Questions & Answers - 1

Solicitation 27-007 - District Wide Custodial Services
Buying Organization Cherry Creek School District #5

No	Question/Answer	Question Date
Q1	**Question: Professional Liability / E&O Requirement** Please confirm whether Professional Liability and/or Errors & Omissions coverage is required for vendors providing only custodial/janitorial services under RFP 27-007, and if so, confirm the required limits. **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	09/21/2026
Q2	**Question: Sexual Abuse & Molestation Coverage** Please confirm whether the Sexual Abuse & Molestation endorsement is required for all custodial personnel, only personnel expected to have direct student contact, or only specific assignments such as day porter services. **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	09/21/2026
Q3	**Question: Controlling Insurance Requirements** If the insurance limits or requirements in the RFP differ from the separate Insurance Requirements document, which document controls for this solicitation? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	09/21/2026
Q4	**Question: Walk Through** Will a site visits be scheduled prior to the proposal deadline? **Answer:** Posted to BidNet	09/23/2026
Q5	**Question: Schools List** Do you have a Master site list along with square footage of each building? **Answer:** Included in Bid Documents	09/30/2026

No	Question/Answer	Question Date
Q6	**Question: Contract award structure:** “Does the District intend to award the entire district-wide portfolio to one contractor, or may awards be made by facility, group, region, or other portion of the scope?” **Answer:** Answered in RFP	09/30/2026
Q7	**Question: Trash liners** “Please provide historical annual usage or estimated quantities and sizes of trash liners required across the District.” **Answer:** The District does not have historical annual usage, quantities, or size information for trash liners. Trash liners are currently furnished and managed by the District’s contracted custodial service provider, and the District does not separately purchase or track this information. Proposers are responsible for determining the types, sizes, and quantities of trash liners necessary to meet the requirements of RFP 27-007.	09/30/2026
Q8	**Question: Chemicals and dispensers** “Please provide the approved cleaning chemical/product list and identify the manufacturer/model of existing soap dispensers so proposers can accurately price compatible soap.” **Answer:** Hillird for district employees and a contractor-provided multi solution dispenser.	09/30/2026
Q9	**Question: Equipment Usage** “Please provide an inventory of District-owned custodial equipment that will be available to the successful contractor at elementary schools, including equipment type, quantity, condition, and location.” **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	09/30/2026
Q10	**Question: Current staff** “Is the successful contractor expected or encouraged to offer employment to incumbent custodial employees currently performing these services? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District’s current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	09/30/2026
Q11	**Question: Prevailing wage** “Are contractors performing services under RFP 27-007 subject to any District, local, state, or federal prevailing wage, living wage, minimum compensation, or fringe-benefit requirements? If so, please provide the applicable wage determination or schedule.” **Answer:** The District has not established a District-specific prevailing wage, living wage, minimum compensation, or fringe-benefit requirement for RFP 27-007. Contractors are responsible for compliance with all applicable federal, state, and local wage and employment laws. The District has not identified an applicable prevailing-wage or fringe-benefit wage determination for this solicitation and therefore does not have a wage determination or schedule to provide.	09/30/2026

No	Question/Answer	Question Date
Q12	**Question: Day porters** “Which facilities require dedicated day porter coverage, and what are the required days and hours of coverage?” **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	09/30/2026
Q13	**Question: Current labor hours** “Please provide the current or historical weekly custodial labor hours by facility, if available.” **Answer:** The District does not have custodial staff as full time employees so this information is not available. Prospective contractors will need to provide a staffing plan based on meeting APPA 2 standards and scope requirements. This will likely be different than historical data.	09/30/2026
Q14	**Question: Current Staffing** “Please provide the current custodial staffing level by facility, including day porters, evening custodians, leads, supervisors, and floor technicians, if available.” **Answer:** Prospective contractors are encouraged to provide a staffing plan based on meeting APPA 2 standards and scope requirements. This will likely be different than historical data.	09/30/2026
Q15	**Question: Link for Site Walk** The link does not populate to RSVP for the site walk **Answer:** The links are working	09/30/2026
Q16	**Question: Fixture count** Can you provide the # of restrooms and fixture counts per facility? **Answer:** The District does not have these counts	10/01/2026
Q17	**Question: Site Tour Confirmation** Can the district confirm the details of a site tour the week of October 12th? **Answer:** Answered in Addendum 1 of the RFP	10/01/2026

No	Question/Answer	Question Date
Q18	**Question: AFSCME Transition** What is the District's intended employment/transition approach for current CCSD custodial employees represented by AFSCME Local 1605 as the new contract begins July 1, 2027? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor. As part of the RFP requirements, each proposer is required to submit a transition plan describing its approach and anticipated timeline for achieving full operational readiness by July 1, 2027.	10/01/2026
Q19	**Question: CCSD Owned Equipment** Can the District identify District-owned custodial equipment by site, including age, condition and whether awarded contractor may use it through the entire contract? **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/01/2026
Q20	**Question: Professional Liability** Please clarify whether the Professional Liability $3M/$3M+ and E&O $1M/$2M provisions apply to this custodial contract, and which post-completion coverage period governs. **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/01/2026
Q21	**Question: APPA/Inspection Scores** Can the District provide historical APPA/morning-inspection scores, complaint volumes and service-request volumes by facility for at least the most recent 12 months? **Answer:** Internal processes have recently changed and we are building more consistency with new processes and vendors.	10/01/2026
Q22	**Question: Service Credits** Please define any financial service-credit formula tied to failed SLAs or inspection thresholds. **Answer:** Historical data regarding SLA penalties is not available. However, the number of instances resulting in service credits or penalties has been very small. The District's preference is to work collaboratively with the contractor to identify and resolve service issues whenever possible, rather than rely on financial penalties. The District values proactive communication, corrective action, and continuous improvement to address performance concerns.	10/01/2026

No	Question/Answer	Question Date
Q23	**Question: Required Day Porter Clarity** Can the District identify required occupied-hour day porter staffing windows by site, including breakfast, lunch, athletics and evening/community-use periods. **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/01/2026
Q24	**Question: CMMS Platform** What CMMS platform is used, what interfaces/access will the contractor receive, and are there integration/API or licensing costs? **Answer:** Operations Hero CMMS - API integration is available, and development cost would be the responsibility of the contractor.	10/01/2026
Q25	**Question: Pools, High Windows, Skylight Conditions** Please identify all swimming pools, high-window/skylight conditions and specialty floor systems included in the contract. **Answer:** 6 pools, various flooring types typical with educational facilities, no current high glass and skylight inventory. Approximately 80% of sites have skylights, approximately 25 schools with high glass systems of various types.	10/01/2026
Q26	**Question: Portfolio Additions/Deletions** How should suppliers price portfolio additions/deletions during the term: fixed $/SF, negotiated change order, or another unit-rate methodology? **Answer:** Negotiated change order based on conditions and facility type	10/01/2026
Q27	**Question: Flooring Types** Schools generally have multiple flooring types (carpet, LVT, concrete etc). Can you provide the sq ft by flooring type by facility? **Answer:** This information is not available	10/01/2026
Q28	**Question: Technology Integration** Does the District expects direct integration with existing facilities management or work-order software and, if so, which platforms it uses. **Answer:** Operations Hero CMMS - API integration is available, and development cost would be the responsibility of the contractor. Interaction as contractor users would be the minimum required integration.	10/01/2026

No	Question/Answer	Question Date
Q29	**Question: Union Seniority List** Can the District provide the seniority list of staff, their original start date and level of pay? **Answer:** The District does not have custodial staff as full time employees so this information is not available. Prospective contractors will need to provide a staffing plan based on meeting APPA 2 standards and scope requirements. This will likely be different than historical data.	10/02/2026
Q30	**Question: Service days per year** In light of the school calendar provided, what is the minimum of days per year that the district would " require" full custodial/janitorial services? **Answer:** Full services are expected for full calendar year. During breaks, recovery projects and ad-hoc project work would be expected	10/05/2026
Q31	**Question: Award of properties** Is this solicitation intended to award all locations within the district to one service provider or will this be broken up into geographical grouping areas of the school district? **Answer:** The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/05/2026
Q32	**Question: Day Porter Services** At locations that are requesting a day porter service, does the district have a minimum day porter PTE or FTE requirement per locations, and is the quote to be in an hourly rate or a full time rater per month? **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/05/2026
Q33	**Question: Current Service Provider?** Respectfully who is/are the current service provider(s)? **Answer:** CCS FACILITY SERVICES - COLORADO	10/05/2026
Q34	**Question: Emergency Services** What has "emergency operations" support meant in practice, type of work and frequency? **Answer:** Flood/Leak response and cleanup, similar issues	10/05/2026
Q35	**Question: Emergency Services Billing** Should emergency operations and special event support be included in the monthly line-item pricing in Exhibit D, or will they be billed separately at hourly rates? **Answer:** Separately, submit rates hourly, with minimum 2 hours.	10/05/2026

No	Question/Answer	Question Date
Q36	**Question: Is Summer 2027 in scope?** Exhibit C §1 requires complete restorative services of all educational facilities each summer. Since the contract start date is July 1, 2027, is the summer 2027 restorative cycle included in the scope of the initial contract term, or will it be completed under the current contract prior to transition? **Answer:** The District has not yet determined whether the Summer 2027 restorative services will be completed by the incumbent contractor or by the newly awarded contractor. The District will work with both parties following contract award to develop an appropriate transition and implementation plan. For proposal purposes, respondents shall assume that the newly awarded contractor will be responsible for performing the Summer 2027 restorative services and should price their proposals accordingly, with an anticipated start of services on June 1, 2027 for purposes of mobilization and completion of the summer work. Any final transition schedule will be determined by the District after contract award.	10/05/2026
Q37	**Question: Completion Deadline** If the summer 2027 restorative cycle is included in the initial contract term, what is the required completion date for restorative work at each facility (for example, prior to teacher work days or prior to the first day of school)? **Answer:** Required completion would be prior to teacher work week (Prior to 8/9 for 2027)	10/05/2026
Q38	**Question: Access before July 1** Exhibit A §3 provides for a mobilization period of 120 to 180 days prior to contract commencement. Will the successful contractor have access to District facilities during mobilization to conduct floor surveys, stage equipment, and complete site-specific training before July 1, 2027? **Answer:** Yes, that is correct	10/05/2026
Q39	**Question: Question for Q&A** Please provide the current custodial staffing plan by site, including the number of full-time and part-time positions, shifts, daily hours, day porters, and supervisors or managers. **Answer:** The District does not have custodial staff as full time employees so this information is not available. Prospective contractors will need to provide a staffing plan based on meeting APPA 2 standards and scope requirements. This will likely be different than historical data.	10/05/2026
Q40	**Question: Question for Q&A** How many service days per year should proposers price for each facility type, and what level of service is expected on non-student days, school breaks and summer? **Answer:** Full services are expected for full calendar year. During breaks, recovery projects and ad-hoc project work would be expected	10/05/2026
Q41	**Question: Summer Occupancy** Will any District facilities be occupied during summer 2027 (for example, summer school, camps, community use, or construction projects) in a way that would limit restorative work schedules? If so, can the District provide a list of affected facilities? **Answer:** Minimal occupancy for various summer educational and/or construction programs.	10/05/2026

No	Question/Answer	Question Date
Q42	**Question: Question for Q&A** Is special event support included in the Exhibit D monthly price or billed separately, and if separately, how should proposers submit event rates? **Answer:** Separately, submit rates hourly, with minimum 2 hours.	10/05/2026
Q43	**Question: Current Restoration Status** Can the District share the most recent summer restorative schedule and indicate when hard floor refinishing and carpet extraction were last completed at each facility? **Answer:** Carpet 2x/yr.	10/05/2026
Q44	**Question: Question for Q&A** Are summer restorative cleaning, annual floor refinishing, carpet extraction and exterior window cleaning to be included in the Exhibit D monthly price? **Answer:** Yes, they are	10/05/2026
Q45	**Question: Question for Q&A** Are the square footages in Exhibit D gross or cleanable **Answer:** Gross square footage and cleanable square footage is not available.	10/05/2026
Q46	**Question: Question for Q&A** For elementary schools where the District provides equipment, are those schools currently cleaned by the contractor or by District employees, and who is responsible for maintaining and replacing that equipment? **Answer:** 1. Contractor minus cafeteria 2. District	10/05/2026
Q47	**Question: Question for Q&A** Does the District require specific management positions, such as a dedicated account manager or zone supervisors, or minimum supervisor-to-staff ratios? **Answer:** District requests best staffing proposal in line with APPA standards and specified outcome-based cleaning practices	10/05/2026
Q48	**Question: Question for Q&A** Does the District intend to award all sites on Exhibit D to a single supplier? **Answer:** The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/05/2026

No	Question/Answer	Question Date
Q49	**Question: Question for Q&A** What are the evaluation scoring weights for price and technical categories, and is there a page limit for the technical proposal? **Answer:** The contract will be awarded based on Best Value. The District is not obligated to award to the lowest-cost proposer and intends to select the proposal offering the greatest overall value, operational capability and integration, industry leadership, innovative practices, risk mitigation, workforce stability, additional adjacent service capabilities, and long-term performance outcomes. Concise responses are encouraged	10/05/2026
Q50	**Question: Restorative Work Scope** Exhibit C §1 requires "complete restorative services of all educational facilities to occur each summer." Please define the specific tasks included in summer restorative services, and indicate whether "complete refinishing" of hard floors (Exhibit C §10) requires full stripping and refinishing or may be performed as scrub and recoat. **Answer:** Carpet extraction, high dusting, windows (in/out), hard surface/VCT surfaces require stripping and rewaxing (approx. 50% of sites), ceramic and porcelain grout cleaning.	10/05/2026
Q51	**Question: Gymnasium wood floors** Is refinishing of wood gymnasium floors (sanding and recoating) included in the contractor's scope, or performed by a separate District vendor? **Answer:** No, they are not	10/05/2026
Q52	**Question: Define educational facilities** Does "educational facilities" in Exhibit C §1 include administrative or support facilities listed in Exhibit D? **Answer:** Yes, it does	10/05/2026
Q53	**Question: Question for Q&A** The RFP states the District generally provides equipment for all elementary schools. Does this also apply to the three preschools (The Cottage, The Journey, The Outback), Challenge School (K-8), and mobile units at elementary sites? **Answer:** Yes, it does	10/05/2026
Q54	**Question: Liability Insurance** MSA Section 15(d) requires Professional Liability Insurance of $3,000,000 per occurrence / $3,000,000+ aggregate. The District's Vendor/Partner Insurance Requirements list this limit for higher-risk licensed professions (e.g., attorneys, accountants, medical professionals). For custodial services, will the District accept Errors & Omissions coverage of $1,000,000 per occurrence / $2,000,000 aggregate (per MSA Section 15(d)(1)) in place of the $3,000,000 Professional Liability requirement? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/05/2026

No	Question/Answer	Question Date
Q55	**Question: Renewal year pricing** Will the District consider annual price adjustments for the renewal years (for example, to reflect minimum wage or labor cost changes), and if so, how should they be proposed? **Answer:** Based on industry and market conditions	10/05/2026
Q56	**Question: How monthly pricing should be calculated** Exhibit D requests a single monthly price per site. Should the monthly price be a levelized amount (total annual price divided by 12) that accounts for school breaks, summer, and reduced-service periods, or should it reflect a standard school-year month? **Answer:** Utilize industry best practices	10/05/2026
Q57	**Question: Pro-rated payment during closures** MSA Section 7.1.2 provides for pro-rated payment when services are not provided each day of a month. Does this pro-ration apply to days when the District does not require services (such as holidays and school breaks), or only to days when required services are not performed by the contractor? **Answer:** The prorated payment provision applies only in situations where required services are not performed by the Contractor. It does not apply to District-scheduled holidays, breaks, closures, or other periods during which custodial services are not required by the District. For proposal purposes, respondents shall provide pricing in the Exhibit D Pricing Workbook as a fixed monthly cost. Proposed monthly pricing should account for all anticipated operating conditions, including District holidays, scheduled breaks, and other periods reflected in the District calendar. The District expects all required services to be performed in accordance with the contract, and the prorated payment provision should be regarded as a remedy for non-performance rather than a routine adjustment mechanism.	10/05/2026
Q58	**Question: Separate summer pricing** Staffing requirements during summer restorative work differ from the school year. Will the District accept separate monthly pricing for summer months and school-year months, or must a single monthly price per site apply year-round? **Answer:** No. Respondents must provide pricing as specified in the Exhibit D Pricing Workbook, which requires a single monthly price per site. Separate pricing for summer months, school-year months, holidays, breaks, restorative periods, or other seasonal variations will not be accepted. Respondents are responsible for incorporating anticipated seasonal staffing and workload fluctuations into their fixed monthly pricing.	10/05/2026

No	Question/Answer	Question Date
Q59	**Question: Day porters on non-contact days** Are day porter services listed in Exhibit D required during summer and school breaks, or only on days when schools are in session? **Answer:** Day porter requirements do not vary based on seasonal schedules, summer months, school breaks, or periods when school is not in session. Respondents should assume that the District's need for day porter services remains consistent throughout the contract term and should price their proposals accordingly. The awarded contractor may determine how best to deploy staff and assign duties to meet the required service levels; however, any staffing adjustments are the responsibility of the contractor and must not result in a reduction of services or failure to meet the requirements of the RFP. Proposals should be based on maintaining the required day porter services year-round.	10/05/2026
Q60	**Question: Multiple / Partial Awards** Does the District intend to make a single district-wide award under RFP 27-007, or does the District reserve the right to make multiple or partial awards to different vendors by individual facility, group of facilities, geographic area, or other portion of the scope? **Answer:** The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/05/2026
Q61	**Question: Custodial Question** What work order management system (CMMS) does the District currently use, and what level of integration with that system will be expected from the custodial contractor? **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/06/2026
Q62	**Question: Exhibit A - SUA** Page 28 of the solicitation includes an Exhibit A – SUA Enrollment Form as part of the sample Master Services Agreement. Please confirm whether respondents electing J.P. Morgan's Single-Use Accounts (SUA) payment option are required to complete and submit this form with their proposal, or whether the form is to be completed only by the awarded supplier after contract award. **Answer:** The SUA Enrollment Form is not required to be completed or submitted with the proposal. The form is included in the RFP for reference and will be completed by the awarded contractor after contract award, if applicable. Respondents may elect to complete and submit the form with their proposal; however, doing so is optional.	10/07/2026
Q63	**Question: COI Submission** The RFP identifies a Certificate of Insurance (COI) as an additional required proposal document, while the Vendor/Partner Insurance Requirements state that the certificate may be emailed or faxed to CCSD Risk Management. Please confirm whether respondents should include the COI with their proposal submission through BidNet only, submit it separately to Risk Management, or provide it through both methods. **Answer:** Respondents may submit the Certificate of Insurance (COI) with their proposal through BidNet. A separate submission to CCSD Risk Management is not required at the time of proposal submission.	10/07/2026

No	Question/Answer	Question Date
Q64	**Question: Response Format** Exhibit A, Section 6 provides a response format that is to be “combined with Section 5.0 above.” Please clarify whether respondents should organize their technical proposal using the headings listed in Exhibit A, Section 6 (a–h) and incorporate the applicable Section 5.0 requirements within those sections, or whether the District expects respondents to address Sections 5.1–5.6 separately in addition to the Exhibit A response format. **Answer:** You may do whichever you prefer	10/07/2026
Q65	**Question: Response Format** Exhibit A, Section 2 identifies six Additional Minimum Qualifications that proposers should demonstrate. Please confirm whether respondents should provide a specific response to each qualification within the technical proposal and, if so, under which section of the required response format the District would like these qualifications addressed. **Answer:** They need to be included someplace in your proposal	10/07/2026
Q66	**Question: Additional Documentation/Response Format** Section 5.6 identifies the W-9, HUB certification (if applicable), and Certificate of Insurance (if applicable) as Additional Required Documents. Please clarify whether these documents should be included as attachments or appendices to the technical proposal, or submitted separately through BidNet. If they should be included within the technical proposal, please identify where the District would like them placed within the Exhibit A, Section 6 response format. **Answer:** You may do whichever you prefer	10/07/2026
Q67	**Question: Clarification on Key Response Sections** Exhibit A, Section 6 identifies separate required response sections for (e) Quality Assurance Program and Capabilities, (f) Technology and Integration Capabilities, and (g) Safety & Compliance. Please clarify the key information or evaluation criteria the District expects respondents to address within each section, particularly where those requirements are not specifically identified in Section 5.0. **Answer:** The District does not understand the specific clarification being requested. Exhibit A, Section 6 identifies the information respondents are to provide in their proposals, and proposals will be evaluated based on the criteria set forth in the RFP. Respondents should provide sufficient detail in each section to demonstrate their qualifications, experience, capabilities, and approach to performing the required services. If the respondent has a specific question regarding a particular requirement, evaluation factor, or proposal submission instruction, please restate the question with additional detail for the District's consideration.	10/07/2026
Q68	**Question: Partial Facility Proposal and Award Structure** Will the District accept proposals for selected facilities listed in Exhibit D and make awards by individual facility or groups of facilities, or must proposers submit pricing for and be prepared to service every location listed? **Answer:** The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/08/2026

No	Question/Answer	Question Date
Q69	**Question: Regarding cleaning of Stadiums** Is there a schedule that the stadiums will be cleaned per season and or per year or is there daily cleaning per the school calendar? **Answer:** Stadiums are cleaned ad-hoc, per event. Prior scheduling provided in advance.	10/12/2026
Q70	**Question: Weekend Support Needs** Is event support, including weekends and community or facility-rental use, included in the monthly Exhibit D price, or billed separately? If billed, at what rate structure? **Answer:** Separately, submit rates hourly, with minimum 2 hours.	10/12/2026
Q71	**Question: Community Facility Usage** Can the district share annual event and facility-use volume by site from its CMMS or facility rental system, such as hours of community league use at each high school and middle school? **Answer:** Typical use is 7 days per week for 80+% of sites	10/12/2026
Q72	**Question: Opening and Securing Facilities on Weekend** Is the contractor expected to open, close, and secure buildings for weekend and evening events, as CCS does now? Or do district Building Engineers handle that? **Answer:** Not expected to open, but would be expected to close and secure after services are completed.	10/12/2026
Q73	**Question: Opening and Securing Facilities on Weekend** Is the contractor expected to open, close, and secure buildings for weekend and evening events, as CCS does now? Or do district Building Engineers handle that? **Answer:** Duplicate Question by same contractor	10/12/2026
Q74	**Question: Stadium And Bowl Tasks** What service is expected at Legacy Stadium and Stutler Bowl on game days versus non-game days? Both are priced at only about $1,100–1,300 a month now. **Answer:** Stadiums are cleaned ad-hoc, per event. Prior scheduling provided in advance.	10/12/2026
Q75	**Question: Opening and Securing Facilities on Weekend** Is the contractor expected to open, close, and secure buildings for weekend and evening events, as CCS does now? Or do district Building Engineers handle that? **Answer:** Duplicate Question by same contractor	10/12/2026
Q75	**Question: Stadium And Bowl Tasks** What service is expected at Legacy Stadium and Stutler Bowl on game days versus non-game days? Both are priced at only about $1,100–1,300 a month now. **Answer:** Duplicate Question by same contractor	10/12/2026
Q77	**Question: Snow and Ice Removal** Is snow and ice removal at entrances in scope? The new RFP doesn’t mention it. **Answer:** No. Snow removal, ice mitigation, sidewalk treatment, parking lot treatment, deicing, sanding, snow hauling, or any other winter-weather related services are not included in the scope of this RFP.	10/12/2026

No	Question/Answer	Question Date
Q78	**Question: Facilities with Weekend Use** Which facilities require weekend services? Ex. High Schools and Junior Highs may have their gymnasiums used, whereas elementary schools are not often used. Please provide data regarding historical averages needed for weekend support - including expected hours. **Answer:** Typical use is 7 days per week for 80+% of sites. Service schedules provided in advance.	10/12/2026
Q79	**Question: Cleaning Equipment** The equipment that is provided for the Elementary Schools, are the upright and back pack vacuums included? **Answer:** No, they are not	10/13/2026
Q80	**Question: Can Liners & Hand Soap** The RFP states that all hand soap and can liners are to be provided by the Janitorial Provider. Can you share the annual consumption or ordering history so this piece can be properly budgeted? **Answer:** Not at this time - typical with K-12 industry standards	10/13/2026
Q81	**Question: Day Porters** The Day Porters that are needed in the designated schools, can you please share what schedules are needed to facilitate this function? **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/13/2026
Q82	**Question: Window & Skylight Cleaning** RFP states windows and skylights cleaning as needed. Is there a defined frequency, is this additional billing or does the cost need to be part of the RFP once frequency has been established? **Answer:** At least annual	10/13/2026
Q83	**Question: Cleaning Schedule** The regular day to day cleaning, is this just (5) five days a week, Mon - Fri? **Answer:** Regular cleaning is 5 day - ad-hoc for additional events	10/13/2026

No	Question/Answer	Question Date
Q84	**Question: Multiple Related Questions** There are different floor types and facility details that significantly change cleaning scope, equipment requirements, and maintenance chemistry: Polished/Sealed Concrete with Stress Cracks: Locker room/corridor concrete floors show visible wear, cracking, and surface staining. Concrete needs auto-scrubbing and periodic densifying/sealing rather than waxing. Standard VCT tiles in classrooms and cafeteria areas. These require traditional finish maintenance (buffing/burnishing and periodic strip/recoat). Patterned carpet tiles in media centers/libraries with movable stacked seating. Requires daily vacuuming and hot-water extraction, plus furniture clearing. High-shine terrazzo in main hallways. This requires neutral pH cleaners, micro-fiber dust mopping, and periodic high-speed diamond pad burnishing, never standard floor wax. Suspended light fixtures with grilles hang below the acoustic drop ceiling. These collect dust on top and inside the housing grids, requiring vacuuming/wiping at height. For the high-gloss terrazzo corridors (shown at Fox Ridge MS), is the contractor required to perform diamond-pad burnishing or crystallization, and will the district specify pH-neutral cleaning chemicals to preserve the sealant? For concrete floor areas (locker rooms and service corridors), what is the expected treatment for surface sealing and crack maintenance, and are automatic scrubbers with concrete-specific pads required on-site? Based on walkthrough observations of both multi-tone VCT and polished terrazzo/concrete, can the district provide an exact square footage breakdown per facility specifying which areas require traditional floor finish/waxing versus burnishing/scrubbing only? For carpeted areas such as media centers and flexible learning spaces, does the deep-cleaning scope include moving stacked seating, tables, and modular furniture, and what is the required annual frequency for hot-water extraction? **Answer:** Please see section 2.8 of the RFP "...When making inquiries through BidNet you must ask one question at a time and may not ask multiple questions in one entry. Asking multiple questions with one entry may result in your answers being delayed or not answered..."	10/13/2026

No	Question/Answer	Question Date
Q85	**Question: Multiple related Questions to walk through** For suspended/pendant light fixtures and ceiling diffusers (as seen in classrooms), what is the required frequency for high-dusting or damp-wiping? Will the district provide access to on-site lifts or staging for overhead fixture cleaning above 8 feet, or is the contractor required to supply all aerial lifts and high-reach equipment? Can the district provide a complete inventory of all restrooms (student, staff, ADA, clinic, locker rooms) and total fixture counts (toilets, urinals, sinks) per school for accurate labor calculations? Can architectural floor plans or square footage breakdowns by surface type be provided for each middle and high school included in this RFP? Given that day porters are required for middle and high schools (and omitted for elementary schools), can the district specify the mandatory minimum day porter headcount (FTEs) or daily required porter hours per facility? What are the standard shift hours expected for day porters in middle and high schools, and are porters responsible for cafeteria trash pulls, table sanitization, and floor turnovers between lunch shifts? Since Integrated Learning Center (ILC) spaces are categorized under "clinic cleaning" standards, what are the explicit daily sanitization protocols, hospital-grade disinfectant requirements, and touchpoint frequencies expected for these areas? What are the manufacturer-approved chemicals or microfiber cleaning protocols required for sanitizing interactive classroom touchscreen TVs and SMART boards without damaging screens? (Cherokee Trail HS): What is the expected cleaning frequency for auditorium upholstered seating, carpeted aisles, and wooden stage floors? Are specific wood-care products required for stage maintenance? **Answer:** Please see section 2.8 of the RFP "...When making inquiries through BidNet you must ask one question at a time and may not ask multiple questions in one entry. Asking multiple questions with one entry may result in your answers being delayed or not answered..."	10/13/2026
Q86	**Question: Questions related to walk through** Does the district provide an advance calendar for auditorium and evening events, and is event cleanup treated as part of the core scope or billed separately as an add-alternate/hourly rate? During the walkthrough it was mentioned that the contractor will be responsible for Snow Removal Scope and De-Icing: For evening event snow removal at building entrances, what are the precise boundaries, and who supplies the de-icing chemicals/salts? What is the protocol regarding musical instruments in music rooms during deep cleaning? Is janitorial staff authorized to move instruments, or must crews clean strictly around stationary items? For chemicals provided directly by the district (if any), what is the requisition process, turnaround lead time, and designated delivery staging area within each building? **Answer:** Please see section 2.8 of the RFP "...When making inquiries through BidNet you must ask one question at a time and may not ask multiple questions in one entry. Asking multiple questions with one entry may result in your answers being delayed or not answered..."	10/13/2026
Q87	**Question: Clarification** Exhibit D prices each site separately. Will the District consider awarding individual sites or groups of sites to different suppliers, or will the contract be awarded to a single supplier for all sites? **Answer:** The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/13/2026

No	Question/Answer	Question Date
Q88	**Question: Clarification** The insurance requirements list Professional Liability of $3,000,000/$3,000,000. Does this coverage apply to custodial service providers and their subcontractors, or only to professional/consulting services? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/13/2026
Q89	**Question: Clarification** Is Sexual Abuse and Molestation coverage required for subcontractors whose crews work only after school hours when students are not present? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/13/2026
Q90	**Question: Clarification** For the day-porter lines in Exhibit D, how many hours per day and days per week does each line represent? **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/13/2026

No	Question/Answer	Question Date
Q91	**Question: CCSD RFP 27-007 — Questions** Staffing, day porters and service hours 1.Day porters on non-student days. Are day porter posts required on non-student days (summer, winter and spring breaks, and teacher work days), or during the student calendar only? 2.Service calendar. Please confirm the number of service days per year for building janitorial, and the window the District expects for summer restorative work (floor refinishing, carpet extraction and windows). 3.Staffing data. Can the District provide current custodial staffing levels or labor hours by site (FY25-26), or confirm that proposers should build staffing solely from Exhibit D square footage and the APPA Level 2 standard? Scope compared with the incumbent specification Exhibit C §1 lists event support, summer restoration and other duties with no volume. These questions get the numbers we need to price them. 4.Event volume. Exhibit C §1 includes special event support. Please provide FY25-26 event counts and custodial event hours by site or school level, and confirm whether event support outside regular cleaning hours is in the monthly price or billed separately. 5.Construction support. For 2024 bond projects opening during the term, are post-construction cleaning and pre-opening furniture placement in the base monthly price, or priced as additional services? 6.Chemical dispensing. Custodial closets have chemical dispensing equipment in place. Is that equipment District-owned and staying, and must the contractor use the District's chemical system, or may it install its own? 7.Mobile units. Exhibit D includes 36 mobile-unit groups (76 units). Please confirm they are cleaned to the same APPA Level 2 standard and frequency as their host building. APPA Level 2, performance measurement and pricing 8.Morning inspections. For the Exhibit C morning inspection scorecard, who performs inspections (District, contractor or both), how many inspections per facility per month, and how many rooms are sampled per inspection? Will the con **Answer:** Please see section 2.8 of the RFP "...When making inquiries through BidNet you must ask one question at a time and may not ask multiple questions in one entry. Asking multiple questions with one entry may result in your answers being delayed or not answered..."	10/14/2026
Q92	**Question: Pricing Add on's** Can proposers submit priced alternates or optional technology add-ons outside the base Exhibit D pricing? **Answer:** Yes, they can	10/15/2026
Q93	**Question: Stadium Cleaning** Are stadium facilities used on a daily basis for practices, and if so are the restrooms open as well? **Answer:** No, they are not and No they are not	10/15/2026
Q94	**Question: stadium event frequency in 2025-2026** Please provide the number of events at the stadium for the 2025-2026 school year. **Answer:** This information is not available	10/15/2026
Q95	**Question: Contracted Day Porters** Based on a comment made during the site tour, can the District confirm that day porters will be provided by the successful bidder? **Answer:** Yes, the day porters are employees of the awarded contractor	10/16/2026

No	Question/Answer	Question Date
Q96	**Question: Chemical Dispensers** Will the District allow the successful bidder to change out the current chemical dispensers? **Answer:** Possibly with District approval and collaboration	10/16/2026
Q97	**Question: Paper products** Can the District confirm that they will provide paper products such as paper towels and toilet paper? **Answer:** The District provides paper towels and toilet paper	10/16/2026
Q98	**Question: 27-007 - Individual Facility Proposals** Does Cherry Creek School District allow vendors to submit proposals for individual school facilities or selected groups of facilities, rather than the entire district? **Answer:** No, The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/16/2026
Q99	**Question: RFP 27-007 - Multiple Vendor Awards** Does Cherry Creek School District anticipate awarding contracts to multiple vendors for different schools or groups of facilities under RFP 27-007? **Answer:** The District strongly prefers to make a single award under this solicitation, but also reserves the right to make multiple awards	10/16/2026
Q100	**Question: Inspection Scores** Can you share the most recent custodial inspection scores by campus, including any facility-specific improvement targets or performance outcomes it would like the new contractor to achieve? **Answer:** Internal processes have recently changed and we are building more consistency with new processes and vendors.	10/19/2026
Q101	**Question: Scope of Services** Are there any differences between the scope of custodial services currently being performed under the district's existing arrangement and the scope of services requested under this RFP? If so, please identify the differences. **Answer:** Yes. The scope of services requested under this RFP differs in numerous respects from the District's current custodial services arrangement. Respondents should not rely on assumptions regarding current operations or existing service levels. Proposals must be based solely on the requirements, specifications, service standards, and performance expectations set forth in the RFP and its associated exhibits and attachments. Any services not expressly identified in the solicitation should not be assumed to be part of the required scope.	10/19/2026

No	Question/Answer	Question Date
Q102	**Question: Insurance Question** Please confirm whether Professional Liability and/or Errors & Omissions coverage is required for the custodial services under this RFP. **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/19/2026
Q103	**Question: Volume of Event Support** Please provide the historical annual volume of custodial event-support requests by event type, including graduation, athletic events, community events, for the most recent two school years. Please also identify whether this support is expected to be included in the base price or priced separately. **Answer:** The District does not maintain historical data regarding the annual volume of custodial event-support requests by event type and is therefore unable to provide the requested information. Respondents should base their proposals on the requirements and service expectations set forth in the RFP. The Contractor will be responsible for ensuring that all facilities meet the cleanliness and readiness standards required by the RFP at the start of each day, regardless of the activities or events that may have occurred in the facility. If a respondent believes that certain event-related services warrant pricing outside of the proposed base pricing structure, the respondent should clearly identify and describe any such exceptions, assumptions, and associated pricing within its proposal for the District's consideration. However, respondents should assume that the services necessary to meet the requirements of the RFP are included in their proposed pricing unless specifically identified otherwise.	10/19/2026
Q104	**Question: Anticipated Custodial Staffing** Please describe the anticipated custodial staffing requirements for recurring events, including typical event duration, required pre-event, during-event, and post-event coverage, and whether events occur outside normal staffed hours. **Answer:** Same answer as question 103	10/19/2026
Q105	**Question: Snow and Ice** Please confirm whether snow removal, ice mitigation, sidewalk treatment, parking-lot treatment, or other winter-weather services are included in the scope of this RFP. If included, please provide the applicable service areas, expected response requirements, material responsibilities, and historical annual service volume. **Answer:** No. Snow removal, ice mitigation, sidewalk treatment, parking lot treatment, deicing, sanding, snow hauling, or any other winter-weather related services are not included in the scope of this RFP.	10/19/2026

No	Question/Answer	Question Date
Q106	**Question: Paid Holiday Compensation** Please confirm whether the contractor is expected to provide paid holiday compensation to assigned employees for CCSD-recognized holidays when custodial services are not performed. If so, please identify the applicable holidays and whether those costs are to be included in the base contract price. **Answer:** The District does not require the Contractor to provide paid holiday compensation to its employees. Compensation, wages, benefits, holiday pay, and other employment-related matters are the sole responsibility of the Contractor as the employer. Respondents should propose pricing based on their own staffing model, compensation practices, and benefit programs necessary to meet the requirements of the RFP.	10/19/2026
Q107	**Question: School Closures** For scheduled school closures, including fall break, winter break, spring break, professional development days, and other non-student attendance days, please identify the custodial service level expected at each facility type and whether staffing is expected to be maintained at normal, reduced, or no coverage levels. **Answer:** The District is not prescribing specific staffing levels, staffing schedules, or staffing models for school closures, fall break, winter break, spring break, professional development days, non-student attendance days, or other periods when students are not present. The Contractor is responsible for providing sufficient staffing, supervision, and resources to ensure that all facilities are maintained in accordance with the requirements, service standards, schedules, and performance expectations set forth in the RFP. Respondents should develop their own operational approach and staffing plan to meet those requirements. Regardless of the staffing model utilized, the Contractor shall be responsible for ensuring that facilities meet the cleanliness, appearance, and readiness standards required by the RFP. Respondents should incorporate these requirements into their proposed pricing and service approach.	10/19/2026
Q108	**Question: Summer Schedule** Please provide the expected summer custodial work period, including the anticipated start and end dates, number of workdays, and whether all sites are expected to receive full staffing during the complete summer restorative-services period. **Answer:** The District is not establishing a separate summer custodial staffing model, prescribed staffing levels, or a defined number of workdays for respondents to use in preparing their proposals. While restorative services are expected to be performed during the summer period, the Contractor remains responsible for ensuring that all facilities are maintained in accordance with the requirements of the RFP and are ready for their intended use each day. Respondents are responsible for developing their own staffing approach, schedules, and resource allocation necessary to perform restorative work while maintaining required service levels across all facilities. Proposals should be based on the assumption that facility cleanliness, appearance, and operational readiness standards must be met year-round, including during the summer months.	10/19/2026

No	Question/Answer	Question Date
Q109	**Question: Custodial Staffing Plan** Please provide the current or most recent custodial staffing plan by facility, including regular full-time and part-time positions, day porters, shift schedules, supervisory positions, relief or float coverage, and vacancies. **Answer:** The District does not have custodial staff as full time employees so this information is not available. Prospective contractors will need to provide a staffing plan based on meeting APPA 2 standards and scope requirements. This will likely be different than historical data.	10/19/2026
Q110	**Question: Wages, Pension etc.** Please identify any minimum wage, prevailing wage, living wage, wage-rate, fringe-benefit, paid-leave, pension, or other labor-related requirements applicable to the services under RFP 27-007. **Answer:** The District has not established a District-specific prevailing wage, living wage, minimum compensation, or fringe-benefit requirement for RFP 27-007. Contractors are responsible for compliance with all applicable federal, state, and local wage and employment laws. The District has not identified an applicable prevailing-wage or fringe-benefit wage determination for this solicitation and therefore does not have a wage determination or schedule to provide.	10/19/2026
Q111	**Question: Current Employees** Please confirm whether the selected contractor will be required or expected to interview, offer employment to, retain, or otherwise provide continuity for employees currently assigned to the custodial-services scope. Please identify any applicable transition, retention, or onboarding requirements. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/19/2026
Q112	**Question: Expected Custodial Coverage Hours** Please provide the required or expected custodial coverage hours by facility, including evening-cleaning shifts, day-porter hours, weekend coverage, athletic/event coverage. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/19/2026
Q113	**Question: Day Porter Coverage** Please identify the facilities requiring day-porter coverage and provide the expected daily coverage hours, number of positions and scheduled days of service. **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/19/2026

No	Question/Answer	Question Date
Q114	**Question: Elementary Schs Equipment** For elementary schools, where the district generally provides equipment, please provide the equipment inventory, condition, age, and will contractor or the district be responsible for maintenance costs. **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/19/2026
Q115	**Question: Collective Bargaining Agreement?** Please confirm whether any collective bargaining agreement, union agreement, or other labor agreement applies to employees currently performing the custodial services within the scope of RFP 27-007. If so, please provide the applicable agreement(s) or identify where they may be accessed. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/19/2026
Q116	**Question: Price Adjustments** Does the district have a preferred methodology for annual contract price adjustments during the initial term and renewal periods, such as an adjustment tied to CPI or another published index? **Answer:** The District does not have a preferred methodology for annual contract price adjustments and is not prescribing a specific index, formula, or adjustment mechanism (e.g., CPI-based adjustments) as part of this RFP. Respondents may propose their preferred approach for annual price adjustments, if any; however, any proposed adjustment methodology, assumptions, limitations, and supporting rationale should be clearly identified within the proposal. Any future pricing adjustments would be subject to negotiation, mutual agreement of the parties, and the terms of the resulting contract.	10/19/2026
Q117	**Question: Hard Wood Floors** During the site tours we notcied new hard flooring was installed in each of the 3 schools that we toured. This new flooring did not require floor finish. Can you confirm how many or which schools in the district have this new flooring that does not require the contractor to re-finish the floors. Fox Ridge MS still had some flooring that requires re-finishing. Can you confirm how many or which schools still require floor refinishing and which ones do not? **Answer:** Due to recent flooring replacement projects across the District, flooring conditions may vary by school. Proposers should use the schools visited during the site tours as a general representation of current conditions. As demonstrated during the tours, some areas have newer flooring systems that do not require traditional floor stripping and refinishing, while other areas, such as portions of Fox Ridge Middle School, continue to have flooring that requires refinishing as part of routine floor care. The District does not maintain a comprehensive list of flooring types by school and area.	10/19/2026
Q118	**Question: Decision Committee** Can you confirm who will be part of the decision committee? **Answer:** The District will not disclose the identities of evaluation committee members. The composition of the evaluation committee should not be considered a factor in the preparation of a proposal. Respondents should submit proposals based solely on the requirements, evaluation criteria, and instructions contained in the RFP.	10/19/2026

No	Question/Answer	Question Date
Q119	**Question: Total Cleanable Square Footage** Please confirm the total cleanable square footage currently serviced by the incumbent versus the square footage included in this RFP. **Answer:** The District is unable to verify or confirm the total cleanable square footage currently serviced by the incumbent contractor. Respondents should not rely on the incumbent's current scope, staffing model, service levels, or areas serviced when preparing their proposals. For proposal purposes, respondents shall rely solely on the facility information, square footage data, and scope requirements provided in the RFP and its associated exhibits. The areas identified in the solicitation represent the basis upon which proposals should be developed and priced.	10/19/2026
Q120	**Question: Services Outside Student Attendance Days** Are services outside student-attendance days included in the incumbent’s base contract price or billed separately? **Answer:** Respondents should develop their pricing based solely on the requirements of this RFP. As stated in the solicitation, proposals shall be submitted using the pricing structure provided in the Exhibit D Pricing Workbook. The Contractor will be responsible for meeting all RFP requirements, including services necessary during non-student attendance days, holidays, breaks, and other periods when facilities must be maintained in accordance with the contract requirements. Any proposed exceptions, assumptions, or separately priced services should be clearly identified in the respondent's proposal.	10/19/2026
Q121	**Question: Incumbent’s Annual Payments** Please provide the incumbent’s annual payments for separately billed services, broken out by service type. **Answer:** The District does not maintain historical payment data for separately billed services in a manner that can be readily provided and is therefore unable to provide the incumbent contractor's annual payments broken out by service type. Respondents should prepare their proposals based on the scope, requirements, and pricing structure identified in the RFP and associated exhibits, rather than on the incumbent contractor's pricing, billing practices, or contract administration approach. If a respondent believes certain services require pricing outside of the standard pricing structure, any such assumptions, exclusions, or separately billed services should be clearly identified and described within the proposal.	10/19/2026
Q122	**Question: Form I-9 Verification** Will CCSD require documentation confirming completion of Form I-9 employment eligibility verification for all assigned contractor and subcontractor personnel? **Answer:** No. The District will not require submission of Form I-9 documentation for contractor or subcontractor employees. Assigned personnel are employees of the contractor, and it is the contractor's responsibility to comply with all applicable federal, state, and local employment laws and regulations, including employment eligibility verification requirements. The District expects contractors and any subcontractors to maintain compliance with all such requirements throughout the contract term.	10/19/2026

No	Question/Answer	Question Date
Q123	**Question: E-Verify Participation** Will E-Verify participation be required for the contractor and its subcontractors? **Answer:** No. The District will not require submission of Form I-9 documentation for contractor or subcontractor employees. Assigned personnel are employees of the contractor, and it is the contractor's responsibility to comply with all applicable federal, state, and local employment laws and regulations, including employment eligibility verification requirements. The District expects contractors and any subcontractors to maintain compliance with all such requirements throughout the contract term.	10/19/2026
Q124	**Question: Incumbent Self-Perform?** Does the incumbent self-perform all custodial services or subcontract any portion of the work? If subcontractors are used, please identify each company and its assigned services and locations. **Answer:** The District does not have the authority to disclose information regarding the incumbent contractor’s business operations, staffing practices, subcontracting arrangements, subcontractors, or contractual relationships. Respondents should develop and submit their proposals based solely on the requirements, specifications, and expectations set forth in the RFP. Any subcontracting approach proposed by a respondent will be evaluated in accordance with the solicitation requirements.	10/19/2026
Q125	**Question: Subcontractors** If subcontractors are used, are incumbent subcontractors subject to the same hiring, employment-verification, and background-check requirements as the prime contractor? **Answer:** Yes. Any subcontractors utilized under the contract will be subject to the same applicable hiring, employment eligibility verification, background check, and other personnel requirements as the prime contractor. The prime contractor is responsible for ensuring that all subcontractors comply with the requirements of the contract and all applicable federal, state, and local laws and regulations.	10/19/2026
Q126	**Question: Centrally Located Office?** Will there be a centrally located office that will be available for us on campus? **Answer:** No, there is not at this time	10/19/2026
Q127	**Question: Laundry Facility** Is there any type of laundry facility located within the district that is available for us to use? **Answer:** No, there is not	10/19/2026
Q128	**Question: Job Fairs on Campus** Will we have the opportunity to hold job fairs on campus within the district and are we welcome to hire incumbent staff? **Answer:** The District may permit the awarded contractor to conduct recruiting activities, including job fairs, at District facilities; however, any such activities would be subject to District approval, facility availability, and coordination with the District after contract award.	10/19/2026

No	Question/Answer	Question Date
Q129	**Question: Fingerprint Cards** Section 2.9 outlines background checks. Will fingerprint cards be required for staff? **Answer:** The District's requirements for background checks are outlined in Section 2.9 of the RFP. Contractors are expected to comply with all requirements as stated in the solicitation. If a proposer wishes to request an exception, modification, or alternative approach to any requirement, including fingerprint card requirements, the proposer should clearly identify the proposed change by providing redlined language and an explanation within its proposal for District review and consideration.	10/19/2026
Q130	**Question: Staff Parking** Are there any costs associated with staff parking at any of the campuses? Are there any vehicle restrictions? **Answer:** No. There are no District fees or costs associated with employee parking at District facilities. Contractor vehicles and employee vehicles must be parked only in designated and approved parking areas and must comply with all applicable District site rules. Vehicles may not be stored or parked on District property on a permanent basis, and parking must not interfere with school operations, emergency access, traffic flow, or designated staff, visitor, or student parking requirements. The Contractor will be responsible for ensuring its personnel comply with all site-specific parking requirements.	10/19/2026
Q131	**Question: Wi-Fi Capabilities** Are there Wi-Fi capabilities at each school? Will Wi-Fi be available for custodial staff and supervisors? **Answer:** Yes, there is and yes it will be	10/19/2026
Q132	**Question: Timeclocks** Are there areas at each campus where timeclocks can be installed? **Answer:** No, there is not	10/19/2026
Q133	**Question: Key Handling** What is the process for key handling, tracking, security? Is there a key shop within the District for having keys replaced or made? **Answer:** Key cards will be issued which are made at the District.	10/19/2026
Q134	**Question: Supply Holding Area** Is there a centrally located holding area that we can have startup equipment and supplies delivered to? **Answer:** No, there is not	10/19/2026
Q135	**Question: Equipment Receiving Process** What is the delivery / receiving process for equipment and supplies at each campus? **Answer:** Equipment, materials, and supplies may be delivered directly by contractor personnel to each facility or delivered by a supplier. Contractors are responsible for coordinating deliveries with the applicable school or facility in advance to ensure deliveries do not disrupt District operations. The awarded contractor shall manage the logistics of receiving, storing, and distributing all equipment, materials, and supplies necessary to perform the services required under the RFP.	10/19/2026

No	Question/Answer	Question Date
Q136	**Question: Company Badges** Are custodial staff required to wear company badges? **Answer:** While not a mandatory requirement of the RFP, the District strongly prefers that custodial staff wear company-issued identification badges. Visible identification helps District staff, students, visitors, and emergency responders readily recognize that personnel are authorized contractor employees and identify the company they represent while on District property. Contractors may describe their employee identification and uniform practices in their proposals.	10/19/2026
Q137	**Question: Chemical Dispensing Systems** Are chemical dispensing systems uniform across the district? **Answer:** Hillird for district employees and a contractor-provided multi solution dispenser.	10/19/2026
Q138	**Question: Chemical Mixing Stations** What type of chemical mixing stations are currently installed? **Answer:** Hillird for district employees and a contractor-provided multi solution dispenser.	10/19/2026
Q139	**Question: Other Dispensers** Are paper towel, toilet paper, soap, and hand sanitizer dispensers uniform across all campuses? **Answer:** Yes. In most cases, paper towel, toilet paper, soap, and hand sanitizer dispensers are standardized across District facilities. However, minor variations may exist at some locations due to building age, renovations, or specific site requirements. Contractors should be prepared to service and replenish dispensers as installed at each facility.	10/19/2026
Q140	**Question: District Provided Supplies and Equipment** Will the District provide a list of District-provided equipment, paper products, feminine hygiene products by campus (Exhibit B1 & 6). **Answer:** The information requested regarding District-provided equipment, paper products, and feminine hygiene products is addressed within the RFP and its associated exhibits. Proposers should refer to the RFP documents, including Exhibit B and Exhibit B1, for information regarding District-furnished items and contractor responsibilities.	10/19/2026
Q141	**Question: Hand Sanitizer** Who is responsible for providing hand sanitizer? **Answer:** Hand sanitizer is not included within the scope of this RFP. The awarded contractor is not responsible for providing hand sanitizer unless otherwise directed by the District through a separate agreement or written authorization.	10/19/2026

No	Question/Answer	Question Date
Q142	**Question: SLA Penalties** Is there historical data that can be provided for SLA penalties? On average what is the penalty cost for the District or campuses annually? **Answer:** Historical data regarding SLA penalties is not available. However, the number of instances resulting in service credits or penalties has been very small. The District's preference is to work collaboratively with the contractor to identify and resolve service issues whenever possible, rather than rely on financial penalties. The District values proactive communication, corrective action, and continuous improvement to address performance concerns.	10/19/2026
Q143	**Question: Current CMMS System** What CMMS system does the District use? **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/19/2026
Q144	**Question: Floor Plans** Can floor plans or blueprints of each building within the District be provided? **Answer:** This information is not available	10/19/2026
Q145	**Question: Hard Floor vs Carpet** Can you provide a percentage of hard floor surfaces and carpeted surfaces for each building? **Answer:** This information is not available	10/19/2026
Q146	**Question: Window Height** Please provide the height of the highest windows within the District. **Answer:** Based on available information, the highest windows in District facilities are generally approximately 30 to 40 feet above floor level, excluding skylights and roof atriums. Proposers should use this range for planning purposes. Contractors are responsible for providing the equipment, staffing, and means necessary to safely access and clean all windows included within the scope of services.	10/19/2026
Q147	**Question: High Window Cleaning** Is the high window cleaning performed by the current custodial vendor or is a sub-contractor utilized? **Answer:** The District does not prescribe whether high window cleaning must be self-performed or subcontracted. It is the contractor’s responsibility to determine the most appropriate method of performing the work and to ensure all services are provided in accordance with the requirements of the RFP. Any subcontractors utilized by the contractor must comply with all applicable contract requirements.	10/19/2026
Q148	**Question: Restorative Surfaces** Are wood floor gymnasiums included in the annual restorative surface requirement? If so, can you please outline the process? **Answer:** No. Wood floor gymnasiums are not included in the scope of this RFP and are therefore not included in the annual restorative surface requirements. Proposers should exclude wood gymnasium floor refinishing, recoating, sanding, and other related maintenance services from their pricing and scope of work under this solicitation.	10/19/2026

No	Question/Answer	Question Date
Q149	**Question: Food Service Duties** Will custodial staff have any breakfast or lunchtime duties associated with food services? **Answer:** Custodial staff may be required to perform routine cafeteria cleanup duties as part of the day porter responsibilities. These duties generally consist of maintaining cleanliness in cafeteria and dining areas during and after meal periods. Food service operations and food preparation responsibilities are not included in the scope of this RFP.	10/19/2026
Q150	**Question: Billing Deductions** Section 7.1.2, pp. 14–15: Will the full monthly fee be paid when all scheduled services are performed, without deductions for scheduled non-service days, including weekends, holidays, and breaks? **Answer:** Yes, it will be	10/19/2026
Q151	**Question: Payment Deductions** Section 7.1.2, pp. 14–15: How will payment deductions be calculated when only part of the proposed staff works, including absences due to sickness, jury duty, or vacation? **Answer:** No payment deductions will be made solely because an individual employee is absent due to sickness, vacation, jury duty, or similar reasons. The contractor is responsible for providing sufficient staffing and operational coverage to meet all contract requirements and performance standards. It is the contractor's responsibility to manage employee absences and staffing levels to ensure there are no service interruptions or staffing shortages. Any performance-related payment adjustments, if applicable, would be based on failure to meet contract requirements, not on the absence of specific personnel.	10/19/2026
Q152	**Question: Employee Absences** Section 7.1.2, pp. 14–15: Will employee absences result in deductions if replacement coverage is provided or required service outcomes are otherwise maintained? **Answer:** No payment deductions will be made solely because an individual employee is absent due to sickness, vacation, jury duty, or similar reasons. The contractor is responsible for providing sufficient staffing and operational coverage to meet all contract requirements and performance standards. It is the contractor's responsibility to manage employee absences and staffing levels to ensure there are no service interruptions or staffing shortages. Any performance-related payment adjustments, if applicable, would be based on failure to meet contract requirements, not on the absence of specific personnel.	10/19/2026
Q153	**Question: CCSD-Recognized Holidays** Section 7.1.3, p. 15: Please identify all CCSD-recognized holidays. **Answer:** The District's recognized holidays and other scheduled closures are identified in the applicable District calendars, which are publicly available on the CCSD website. Respondents are responsible for reviewing the calendars and incorporating any impacts on staffing, scheduling, and pricing into their proposals as appropriate.	10/19/2026

No	Question/Answer	Question Date
Q154	**Question: Additional Work Authorization** Section 7.1.3, p. 15: How must advance written authorization be obtained for holiday work, including emergency or otherwise-required services, to ensure payment? **Answer:** Any special work arrangements, including work performed on holidays, should be coordinated and communicated with the District in advance whenever practicable. If services are needed outside the normal scope, schedule, or operational expectations, the contractor should obtain District authorization through the District-designated contract representative or other authorized District personnel. Emergency situations will be addressed on a case-by-case basis with appropriate communication between the contractor and the District.	10/19/2026
Q155	**Question: Compensation** Section 8.1, p. 15: Please confirm whether compensation will be based on the agreed monthly fee or actual labor hours worked. **Answer:** Agreed monthly fee	10/19/2026
Q156	**Question: Payment Terms** Section 8.2, p. 16: Will CCSD accept net 30 payment terms without the optional 2% early-payment discount? **Answer:** Yes. The District will accept standard Net 30 payment terms and does not require respondents to offer an early-payment discount. As an alternative, contractors may elect to participate in the District's early-payment program. Under this option, the District may remit payment within 15 days in exchange for a 2% discount applied to the invoice amount. Respondents may indicate in their proposal whether they wish to offer this optional discount arrangement.	10/19/2026
Q157	**Question: Adjusting Staffing** Exhibit B, Section 5, p. 35: May the contractor adjust proposed staffing assignments and work hours while maintaining required service outcomes without reducing the agreed monthly fee? **Answer:** Yes, you may	10/19/2026
Q158	**Question: Annual Workdays** Please specify the required annual workdays for custodial staff by location, including whether a 260-day schedule applies. **Answer:** The District does not prescribe a specific number of annual workdays, nor does it require a 260-day staffing schedule. Proposers are responsible for determining the staffing model, work schedules, and number of annual workdays necessary to successfully perform all services and meet all requirements outlined in the RFP. The contractor's proposed approach should ensure that all required tasks, performance standards, and service expectations are met throughout the contract term.	10/19/2026

No	Question/Answer	Question Date
Q159	**Question: Annual Workdays** Please specify the required annual workdays for day porters, including whether a 260-day schedule applies. **Answer:** The District does not prescribe a specific number of annual workdays, nor does it require a 260-day staffing schedule. Proposers are responsible for determining the staffing model, work schedules, and number of annual workdays necessary to successfully perform all services and meet all requirements outlined in the RFP. The contractor's proposed approach should ensure that all required tasks, performance standards, and service expectations are met throughout the contract term.	10/19/2026
Q160	**Question: Weekend Coverage** Please identify required weekend custodial coverage by location, including staffing, hours, and frequency. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District’s current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/19/2026
Q161	**Question: Inclement Weather Closures** Will the contractor receive the full scheduled payment when CCSD directs custodial staff not to work during inclement-weather closures? **Answer:** Yes. If CCSD directs custodial staff not to report to work due to an inclement-weather closure, the contractor will receive the full scheduled payment. However, the contractor remains responsible for ensuring that all facilities are safe, properly maintained, and ready for occupancy and normal operations when buildings reopen, in accordance with the requirements of the RFP and resulting contract.	10/19/2026
Q162	**Question: Stripping and Waxing** Exhibit C, Section 1, p. 36: Please confirm whether stripping and waxing are required only during summer, rather than twice annually in classrooms. **Answer:** Annually in summer - Vinyl Composition Tile (VCT) only	10/19/2026
Q163	**Question: Deep Cleaning and Floor Restoration** Exhibit C, Section 8, p. 40: Please define the required “deep cleaning and floor restoration” during school breaks, including whether stripping, waxing, or buffing is required. **Answer:** Carpet extraction, high dusting, windows (in/out), hard surface/VCT surfaces require stripping and rewaxing (approx. 50% of sites), ceramic and porcelain grout cleaning.	10/19/2026
Q164	**Question: Deep Cleaning and Floor Restoration** Exhibit C, Section 8, p. 40: Please identify which school breaks require deep cleaning and floor restoration. **Answer:** See exhibit C of RFP scope	10/19/2026

No	Question/Answer	Question Date
Q165	**Question: Break Cleaning** Sections 7.1.2–7.1.3 and Exhibit C, Section 8: How will required break cleaning be compensated when the work falls on CCSD-recognized holidays? **Answer:** The District is unclear on the specific scenario being referenced. Regardless of when the work is performed, contractors are responsible for completing all required services and ensuring facilities are ready for occupancy and normal operations at the start of each scheduled day. Proposers should base their staffing plans and pricing on meeting all requirements outlined in the RFP and resulting contract.	10/19/2026
Q166	**Question: Refinishing Frequencies** Exhibit C, Section 10, pp. 42–43: Please specify the required stripping, waxing, and complete-refinishing frequencies for classrooms, hallways, and common areas. **Answer:** Annually in summer - Vinyl Composition Tile (VCT) only	10/19/2026
Q167	**Question: Recycling Bags and Liners** Exhibit B, Section 6, p. 35: Is the contractor responsible for supplying recycling bags or liners? **Answer:** No. The District does not utilize recycling liners. Recycling is typically collected in designated blue recycling bins located throughout District facilities. Contractors are responsible for servicing and emptying recycling containers as required to maintain the cleanliness of the facilities in accordance with the requirements of the RFP.	10/19/2026
Q168	**Question: Recycling Removal Requirements** Exhibit C, recycling-removal requirements: Please describe the recycling collection and disposal process, including the availability of separate interior containers and exterior dumpsters. **Answer:** The District's recycling program utilizes designated interior recycling bins and exterior recycling dumpsters. Contractors are responsible for collecting recyclable materials from the interior recycling containers and transporting them to the appropriate exterior recycling dumpsters in accordance with the District’s recycling procedures and the requirements of the RFP.	10/19/2026
Q169	**Question: Walk-Off Mats** Exhibit C, Sections 5 and 7, pp. 38–39: Must the contractor supply walk-off mats, and if so, what quantities, sizes, types, and brands are required by location? **Answer:** No. The contractor is not responsible for supplying walk-off mats. The contractor is responsible for cleaning, maintaining, and monitoring the condition of District-provided walk-off mats as required by the RFP. Any damaged, worn, or non-functional mats should be reported to the District in accordance with established contract procedures.	10/19/2026

No	Question/Answer	Question Date
Q170	**Question: Pool Deck Cleaning** Exhibit C, Section 7, p. 39: Please specify required pool-deck cleaning methods, products, equipment, and frequencies. **Answer:** Pool decks shall be cleaned using industry-standard methods and products appropriate for K–12 educational facilities. Cleaning methods may include hosing, pressure washing, and other accepted cleaning practices as needed to maintain a safe and clean environment. At a minimum, pool decks should receive pressure washing on a monthly basis, with additional cleaning performed as necessary based on facility conditions and usage. The contractor is responsible for providing the equipment, labor, and materials necessary to perform these services.	10/19/2026
Q171	**Question: Business Continuity Plan Format** MSA Section 18.0, pp. 22–23: Can CCSD provide a sample or template identifying its required Business Continuity Plan format and content? **Answer:** The District does not prescribe a specific format or template for a Business Continuity Plan. Business Continuity Plans are developed, maintained, and owned by the contractor as part of their business operations. Because these plans are proprietary to each organization, the District cannot provide examples or templates from other suppliers. Proposers should submit a Business Continuity Plan that reflects their organization's capabilities, processes, and resources for maintaining services and recovering from disruptions. The District will evaluate submitted plans based on their ability to support continuity of services required under the contract.	10/19/2026
Q172	**Question: Question for RFP** Does the District require a minimum or living wage for contractor employees beyond applicable state and local minimum wage law? Additionally, can the District share the current contractor’s staffing levels (number of FTEs by position) or wage rates for custodial staff, day porters, and supervisors? **Answer:** No. The District does not require contractors to pay a minimum wage, living wage, prevailing wage, or other compensation rate beyond those required by applicable federal, state, and local laws. The District does not possess, maintain, or disclose information regarding the incumbent contractor's employee compensation practices, wage rates, benefits, staffing levels, full-time equivalent (FTE) counts, organizational structure, or other proprietary business information. Accordingly, the District is unable to provide staffing levels by position or wage information for custodial staff, day porters, supervisors, or other contractor personnel. Respondents are solely responsible for determining the staffing levels, wage rates, benefits, supervision, and other resources necessary to meet the requirements and performance standards of the RFP and should reflect those costs in their proposed pricing.	10/20/2026

No	Question/Answer	Question Date
Q173	**Question: Question for RFP** Exhibit D lists Day Porter Services at 21 sites. Please confirm whether day porters are required only at those 21 sites, or if the District expects day porter coverage at any other buildings, including elementary schools. **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/20/2026
Q174	**Question: Consumables** What is the current contractor's approximate annual spend (or quantities) on trash liners, hand soap, and cleaning chemicals district-wide, since the District supplies paper products but the contractor supplies these items? **Answer:** The District does not have historical annual usage, quantities, or size information for trash liners. Trash liners are currently furnished and managed by the District's contracted custodial service provider, and the District does not separately purchase or track this information. Proposers are responsible for determining the types, sizes, and quantities of trash liners necessary to meet the requirements of RFP 27-007.	10/20/2026
Q175	**Question: Consumables** What soap and sanitizer dispenser brands and models are installed, and approximately how many of each? Will the District accept compatible refills, or must they be the dispenser manufacturer's product? **Answer:** Typical dispensers throughout the District are Hilliard 48544-101	10/20/2026
Q176	**Question: Exhibit D – Floor Types and Restroom Fixture Counts** Will the District provide square footage by floor type (carpet vs. hard floor) and restroom or fixture counts by building? Exhibit D gives total square feet only. **Answer:** This information is not available	10/20/2026
Q177	**Question: Exhibit D – Pricing of Mobile Unit Lines** Please confirm whether the 36 mobile-unit lines in Exhibit D are to be priced separately, or may they be included in the parent school's price. **Answer:** Price each mobile-unit line separately as shown in the Exhibit D pricing workbook.	10/20/2026

No	Question/Answer	Question Date
Q178	**Question: Day Porters** Please confirm the expected number of day porters and hours per day at each of the 21 day-porter sites (for example, two at high schools). **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/20/2026
Q179	**Question: Pricing - Monthly Billing and Break-Period Service** Is the monthly price to be billed in twelve equal installments including summer months, or only during occupied months? Are buildings serviced during winter, spring, and summer breaks, and at what frequency? **Answer:** Full services are expected for full calendar year. During breaks, recovery projects and ad-hoc project work would be expected	10/20/2026
Q180	**Question: Scope – Summer 2027 Restorative Responsibility** Will the summer 2027 restorative program for all educational facilities be the incoming contractor's responsibility before the July 1, 2027 start, or the current contractor's? **Answer:** The District has not yet determined whether the Summer 2027 restorative services will be completed by the incumbent contractor or by the newly awarded contractor. The District will work with both parties following contract award to develop an appropriate transition and implementation plan. For proposal purposes, respondents shall assume that the newly awarded contractor will be responsible for performing the Summer 2027 restorative services and should price their proposals accordingly, with an anticipated start of services on June 1, 2027 for purposes of mobilization and completion of the summer work. Any final transition schedule will be determined by the District after contract award.	10/20/2026
Q181	**Question: Equipment – District-Provided Equipment by Site** What equipment does the District provide at elementary schools (types and approximate counts), and is it in working order? Does the District provide any equipment at non-elementary sites? **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/20/2026
Q182	**Question: Scope – Special Event Support** Is special-event support (graduations, athletic events, community rentals, board meetings) included in the monthly fee, or compensated separately? Approximately how many such events occur per year? **Answer:** Separately, submit rates hourly, with minimum 2 hours.	10/20/2026

No	Question/Answer	Question Date
Q183	**Question: Scope – Exterior Windows, High Windows, and Skylights** Is the contractor responsible for exterior window cleaning, high windows, and skylights within the monthly fee, and are lifts provided by the District? **Answer:** Yes. Exterior window cleaning, high window cleaning, and skylight cleaning required by the RFP shall be included in the contractor's proposed annual pricing and will be compensated through the monthly contract payments. The District will not provide lifts or other specialized access equipment. The contractor is responsible for providing all labor, equipment, lifts, materials, and other resources necessary to safely perform these services in accordance with the requirements of the RFP.	10/20/2026
Q184	**Question: Insurance – MSA §15.d Professional Liability and E&O** Does MSA Section 15.d (professional liability $3,000,000/$3,000,000 and errors & omissions $1,000,000/$2,000,000) apply to custodial services, or only to the licensed occupations listed on the District's Vendor/Partner Insurance Requirements? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/20/2026
Q185	**Question: Insurance – Sexual Abuse and Molestation Limit** What limit does the District require for sexual abuse and molestation coverage on the commercial general liability policy? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/20/2026
Q186	**Question: Background Checks – Fingerprinting Requirement** Is fingerprint-based background screening required for custodial workers, and does the District or the contractor process the fingerprints and bear the cost? **Answer:** The District's requirements for background checks are outlined in Section 2.9 of the RFP. Contractors are expected to comply with all requirements as stated in the solicitation. If a proposer wishes to request an exception, modification, or alternative approach to any requirement, including fingerprint card requirements, the proposer should clearly identify the proposed change by providing redlined language and an explanation within its proposal for District review and consideration.	10/20/2026
Q187	**Question: Technology – Work Order (CMMS) System** Which work-order (CMMS) system will the contractor participate in, and will contractor user accounts be provided? **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/20/2026

No	Question/Answer	Question Date
Q188	**Question: Transition – Access to Current Custodial Staff** Will the current custodial staff be available for the incoming contractor to interview and hire? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/20/2026
Q189	**Question: Question for rfp** Exhibit D lists Day Porter Services at 21 sites. Please confirm whether day porters are required only at those 21 sites, or if the District expects day porter coverage at additional buildings, including elementary schools. **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/20/2026
Q190	**Question: Subcontractor Site Walk Requirement** 1. Does the site walk requirement apply to firms participating only as subcontractors under an awarded prime contractor that do not submit a proposal of their own? **Answer:** No, it does not	10/20/2026
Q191	**Question: Plan Holder List Publication** Will a list of registered plan holders for RFP 27-007 be published on BidNet? **Answer:** No, it will not	10/20/2026
Q192	**Question: Pre-Proposal Conference Date** Will a pre-proposal conference be held for RFP 27-007, and if so, on what date? **Answer:** No, just the walk through	10/20/2026
Q193	**Question: Conference Attendance by Non-Proposers** May registered suppliers that do not intend to submit a proposal attend the pre-proposal conference? **Answer:** Yes, they may	10/20/2026

No	Question/Answer	Question Date
Q194	**Question: Subcontractor Background Checks and Badging** What background-check and badging requirements apply to subcontractor personnel working in occupied schools? **Answer:** The District's requirements for background checks are outlined in Section 2.9 of the RFP. Contractors are expected to comply with all requirements as stated in the solicitation. If a proposer wishes to request an exception, modification, or alternative approach to any requirement, including fingerprint card requirements, the proposer should clearly identify the proposed change by providing redlined language and an explanation within its proposal for District review and consideration.	10/20/2026
Q195	**Question: Fingerprinting for Subcontractor Personnel** Is fingerprinting required for subcontractor custodial personnel? **Answer:** The District's requirements for background checks are outlined in Section 2.9 of the RFP. Contractors are expected to comply with all requirements as stated in the solicitation. If a proposer wishes to request an exception, modification, or alternative approach to any requirement, including fingerprint card requirements, the proposer should clearly identify the proposed change by providing redlined language and an explanation within its proposal for District review and consideration.	10/20/2026
Q196	**Question: Subcontractor Insurance Limits** What insurance limits must a subcontractor carry to perform work under a prime contractor's award? **Answer:** For RFP 27-007, contractors must maintain the standard insurance coverages and limits required by the RFP. In addition, contractors are required to carry Professional Liability and/or Errors & Omissions (E&O) Insurance with minimum limits of $1,000,000 per occurrence/claim and $2,000,000 aggregate. Sexual Abuse/Molestation Liability coverage is also required and must provide limits of $1,000,000 per occurrence and $2,000,000 aggregate. A policy endorsement or other documentation specifically evidencing this coverage must be provided.	10/20/2026
Q197	**Question: Night vs. Day Personnel Requirements** Do personnel requirements differ for night custodial staff versus day porter staff? **Answer:** All personnel must meet the applicable background-check and other contract requirements regardless of shift. Day porter coverage expectations are separately identified in the District’s Q&A.	10/20/2026
Q198	**Question: Publication of Scope Divisions / Zones** Will the District publish how the work may be divided into zones or school clusters so prime bidders can identify subcontractable portions? **Answer:** This is the responsibility of the contractor	10/20/2026
Q199	**Question: M/WBE Subcontractor Participation Tracking** Does the District track minority-owned or M/WBE subcontractor participation on this contract? **Answer:** Only HUB certificates the contractor holds will be accepted. The Districts contract is with the awarded contractor	10/20/2026

No	Question/Answer	Question Date
Q200	**Question: Recognized Minority Business Certifications** Which minority-owned business certifications does the District recognize for subcontractor participation? **Answer:** Only HUB certificates the contractor holds will be accepted. The Districts contract is with the awarded contractor	10/20/2026
Q201	**Question: Comparable references** Section 5.2 requires three client references of similar size and scope, while Exhibit A allows explanations of comparable capabilities when listed qualifications are not met. May proposers satisfy the reference requirement using smaller commercial clients together with documented K–12 experience of proposed key personnel or approved subcontractors? **Answer:** Not sure of the question here but proposers should submit the references required and clearly identify any proposed alternatives or exceptions.	10/20/2026
Q202	**Question: Pricing a limited scope** If a proposer offers services for only selected facilities or day-porter assignments, how should unoffered rows in Exhibit D be marked so the proposal remains responsive? **Answer:** The District strongly prefers a single award but reserves the right to make multiple awards. Proposers should clearly identify any locations or services excluded from their proposal and provide pricing in the Exhibit D format.	10/20/2026
Q203	**Question: Day-porter coverage** Please provide the required daily coverage hours and annual service days for each day-porter assignment listed in Exhibit D. **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/20/2026

No	Question/Answer	Question Date
Q204	**Question: Service calendar** Please provide the custodial service-day and access schedule bidders should use for each facility type, including summer programs, school breaks, non-pupil contact days, and weekend occupancy. **Answer:** The District is not prescribing specific staffing levels, staffing schedules, or staffing models for school closures, fall break, winter break, spring break, professional development days, non-student attendance days, or other periods when students are not present. The Contractor is responsible for providing sufficient staffing, supervision, and resources to ensure that all facilities are maintained in accordance with the requirements, service standards, schedules, and performance expectations set forth in the RFP. Respondents should develop their own operational approach and staffing plan to meet those requirements. Regardless of the staffing model utilized, the Contractor shall be responsible for ensuring that facilities meet the cleanliness, appearance, and readiness standards required by the RFP. Respondents should incorporate these requirements into their proposed pricing and service approach.	10/20/2026
Q205	**Question: Cleanable areas** Does Exhibit D's square footage represent gross building area or the area to be cleaned under this contract? **Answer:** Gross square footage and cleanable square footage is not available.	10/20/2026
Q206	**Question: District equipment** Please provide an inventory, including operating condition, of District equipment available to the contractor at elementary schools, identifying any elementary sites where equipment will not be provided. **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/20/2026
Q207	**Question: Monthly pricing inclusions** Should Exhibit D's monthly prices include all required summer restoration, periodic floor care, annual exterior/high-window cleaning, special-event support, and emergency response, or will any of these services be separately authorized and paid? **Answer:** Base pricing should account for the routine and restorative services required by the RFP. Special-event support is separately priced using proposed hourly rates, with a two-hour minimum, as stated in prior Q&A. Any additional separately priced services or assumptions must be clearly identified.	10/20/2026
Q208	**Question: 2027/2028 Budget** Please provide the District's budget for custodial services specifically as listed in the RFP for 2027/2028. **Answer:** This information is not available	10/20/2026

No	Question/Answer	Question Date
Q209	**Question: Emergency response coverage** Do the response and resolution times in Exhibit B apply continuously, including nights, weekends, and holidays, or only during designated occupied or staffed hours? **Answer:** The response and resolution times identified in Exhibit B apply during designated occupied or staffed hours and during scheduled District events requiring custodial support. They do not apply continuously on a 24/7 basis, including nights, weekends, holidays, or other periods when facilities are unoccupied, unless custodial services are specifically scheduled or required by the District during those times.	10/20/2026
Q210	**Question: Inspection scoring** The inspection criteria define a score of 4 out of 5 as meeting APPA Level 2, but the scorecard requires a monthly average of at least 90%. Please clarify how the weighted scores are calculated and how a facility meeting the stated standard in every category satisfies the 90% threshold. **Answer:** The intent is for a score of 4 out of 5 to represent satisfactory performance and to meet the District's expected standard. The scorecard will be revised to align with this intent and ensure that facilities achieving the required performance level are scored appropriately.	10/20/2026
Q211	**Question: Site information and visits** Will the District offer an additional pre-bid site visit or provide the materials and clarifications shared during the October site walks to bidders who did not attend? **Answer:** No, they will not.	10/20/2026
Q212	**Question: Union Status** Are the custodians working on this contract members of a union? If so, which union? Please provide a CBA and seniority list for all locations if applicable. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/20/2026
Q213	**Question: Improvement Needs** Beyond meeting the technical requirements of the RFP, are there specific areas where the District would like to see measurable improvement under the new contract, for example, staffing consistency, quality control, communication, management responsiveness, inspections, or floor-care performance? **Answer:** The District is seeking proposals that fully meet the requirements of the RFP. Beyond compliance with the stated requirements, proposers are encouraged to demonstrate the value they can bring through their approach to staffing, quality assurance, communication, technology, training, innovation, responsiveness, and overall service delivery. The District is interested in understanding what differentiates each proposer and how their proposed solution will provide the highest level of service and value to the District.	10/20/2026

No	Question/Answer	Question Date
Q214	**Question: Weekly Frequency** Please confirm that all locations are cleaned Monday-Friday year round. If all sites are not cleaned year round, please specify which are serviced at different intervals, and any changes to the scope of work for these periods. **Answer:** Regular cleaning is expected five days per week, with additional ad hoc services for events. Services and facility readiness are required year-round, including breaks and summer periods; proposers are responsible for developing schedules and staffing that meet the RFP.	10/20/2026
Q215	**Question: Summer Restorative Services** Please provide a list of tasks and frequencies for "complete restorative services" for summer work as described in Exhibit C. **Answer:** Carpet extraction, high dusting, windows (in/out), hard surface/VCT surfaces require stripping and rewaxing (approx. 50% of sites), ceramic and porcelain grout cleaning.	10/20/2026
Q216	**Question: Summer Routine Services** Does the routine scope of work change during summer break? If so, please clarify the tasks provided during summer break. **Answer:** The District is not prescribing specific staffing levels, staffing schedules, or staffing models for school closures, fall break, winter break, spring break, professional development days, non-student attendance days, or other periods when students are not present. The Contractor is responsible for providing sufficient staffing, supervision, and resources to ensure that all facilities are maintained in accordance with the requirements, service standards, schedules, and performance expectations set forth in the RFP. Respondents should develop their own operational approach and staffing plan to meet those requirements. Regardless of the staffing model utilized, the Contractor shall be responsible for ensuring that facilities meet the cleanliness, appearance, and readiness standards required by the RFP. Respondents should incorporate these requirements into their proposed pricing and service approach.	10/20/2026
Q217	**Question: Current Day Porters** Please provide the current number of Day Porters and hours worked at each facility where day porter service is required. **Answer:** The District does not have custodial staff as full time employees so this information is not available. Prospective contractors will need to provide a staffing plan based on meeting APPA 2 standards and scope requirements. This will likely be different than historical data.	10/20/2026

No	Question/Answer	Question Date
Q218	**Question: Day Porter Requirements** Is day porting only required at the facilities with a line item for Day Porter on the price sheet? If no, please provide additional locations where Day Porters are required. **Answer:** For planning purposes, respondents should assume the following day porter coverage requirements: Middle Schools: One (1) contractor employee assigned as a day porter for an 8-hour daily shift. High Schools: Two (2) contractor employees assigned as day porters for 8-hour daily shifts. Day porter schedules are expected to be staggered to provide coverage throughout the operating day. The Contractor shall be responsible for developing specific schedules and staffing assignments that effectively meet the service requirements of the RFP and the operational needs of each facility.	10/20/2026
Q219	**Question: Enrollment Numbers** Please provide the most recent enrollment numbers per campus. **Answer:** This information is available on the District Website	10/20/2026
Q220	**Question: Badges for Employees** Are badges required for employees? If so, are they provided by the District or the contractor? Is the contractor responsible for the cost of employee badges? If yes, what is the cost? **Answer:** The District has not finalized employee badge requirements at this time. Badge requirements, issuance procedures, responsibilities, and any associated costs will be discussed and coordinated with the awarded contractor following contract award. Additional requirements, if any, will be communicated during implementation and transition planning.	10/20/2026
Q221	**Question: High Windows and Skylights** Please provide the annual schedule for high windows and skylights at each facility. **Answer:** At least annual	10/20/2026
Q222	**Question: Flooring Square Footage** Please provide a square footage breakdown of floor type per facility, including high and low traffic areas, so floor care can be calculated accurately. **Answer:** This information is not available	10/20/2026
Q223	**Question: Floor Work Frequency** Please provide hard surface flooring scheduled frequencies per facility, including buffing, scrubbing, refinsihing, and strip and wax. **Answer:** Annually in summer - Vinyl Composition Tile (VCT) only	10/20/2026
Q224	**Question: Provided Equipment** Please provide a list of all equipment provided at Elementary Schools as indicated in the RFP “6. Equipment and Consumables” on page 35. **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/20/2026

No	Question/Answer	Question Date
Q225	**Question: Snow Removal** Please provide all contract expectations for snow removal at each facility. If snow removal is required, please indicate if the contractor is responsible for any equipment or supplies for snow removal tasks. **Answer:** No. Snow removal, ice mitigation, sidewalk treatment, parking lot treatment, deicing, sanding, snow hauling, or any other winter-weather related services are not included in the scope of this RFP.	10/20/2026
Q226	**Question: APPA 2 Requirements** Do APPA Level 2 requirements apply to all facilities, including the facilities that do not house classrooms (i.e. Admin offices, Warehouses, etc.)? If not, please provide a list of the locations that receive another level of service, and the service expectations for those sites. **Answer:** Yes. APPA Level 2 service expectations apply to all facilities included in the RFP. For facilities that do not house classrooms, such as administrative offices and warehouse facilities, the APPA Level 2 expectations apply to the occupied spaces identified in Exhibit D, including office areas, restrooms, break rooms, and other designated occupied areas. Contractors are responsible for providing services necessary to maintain all applicable spaces at the required performance level in accordance with the RFP.	10/20/2026
Q227	**Question: Gross/Cleanable Square Footage** Is the square footage provided for each facility based on gross square footage or cleanable square footage? **Answer:** Gross square footage and cleanable square footage is not available.	10/20/2026
Q228	**Question: District Custodial Employees** Do District custodial employees under the current negotiated agreement with Local 1605 work alongside the employees from this contract? If yes, please provide the number of District custodial employees and labor tasks that are performed per facility. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District’s current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/20/2026
Q229	**Question: Window/Skylight Pricing** Should the cleaning of high windows and skylights be built into monthly pricing or can these services be billed separately? **Answer:** Yes. Cleaning of high windows, exterior windows, and skylights shall be included in the contractor’s proposed pricing and may not be billed separately. Proposers should incorporate all costs associated with these services into their annual pricing and prorate those costs across the twelve monthly contract payments.	10/20/2026
Q230	**Question: Event/Emergency Pricing** Are bidders to include special event and emergency support in the monthly pricing or are these services billed separately? If billed separately, would the District like bidders to include hourly rates in the pricing proposal? **Answer:** Billed separately - yes, itemized rates are desired.	10/20/2026

No	Question/Answer	Question Date
Q231	**Question: Mobile Units** Is the routine cleaning of all mobile units included in the current contract value? **Answer:** Provide your feedback on BizChat	10/20/2026
Q232	**Question: Roof Anchors** Do the high-rise buildings have existing roof anchor systems, davit arms, or permanent window-cleaning units installed, or will we be required to provide our own access equipment and rigging? **Answer:** The district doesn't have any "high rise" buildings	10/20/2026
Q233	**Question: Roof Water Access** Is water access available at the roof and/or subroof levels for window-cleaning operations? **Answer:** Generally yes	10/20/2026
Q234	**Question: Lifts for High Access** Will the customer provide boom lifts and/or scissor lifts, or will the contractor be responsible for renting and supplying this equipment? **Answer:** The Contractor is responsible for providing the equipment and resources necessary to perform the services	10/20/2026
Q235	**Question: Site Access for Window Cleaning** What is the site access process for window cleaning personnel and equipment (e.g., badging, security screening, escorts, scheduling requirements, etc.)? **Answer:** During summer and same security requirements	10/20/2026
Q236	**Question: Service Requests** How many special event and emergency support service requests were submitted to the current custodial contractor in the last year? **Answer:** This information is not available	10/20/2026
Q237	**Question: Equipment Requirements** The RFP states that elementary school locations provide equipment. Can the district provide a list of equipment at each location? **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/20/2026
Q238	**Question: Soap Dispensers & Trash Liners** Please provide a list soaps and liners that are currently being used by CCS. **Answer:** The District does not have historical annual usage, quantities, or size information for trash liners. Trash liners are currently furnished and managed by the District’s contracted custodial service provider, and the District does not separately purchase or track this information. Proposers are responsible for determining the types, sizes, and quantities of trash liners necessary to meet the requirements of RFP 27-007.	10/20/2026

No	Question/Answer	Question Date
Q239	**Question: Current Wages** Can the district provide the current wages for all levels of employees across the district or an average wage for all levels? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/20/2026
Q240	**Question: Sqft Clarity** Please confirm whether the square footage listed in Exhibit D represents gross building area or cleanable/serviceable area. If it is gross area, will CCSD provide cleanable square footage by site or clarify how areas excluded from custodial service should be identified for pricing and staffing? **Answer:** Gross square footage and cleanable square footage is not available.	10/20/2026
Q241	**Question: Section 1.2 – District-Provided Paper Products** Please identify the paper products the District will provide under the statement, "except District-provided equipment and paper products unless otherwise specified." **Answer:** The District provides paper towels and toilet paper	10/21/2026
Q242	**Question: Page 33, Section 5, Evaluation Criteria ative Weighting** Please provide a weighted value (percentage) for each value point shown below. Evaluation criteria "greatest overall value, operational capability and integration, industry leadership, innovative practices, risk mitigation, workforce stability, additional adjacent service capabilities, and long-term performance outcomes". **Answer:** The contract will be awarded based on Best Value. The District is not obligated to award to the lowest-cost proposer and intends to select the proposal offering the greatest overall value, operational capability and integration, industry leadership, innovative practices, risk mitigation, workforce stability, additional adjacent service capabilities, and long-term performance outcomes.	10/21/2026
Q243	**Question: Exhibit B, Section 6 – Existing Elementary School Equipment** Please provide a list of current equipment (make, model and year) or any future equipment CCSD will provide: "District generally provides equipment for all elementary schools". **Answer:** District owned equipment is generally in place at elementary schools. Middle schools, high schools, and other facilities would require contractor owned equipment.	10/21/2026
Q244	**Question: Exhibit C, Section 1 – Special-Event Requirements** Please provide a list of special events. How many of these events are evening? Weekend? "Special event support for activities such as graduation, athletic events, community events, board meetings, and emergency operations, etc." **Answer:** This information is not available	10/21/2026
Q245	**Question: Exhibit C, Section 1 – Current CMMS Platform** Please identify the District's current work-order/CMMS platform, including the system name and current version, if applicable. **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/21/2026

No	Question/Answer	Question Date
Q246	**Question: Exhibit C, Section 1 – CMMS Contractor Fees** Will the contractor incur any license, subscription, implementation, training, device, integration, or annual participation fees associated with the District's work-order/CMMS platform? If yes, please identify each required fee and the applicable amount. **Answer:** This information is not available	10/21/2026
Q247	**Question: Exhibit C, Section 1 – CMMS Administration Responsibilities** Will the District administer the CMMS, or will the awarded contractor be responsible for any portion of system administration? If the contractor will have administrative responsibilities, please describe those responsibilities. **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/21/2026
Q248	**Question: Exhibit C, Section 1 – Contractor CMMS Access** What level of CMMS system and data access will be provided to the awarded contractor to support required reporting and performance management? **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/21/2026
Q249	**Question: Exhibit C, Section 1 – CMMS Scope of Use** Will the CMMS be used to manage custodial service requests and event-support requests, or is its use limited to maintenance and other services? **Answer:** Operation Hero, minimum to receive and complete work orders, with a road map to complete full integration with the District. Will be outlined with the awarded contractor	10/21/2026
Q250	**Question: MSA Section 7.1.2 – Snow Closure Service History** During fiscal year 2026, how many days was the District closed because of snow or severe weather and custodial services were not provided? **Answer:** This information is not available	10/21/2026
Q251	**Question: MSA Section 7.1.3 – District-Recognized Holidays** Please provide the District's recognized holiday calendar applicable to this contract. **Answer:** The District's recognized holidays and other scheduled closures are identified in the applicable District calendars, which are publicly available on the CCSD website. Respondents are responsible for reviewing the calendars and incorporating any impacts on staffing, scheduling, and pricing into their proposals as appropriate.	10/21/2026
Q252	**Question: MSA Section 8.2 – Historical Payment Timing** Does CCSD historically pay the custodial vendor on 30 days or 15 days? **Answer:** MSA Section 8.2 establishes net-30 payment terms and permits a 2% discount for payment within 15 days.	10/21/2026

No	Question/Answer	Question Date
Q253	**Question: District-Employed Custodial Personnel** Does the District currently employ any custodial personnel or custodial supervisors on its payroll? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q254	**Question: District Custodial Staffing Levels** If the District currently employs custodial personnel or custodial supervisors, please provide the number of employees by position or classification. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q255	**Question: District Custodial Wage Rates** If the District currently employs custodial personnel or custodial supervisors, please provide the applicable wage rates or wage ranges by position or classification. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q256	**Question: Custodial Workforce – Union Representation** Are any current custodial employees or custodial supervisors represented by a union or covered by a collective bargaining agreement? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q257	**Question: Custodial Workforce – Union Identification** If current custodial employees or supervisors are represented by a union, please identify the applicable union or unions. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q258	**Question: Custodial Workforce – Collective Bargaining Agreement** If a collective bargaining agreement applies to the current custodial workforce, please identify the parties to the agreement and clarify whether the agreement is between the union and the District or between the union and the current custodial contractor. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026

No	Question/Answer	Question Date
Q259	**Question: Custodial Workforce – AFSCME Local 1605 Representation** Are the custodial employees the awarded contractor would obtain from the current business represented by AFSCME Local 1605? **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q260	**Question: Custodial Workforce – Applicable Collective Bargaining Agreement** If the custodial employees the awarded contractor would obtain are covered by a collective bargaining agreement, please provide a copy of the applicable agreement. **Answer:** The District does not currently employ full-time custodial personnel. Custodial staffing is provided by the District's current contracted service provider. Accordingly, the District does not have an intended employment or transition approach for custodial employees of the current contractor.	10/21/2026
Q261	**Question: Overland High School** Can you confirm whether the pool house is included in the total square footage for Overland High School? **Answer:** Additional square footage is approx. 34,804 (gross), 26,000 (net cleaning)	10/21/2026
Q262	**Question: Contract Changes in RFP** Has anything been added to this RFP that is not included in the current scope and contract with CCS? **Answer:** No. This RFP is a separate solicitation and should not be compared to, or interpreted based on, the current scope of work or contract with CCS. Proposers are responsible for preparing their responses based solely on the requirements, specifications, and scope described in this RFP.	10/21/2026
Q263	**Question: Budget Alignment** Is CCSD intending to stay within the same budget as the current contract? **Answer:** The District is developing its future budget based on the services and requirements outlined in this RFP and the resulting awarded contract. Proposers should prepare their proposals based solely on the requirements, specifications, and scope of work contained in this RFP, as proposals will be evaluated on responsiveness to those requirements.	10/21/2026
Q264	**Question: Storage for Supplies & Equipment** Is there storage available at each location or is there a central location for supplies and equipment? **Answer:** Each site has storage locations	10/21/2026
Q265	**Question: Number of Vehicles** How many vehicles does the current vendor use for custodial services? **Answer:** The District does not have the authority to disclose information regarding the incumbent contractor's business operations, staffing practices, subcontracting arrangements, subcontractors, or contractual relationships. Respondents should develop and submit their proposals based solely on the requirements, specifications, and expectations set forth in the RFP. Any subcontracting approach proposed by a respondent will be evaluated in accordance with the solicitation requirements.	10/21/2026

No	Question/Answer	Question Date
Q266	**Question: RFP Question** Regarding the request for the question of " Financial Stability", is this intended to request financial documents that reflect the respondent's ability to meet the financial demands of the project? **Answer:** Yes. The Financial Stability requirement is intended to request financial information and supporting documentation that demonstrates the respondent's ability to meet the financial obligations and operational demands of the project. This information will be used to assess the overall financial health, stability, and capacity of the company to successfully perform and sustain the required services throughout the contract term.	10/21/2026
