Q6	**Question: General Contractor Licensing** Reference: Section 3.1, Page 10 The RFQ references a General Contractor license issued by the State of Colorado Contractors State License Board. As Colorado generally administers general contractor licensing at the municipal or local jurisdiction level, please confirm whether a current municipal General Contractor license satisfies this requirement. **Answer:** Preferred- Class B General Contractor's License- Passing Test from ICC F12 min or Licensed in Colorado Jurisdiction where you have tested -IBC and IRC. Class A General Contractor's License will be considered. Passing test ICC F11 min or Licensed in a Colorado Jurisdiction where you have tested IBC Only.	11/03/2026
Q7	**Question: Statement of Qualifications Page Limit** Reference: Section 7, Page 8 The RFQ identifies a maximum submission length of "twenty-five (30)" pages. Please confirm whether the maximum is 25 or 30 pages, excluding required City forms, resumes, and title pages. **Answer:** See Correction on Addendum No 1 Cover Page	11/03/2026
Q8	**Question: Section 2.2: Scope of Work and Section 3.2: Experience** Just to clarify, in section 3.2, it says we need to submit "...two (2) projects within the past five (5) years in the category of work being submitted for." Are we able to submit for all 5 categories of work in one proposal? **Answer:** Yes, you may submit for all 5 categories of work in one proposal. You need a minimum of two reference projects in each category.	11/05/2026
Q9	**Question: Section 7.3** In section 7.3, it says to "Provide a minimum of five (2)...within the past seven (5) years." Should we use the written numbers or the numbers in parentheses? **Answer:** See Correction on Addendum No 1 Cover Page	11/05/2026
Q10	**Question: Response Times** Response Times: Does the City have established response-time requirements for routine service requests, urgent repairs, or emergency situations? If so, what are the expected acknowledgment, mobilization, and on-site response times? **Answer:** We do not have established response time requirements.	11/05/2026
Q11	**Question: Emergency and After-Hours Coverage** Are awarded contractors required to maintain 24/7 availability, including evenings, weekends, and holidays? Or are emergency and after-hours assignments offered based on contractor availability? **Answer:** Awarded Contractors are not required to maintain 24/7 availability. These assignments will be based on contractor availability.	11/05/2026

No	Question/Answer	Question Date
Q12	**Question: Task Order Participation** As part of the pre-qualified contractor pool, may awarded contractors review individual task order requests and decline to submit a proposal based on scope, scheduling, capacity, or resource availability without negatively affecting their contract standing? **Answer:** Yes, contractors may decline to bid on a task proposal request.	11/05/2026
Q13	**Question: Work Allocation:** Will individual task orders generally be competitively solicited among the qualified contractor pool, or will certain assignments be issued directly to selected contractors? **Answer:** Task orders over $49,999.00 must be bid to the eligible pool. Tasks under $49,999.99 will be awarded based on contractors size, availability and skills. The City may choose to obtain quotes for all projects regardless of cost estimate.	11/05/2026
Q14	**Question: Scope of Services:** Are contractors expected to demonstrate capabilities across all categories listed in Section 2.2, or may firms qualify for specific categories of work aligned with their experience, licensing, and subcontractor capabilities? **Answer:** Contractors are expected to be able to complete all categories. If this requires assistance from sub-contractors to complete certain task that is acceptable.	11/05/2026
Q15	**Question: Pricing for Urgent Work** Will the City permit separate rates for emergency mobilization, after-hours labor, and expedited services, or must these costs be incorporated into the standard rate sheets? **Answer:** Include these costs on your rate sheets.	11/05/2026
Q16	**Question: Page Count** On page 8, Section 7, the page count shows a discrepancy: "twenty-five (30) pages." Can the City of Arvada please clarify the actual page count limit for contractor qualification submissions? **Answer:** See Correction on Addendum No 1 Cover Page	11/05/2026
Q17	**Question: Project Experience** On page 8, Section 7.3, the RFP references "five (2) project references" and “seven (5) years” of prior experience. Please clarify whether the intended requirement is a minimum of two or five projects, and whether it is within five or seven years. **Answer:** See Correction on Addendum No 1 Cover Page	11/05/2026

Q18	**Question: Request for Clarification** **RFQ 26-FAC-055 — On-Call General Contractor Services** **Construction Business Consulting, LLC** Please clarify these five items: **1. Page limit — Page 8, Section 7** The instructions state “twenty-five (30) pages.” Is the limit 25 or 30 pages, excluding City forms, resumes, and title pages? **2. Required references — Page 8, Section 7.3** The instructions state “minimum of five (2)” references. Are two or five required? May the two qualifying projects under Section 3.2 count toward this minimum? **3. Experience period — Pages 8 and 11** Section 7.3 states “seven (5) years,” while Section 3.2 specifies five years. Must all references be within five years, or may additional references extend back seven years? **4. Contractor licensing — Pages 8 and 10** Please clarify the reference to a “State of Colorado Contractors State License Board.” Will current Colorado city or county general contractor licenses satisfy the submission requirement? Which Arvada license classification is required, and must it be obtained before submission, award, or project performance? **5. Task-order value — Page 9, Section 1.3** Does “$450,000.00 per year” apply to each task order, each contractor’s annual assignments, or the entire contractor pool? Is this an estimate or a firm ceiling, and may larger task orders be issued? **City responses:** Pending official clarification. Thank you for addressing these questions through BidNet or an official addendum. **Answer:** See Correction on Addendum No 1 Cover Page. Yes, the two qualifying projects under section 3.2 can count toward this minimum. Additional references can extend back seven years. Preferred- Class B General Contractor's License- Passing Test from ICC F12 min or Licensed in Colorado Jurisdiction where you have tested -IBC and IRC. Class A General Contractor's License will be considered. Passing test ICC F11 min or Licensed in a Colorado Jurisdiction where you have tested IBC Only. Each awarded contractor has a not to exceed limit of per year of $450k. This amount is not guaranteed but is available if needed for services in a single year. Projects over the not to exceed amount of $450k would not be awarded to on-call contracts.	11/05/2026
