1.0 Overview

1.1 Issuing Office

This Request for Documented Quotes (DQ) is issued by the State of Colorado, Department of Natural Resources (Department or DNR), on behalf of Colorado Parks and Wildlife (CPW). All contact regarding this solicitation shall be directed to the Agency Buyer listed below:

Colorado Department of Natural Resources, Purchasing Office
Klay Tolleson
Email: klay.tolleson@state.co.us

Important: Email is the preferred method of communication. The individual listed above is the **sole point of contact** for this solicitation. Initiating contact with anyone other than this individual may result in Vendor quote disqualification.

1.2 Purpose

The purpose of this DQ is to obtain competitive quotes from qualified individuals and firms for removal of 6 existing heating units and replacement with electrical heating units for the native aquatic species facility, alongside necessary electrical infrastructure upgrades, dedicated circuit breaker installations, and the addition of a new high-efficiency space heater in the garage facility. The Native Aquatic Species Facility is located at 6655 CR 106 South, Alamosa, CO 81101.

The Department may award to a single or multiple vendors capable of fulfilling the Agency's project needs.

The Department reserves the right to add additional goods/services that would be seen as a natural extension of this procurement over the term of this award.

1.4 Pre Bid Meeting

Pre-bid meeting attendees will meet at the John W. Mumma Native Aquatic Species Restoration Facility located at **6655 CR 106 South, Alamosa, CO 81101** at the time specified in section 1.3 Mandatory Pre-Bid Meeting.

Please contact the Agency Buyer included in section 1.1 by the time listed in section 1.3 Registration for Mandatory Pre-Bid Meeting to register and obtain important meeting information.

Failure to attend the Pre-Bid Meeting will not relieve bidders from responsibility of properly estimating the difficulty or cost of successfully performing the work.

1.5 Written Inquiries

Prospective vendors may make written inquiries concerning the DQ1 to obtain clarification of requirements. No inquiries will be accepted after the date and time specified in the Schedule of Activities, “Questions Due”. Questions must be submitted in writing via email as an attachment or through the solicitation posting in VSS. When submitted by email, please use the solicitation number **DQ1 PMAA 2027*0176** in the subject line of your email and include your name, company name, address and contact information in the attachment. Questions sent via email must be sent to the Agency Buyer noted in Section 1.1.

An amendment will be posted on the Colorado Vendor Self-Service System in response to all questions submitted regarding the DQ.

1.6 Publication and Communication

This solicitation is on Colorado Vendor Self Service (“VSS”). Vendors are not required, but are encouraged to register on VSS in order to download DQ documents and

information. A vendor can register for no cost or update an existing account on the VSS site. Registration provides benefits of amendment and new solicitation notifications. Vendors registered with VSS that submit a proposal through VSS must verify that their VSS vendor account is active. Vendors with inactive or discontinued accounts must take steps to reactivate their account; an active VSS account is required for any offeror receiving an award at the end of the solicitation. Please use the following links for assistance in account registration and maintenance, including reactivating an existing account:

- VSS Vendor Registration
- VSS Account Maintenance

Vendors should monitor the amendment history in VSS for any updates or modifications. In the event that it becomes necessary to modify the DQ, the modification will be made in VSS. It is very important that offerors check VSS on a regular basis, as this is the sole method for communicating any modifications. Modifications included in amendments published on VSS take precedence over information in the DQ.

The VSS Help Desk is available Monday through Friday 8:00 a.m. to 5:00 p.m. MT and can be reached by emailing VSSHelp@state.co.us.

2.0 Submittal

In order to be considered responsive, quotations must be received by the Agency Buyer, identified in Section 1.1, before the Quote Submission Deadline shown in section 1.3 and include all submittal items outlined in this section 2.0.

Important: Late quotes will not be considered unless they are deemed acceptable per Procurement Rule R-24-103-201-10 as determined by the Procurement Official or their delegate.

Vendor Assistance: Any vendors needing support responding to solicitations may contact the Colorado Supplier Diversity Navigator in the Statewide Equity Office's Supplier Diversity program. Services provided include assistance with responding to solicitations, interpretation of solicitation documents, technical assistance referrals, availability of resources, construction assistance, and free business directory listings and verifications through the Colorado Supplier Diversity Directory. The office can be reached during normal business hours by calling 303-866-5765 or emailing DPA_SupplierDiversityHelp@state.co.us.

2.1 Submission Instructions

The following instructions must be followed in order for the Quote to be considered responsive.

Where to Submit: The Department of Natural Resources requests that quotations be submitted by using the **Vendor Self Service (VSS) System** or **Email. Hardcopy proposals will not be accepted.**

Email

Vendors shall submit Quotes via email to the Agency Buyer noted in Section 1.1. The Quote submission email should include the Subject line: "Quote submission: "**DQ1 PMAA 2027*0176**." Quotes should be included as one or more attachments of commonly accessible file types.

If you submit a quote via email, you will receive a response within 1 business day confirming receipt.

VSS

Vendors submitting using VSS must attach their quote in VSS. Please be aware that the maximum individual attachment size for VSS documents is 20MB. Quotes may need to be separated into parts in order to accommodate lengthy responses or attachments.

2.2 Submission Criteria

The following criteria in this section must be included as part of the Offeror proposal in order to be considered responsive.

Submission Form (pages 18-22)

The Submission Form must be completed and submitted with accurate information to be considered a responsive quote. Supporting documents may be submitted alongside the Submission Form to support the information provided. Submitting an incomplete or inaccurate submission form could lead to quote disqualification. The following information is requested in the submission form:

- **Vendor Information**
  Complete the vendor information section with the most accurate and up-to-date information.

- **Mandatory Questionnaire**
  Complete the entire questionnaire accurately.

- **Commodity Specifications**
  Provide the brand and details of the heater your organization would procure for install.

- **Recent Clients**
  Provide no more than 3 clients for whom the same or similar services have been provided in the past year and a brief summary of the work completed for each client. Include a reference for each listed client.

- **Project Personnel**
  Provide the personnel who will complete the work, including any partner firms and/or subcontractors, if applicable. Provide a resume or summary of experience for each personnel as supporting documentation and include the total years of related experience.

- **Project Timeline**
  Provide when work can start for the requested services based on the “Estimated Project Start Date” included in section 1.3 Schedule of Activities. Provide an estimated project duration for completing the requested services.

- **Warranty Details**
  Provide the warranty that would apply to this project. Include length of time warranty applies. Include any supporting documentation to support the provided warranty details.

- **Price**
  Provide the project lump sum price on the Submission Form (pages 18-22). An official quote generated by the vendor can be provided as supporting documentation, but is not required.

Note: Contractors that have received a below standard performance rating with the State of Colorado will not be considered for work.

3.0 Evaluation and Award

3.1 Evaluation Process and Award

The State will evaluate quotes to determine if each Vendor meets all mandatory qualification requirements; provided, however, that the State has the authority to waive non-material mandatory requirements in certain circumstances. Reference Procurement Rule R-24-103-301-03. The mandatory qualification requirements are scored on a Met/Not Met basis and only those proposals found to meet all mandatory requirements, other than non-material mandatory requirements waived by the State, can be considered for a Contract resulting from this solicitation.

An evaluation will be made by the delegated buyer and/or other such evaluators as may be appointed by the Delegated Buyer to judge the acceptability of quotations received. The relative value of competing responses will be compared.

The choice of vendor/contractor will be based on which quote will be most advantageous to the State of Colorado, price and other factors considered. All quotes will receive fair and equal treatment.

The Delegated Buyer may negotiate with any vendor/contractor to clarify its quote or to effect modifications that will: make the quote more acceptable or make the quote more advantageous to the state. However, in the negotiation process, the terms of one vendor's/contractor's quote shall not be revealed to a competing vendor/contractor, and quotes may be kept confidential until a commitment voucher is issued.

DNR reserves the right to reject all quotes and re-solicit at any time prior to award of the DQ. DNR reserves the right to cancel this quote in its entirety at any time without penalty. All prices and notations shall be printed in ink or type written on the quote documents. Illegible quotes or writing shall be deemed non-responsive and will not be evaluated. A quote with missing or inconsistent information may be considered non-responsive and may not be evaluated. Do not qualify your quote nor alter the quote format. DNR will be the sole judge in determining the acceptability of an offer. DNR also reserves the right to reject any or all quotes in part or in whole and to waive technicalities as allowed in the Procurement Code and Rules.

3.2 Submission Criteria

The following criteria in this section must be included as part of the Offeror proposal in order to be considered responsive.

Submission Form (pages 18-22)

The information in the submission form will be evaluated as follows:

- **Vendor Information**
  Vendor information will not be evaluated, but is required for the quote to be considered responsive.

- **Mandatory Questionnaire**
  Responses to the Mandatory Questionnaire will not be evaluated, but a completed questionnaire is required for the quote to be considered responsive.

- **Commodity Specifications**
  Commodity specifications will be evaluated on a pass/fail basis. A pass score will be issued if the heaters proposed to be installed meet CPW's requirements (See Exhibit A, Scope of Work linked in the Document Overview on page 2).

- **Recent Clients**
  Recent clients will be evaluated on a pass/fail basis. A pass score will be issued if sufficient clients are provided and the work complete for those clients is similar in nature to this project. References must be provided to be considered responsive.

  CPW may reach out to references anytime following the submission deadline.

- **Project Personnel**
  The provided personnel will be evaluated based on whether sufficient personnel will be provided to complete work and whether the personnel has the needed experience and ability to effectively complete the work.

- **Project Timeline**
  Project timeline will be evaluated to determine if the vendor can begin the project as close to the Estimated Project Start Date as possible and whether the project can be completed efficiently.

- **Warranty Details**
  Warranty details will be evaluated on best value and what is most advantageous to the State.

- **Price**
  Price will be evaluated on best value and what is most advantageous to the State.

4.0 Contract Information

4.1 Award Document

A Purchase Order will be issued to the awarded vendor. The Purchase Order will include all documents associated with the quote including this Request for Documented Quotation, the vendor's response, and the Colorado Purchase Order Terms and Conditions, which are linked to this solicitation in the Document Overview on page 2.

4.2 Project Duration

The project will not begin until all CPW contracting agreements have been executed. The project start date, duration and completion date will be finalized with the awarded contractor based on the submitted quote and CPW's needs.

4.3 Measurement and Payment

Measurement and payment for the project will be based on specific tasks and items outlined in the formal contract. Payment will be made upon completion of the project as a lump sum, as invoiced and approved by the Project Manager.

4.4 Insurance Requirements

Except as otherwise specifically stated in this PO, Vendor shall obtain and maintain insurance as specified in this section at all times during the term of this PO:

A. Workers' compensation insurance as required by state statute, and employers' liability insurance covering all Vendor employees acting within the course and scope of their employment;
B. Commercial general liability insurance written on an Insurance Services Office occurrence form, covering premises operations, fire damage, independent contractors, products and completed operations, blanket contractual liability, personal injury, and advertising liability with minimum limits as follows: $1,000,000 each occurrence; $1,000,000 general aggregate; $1,000,000 products and completed operations aggregate; and $50,000 any one fire; and
C. Automobile liability insurance covering any auto (including owned, hired and non-owned autos) with a minimum limit of $1,000,000 each accident combined single limit. If Vendor will or may have access to any protected information, then Vendor shall also obtain and maintain insurance covering loss and disclosure of protected information and claims based on alleged violations of privacy right through improper use and disclosure of protected information with limits of $1,000,000 each occurrence and $1,000,000 general aggregate at all times during the term of this PO.

Additional insurance may be required as provided elsewhere in this PO. All insurance policies required by this PO shall be issued by insurance companies with an AM Best rating of A-VIII or better. This insurance requirement shall not apply if this PO is solely for goods, as determined by the State, unless specifically stated otherwise in this PO or any attachment or exhibit to this PO. If Vendor is a public agency within the meaning of the Colorado Governmental Immunity Act, then this section shall not apply and Vendor shall instead comply with the Colorado Governmental Immunity Act. The State shall be named as additional insured on all commercial general liability policies required of Vendor. All insurance policies secured or maintained by Vendor in relation to this Purchase Order shall include clauses stating that each carrier shall waive all rights of recovery under subrogation or otherwise against Vendor or the State, its agencies, institutions, organizations, officers, agents, employees, and volunteers.

Reference section 21 of the State of Colorado Purchase Order Terms and Conditions for applicable insurance requirements.

5.0 Administrative Information

5.1 Cooperative Purchasing

In accordance with §24-110-201, C.R.S., and all applicable regulations, the award(s) under this solicitation will be for one or more cooperative purchasing agreements available for use by the contracting state agency, other state agencies, state institutions of higher education, political subdivisions (e.g., cities, counties, schools) and eligible non-profit entities (certified pursuant to §24-110-207.5 C.R.S.) under the terms, conditions and rates set forth in the Contract. Each agency or entity ordering goods or services under the Contract will be responsible for all costs and expenses incurred in connection with its orders.

5.2 Solicitation Cancelation/Rejection of Offeror Bid(s)

In accordance with §24-103-301, C.R.S., and the related Procurement Rules, the State may cancel this solicitation, or any and all bids may be rejected in whole or in part, without penalty, at any time before a Contract is executed, when it is in the best interest of the State. The reason and documentation supporting the decision to cancel the solicitation or reject bid(s) shall remain confidential for the lesser of six months or until a Contract(s) is awarded by the State. Reference Procurement Rule R-24-101-401-05. If the solicitation is canceled after bids are received, the bids that have been opened shall be retained in the procurement record, or if unopened, they will be disposed of, or returned to the Offerors upon request, at the Offerors' expense.

5.3 Modifications or Withdrawal of Bids

An Offeror may modify or withdraw its bid by written notice to the Agency Buyer prior to the established bid submission deadline. Withdrawal of an Offeror's bid following the bid submission deadline and prior to award, may be allowed, in the State's discretion. Withdrawal of an Offeror's bid after award is not allowed. Reference Procurement Rules R-24-103-201-08 and R-24-103-201-09.

5.4 Mistakes And Minor Informalities In Offeror Bids

In certain circumstances, an Offeror may correct a mistake(s) in its bid and/or the State may waive minor informalities. Reference Procurement Rule R-24-103-201-08.

5.5 News Releases and Announcements

Offerors shall not issue any news releases, communications or announcements of any kind pertaining to this solicitation, without prior written approval by the State.

5.6 Not a Legally Binding Offer

Neither this solicitation nor a Vendor's Quote submitted in response to this solicitation constitute a legally binding offer. Reference Procurement Rule R- 24-103-204-01(b).

5.7 Certification of Independent Price Determination

By its signature on the cover page, the Offeror certifies that the prices and other terms in the bid have been arrived at independently without any consultation, communication, agreement with, or knowledge of the contents of the bid by any other competing Offerors. For purposes of this paragraph, "consultation, communication, agreement with, or knowledge" does not include knowledge of prices or terms gained through availability of established price lists or catalogs made available to the public by the competing Offerors. No attempt has been made or will be made by the Offeror to induce any other person or firm to submit or not to submit a bid for restricting competition. Reference §6-4-101, C.R.S., et seq., (Colorado Antitrust Act of 1992) as amended.

5.8 Bid Response Material Ownership

All material submitted in response to this solicitation becomes the property of the State.

5.9 Request for Confidential/Proprietary Classification

The State neither requests nor encourages the submission of confidential or proprietary information in response to this DQ. Information submitted will be open for public inspection upon completion of the DQ process and award of contract. Should an Offeror want the State to treat certain information as confidential or proprietary, the Offeror shall

submit a written request, as part of its DQ package, to the Agency Buyer noted in Section 1.1 with their proposal documents, provided that the submission is in strict accordance with the procedures listed below. Adherence to these procedures remains the sole responsibility of the Offeror. The written request for confidentiality or proprietary classification will be reviewed and either approved or denied by the DNR Purchasing Director or their delegate. If denied, the Offeror will have the opportunity to withdraw its entire proposal, or to remove the proprietary restrictions.

Neither cost nor pricing information nor a total proposal will be considered proprietary.

5.9.1 Procedures for Submission of Confidential or Proprietary Information

A. Written request for confidentiality/proprietary classification shall be submitted, by the offeror, with the proposal documents.
B. One proposal without redacted confidential information must be provided **as well as** a second proposal with the confidential information redacted so the proposal may be distributed publicly as required by the Colorado Open Records Act.
C. The written request will be enclosed in a separate document marked "**Request For Confidentiality/Proprietary Classification**"
D. The written request must state specifically, and identify by page and/or section number, what elements of the proposal are to remain confidential. The request must also identify the basis for the claim of confidentiality and/or proprietary classification, other than a recitation of a specific State or Federal statute.
E. The DNR Purchasing Director or their delegate will make a written determination as to the apparent validity of any request for confidentiality and/or proprietary classification. This written determination will be sent to the offeror.
F. Proposals not following this procedure may be declared non-responsive by the DNR Purchasing Director or their delegate and given no further consideration.

In no event shall an entire bid be classified as confidential. The Procurement Official or his or her designee shall determine if the information identified in the Offeror's request is exempt from disclosure in accordance with §24-72-204, C.R.S., and shall inform the Offeror in writing of his or her determination. If the Offeror does not agree with the determination, the Offeror may protest the determination in accordance with article 109 of the Colorado Procurement Code and the terms of this solicitation. Reference Procurement Rule R-24-101-401-03.

Any additional Offeror information, which may be part of the evaluation/negotiation process and for which an Offeror claims confidentiality, is subject to the same requirements and processes identified above.

5.11 Conflicts of Interest/Ethics

The Offeror must disclose in its bid any potential or actual conflict of interest in connection with a response to this solicitation. A conflict of interest may include, but is not limited to, access to any non-public information by the Offeror regarding the solicitation or its subject matter.

The Offeror acknowledges that even the appearance of a conflict of interest may be harmful to the State's interests. The Offeror shall disclose in its bid whether there currently is, or potentially could be, the appearance of a conflict of interest regarding this solicitation, its staff, any proposed subcontractors or partners, or any related business with the State.

Requirements set forth in this Section are continuing requirements throughout the solicitation process and, for the awarded Offeror, the Contract term, including any extensions. Reference §24-18-201, C.R.S., et seq. (Proscribed Acts Related to Contracts and Claims); §24-50-507, C.R.S.(Conflict of Interest); §18-8-301, C.R.S., et seq. (Bribery and Corrupt Influence); §18-8-401, C.R.S., et seq. (Abuse of Public Office); §6-4-101, C.R.S., et seq., (Colorado Antitrust Act of 1992); §24-109-105, C.R.S .(Debarment and Suspension); and Procurement Rule R-24-101-107-01 (Ethics).

5.12 Protested Solicitations and Awards

An aggrieved party may file a protest concerning a material issue(s), at any phase of solicitation, including but not limited to, specifications, award or a disclosure of information marked confidential in the bid. The protest shall be submitted to the DNR Procurement Official within three (3) business days after such aggrieved person knows, or should have known, of the facts giving rise thereto. Reference §24-109-102, C.R.S., as amended, and Procurement Rule R-24-109-102-01, et seq.

5.13 Performance Outside Of Colorado

Following the Effective Date, Contractor shall provide written notice to the State, within 20 days following the earlier to occur of Contractor's decision to perform, or its execution of an agreement with a Subcontractor to perform, Services outside the State of Colorado and/or the United States. Such notice shall specify the type of Services to be performed outside the State of Colorado and/or the United States and the reason why it is necessary or advantageous to perform such Services at such location or

locations. All notices received by the State pursuant to this requirement shall be posted on the Colorado Department of Personnel & Administration's website. Knowing failure by the Contractor to provide notice to the State shall constitute a material breach of the Contract.

5.14 Former Employees

C.R.S. 24-18-201: A former classified employee may not within 6 months of termination of employment, contract or be employed by a contractor of the State. If an employee does return after 6 months, they cannot work in the same or similar role.

5.15 Preferences

5.8.1 Resident Bidder Preference (see §24-103-908 C.R.S., et seq.)

If a nonresident bidder is from a state that provides a bidding preference to bidders from that state, then a comparable percentage disadvantage will be applied to the bid of that nonresident bidder. Follow this link to view the State Preference Repository: https://www.naspo.org/research-and-innovation/state-preference-repository/

A resident bidder is authorized to transact business in the State of Colorado, maintains a place of business in Colorado and pays unemployment compensation taxes.

5.8.2 Service Disabled Veteran Owned Small Businesses ("SDVOSBs")

SDVOSB Offerors must submit documentation of certification issued through the U.S. Small Business Administration in their proposal. §24-103-905 C.R.S. sets a SDVOSB goal of at least 3% of all contracts by dollar value be awarded to SDVOSBs who must be incorporated or organized in Colorado or they must maintain a place of business or have an office in Colorado and must be officially registered and verified as a SDVOSB by the United States Small Business Administration.

5.15.1. Low Tie Bids (See §24-103-902, C.R.S., et seq.)

If two or more responsible, responsive bids are tied as the lowest bids, the State shall follow the procedures as described in §24-103-902, C.R.S., et seq., which provide a preference to resident bidders.

5.15.2 Environmentally Preferable Purchasing (See §24-103-904, C.R.S., et seq.)

Offerors responding to this solicitation may seek to qualify for the preference and governmental bodies conducting this solicitation shall award a contract to a

bidder who offers environmentally preferable products subject to the conditions in the Code and Procurement Rules.

5.15.3 Preference For State Agricultural Products (See §24-103-907 C.R.S., et seq.)

In a solicitation for agricultural products, the State shall provide a preference to a resident bidder as described in §24-103-907 C.R.S., et seq

.

5.15.4 Recycled Plastics Preference (See §24-103-909 C.R.S., et seq.)

A bidder who has used recycled plastics in the manufacture of the commodity or supplies described in this bid shall be allowed a preference of up to five percent for finished products that contain no less than ten percent recycled plastics.

If it is determined by the State that compliance with this section may cause denial of federal moneys which would otherwise be available or would otherwise be inconsistent with requirements of federal law, this section shall be suspended, but only to the extent necessary to prevent denial of the moneys or to eliminate the inconsistency with federal requirements.

5.16 ACH/EFT Payments

Vendors are highly encouraged to consider signing up for ACH/EFT payments. ACH/EFT payments provide the advantage of ensuring quick and secure payments for the goods and services that vendors provide to the State. ACH/EFT payments help avoid the unnecessary, and sometimes inevitable delays in mail, and the possibility of lost warrants which will further delay vendor payment. DNR's goal is to pay vendors as soon as possible - signing up for the ACH/EFT is an important step in making this happen. For additional information about signing up for ACH/EFT payments please contact the Agency Buyer listed in Section 1.1.

5.17 Accessibility Requirements

All work performed as a result of this solicitation must comply with all applicable provisions of §§24-85-101, C.R.S., et seq., and the Accessibility Standards for Individuals with a Disability, as established by the Office Of Information Technology pursuant to Section §24-85-103 (2.5), C.R.S. and 3) all State of Colorado technology standards related to technology accessibility and with Level AA of the most current version of the Web Content Accessibility Guidelines (WCAG), incorporated in the State of Colorado technology standards.
