrict competition. Unless a specific item's description states otherwise, you may submit a bid for a product of equal specifications and quality.

THIS SPACE HAS BEEN LEFT BLANK INTENTIONALLY

9. BIDDER QUESTIONS (please provide response)

INFORMATION SOUGHT	BIDDER(S) RESPONSE
Bidder(s) name (company)	
Number of years in business	
Number of employees	
Services Outside of Colorado or the United States. Bidder(s) must disclose services performed outside of Colorado or the United States as required by C.R.S. §24-102-206. Please sign and return **Exhibit E.**	
Is the bidder(s) a nonresident bidder(s) from a state that provides a bidding preference to bidder(s) from that state, **YES** or **NO** and what state.	
Please confirm that your proposal is fully compliant with Section 3.A Accessibility Requirement of the DQ. **YES or NO**	
Secretary of State (SOS) registration. Before contract execution, the awarded bidder(s) must be registered to do business in the state of Colorado. If a bidder(s) is a foreign corporation (formed under a statute or common law in a jurisdiction other than Colorado) or other foreign entity transacting business in the state of Colorado, it shall warrant that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the state of Colorado and has designated a registered agent in Colorado to accept service of process. Are you registered with Colorado SOS? **YES or NO.**	
Bidder(s) must affirm agreement with the PO Terms and Conditions. If not in agreement, written exceptions in accordance with Section 9.A.xviii.v of the DQ (**Attachment 1**). Any changes must be made with Bidder(s) Bid. Please confirm **YES or NO**	
Have you spoken with anyone other than the Single Point of Contact listed in this DQ? **YES or NO**	

INFORMATION SOUGHT	BIDDER(S) RESPONSE
Service-Disabled Veteran Owned Small Businesses (SDVOSB). Reference §24-103-905, C.R.S., et. seq. SDVOSB Bidder(s) must submit documentation of certification issued through the U.S. Department of veteran's affairs in their Proposal. §24-103-905 C.R.S. sets a SDVOSB goal of at least 3% of all contracts by dollar value be awarded to SDVOSBs who must be incorporated or organized in Colorado, or they must maintain a place of business or have an office in Colorado and must be officially registered and verified as a SDVOSB by the Center for Verification and Evaluation within the United States department of veteran's affairs. Are you a Service-Disabled Veteran Owned Small Business? **Yes or No. If you answered "Yes" please submit documentation of certification with your proposal.**	
Within the last 5 years, has your company (or any affiliates) defaulted on a Purchase order or Contract or had a Purchase Order or Contract terminated for cause? **If yes, provide the date, contracting entity, type of contract, and details about the termination or default.**	
Has your company (or any affiliates) been a party to litigation against the State of Colorado? **If the answer is Yes, then state the date of initial filing, case name and court number, and jurisdiction.**	
State of CO debt/tax payment. I certify that all applicable state of Colorado taxes are paid, and that no outstanding debt is owed to the state of Colorado. Please Confirm **YES or NO**	
Does your company use Subcontractors? **YES or NO**	
Have you filled out Exhibits A-E and returned with your Quote? **YES or NO**	

FOR PROCUREMENT USE	YES	NO
