PURPOSE OF THIS BID:

Arapahoe County is seeking qualified contractors to provide interior wall renovation services at designated County facilities. The project includes the removal of existing, deteriorating wallpaper, drywall repair and replacement as needed, and the application of durable, high-quality paint finishes to restore the appearance and structural integrity of interior wall surfaces.

APPLICABILITY. These General Terms and Conditions apply, but are not limited, to all bids, offers, proposals, qualifications, and quotations (hereinafter referred to as "Responses") made to Arapahoe County (hereinafter referred to as "County") by all prospective responders (herein after referred to as "Contractors") in response, but not limited, to Requests for Bids, Requests for Proposals, Requests for Qualifications, and Requests for Quotations (hereinafter referred to as "Solicitations").

GENERAL TERMS AND CONDITIONS. Contractors are required to submit their Responses in accordance with the following expressed conditions:

1. Contractors shall make all investigations necessary to thoroughly inform themselves regarding the facilities affected by the delivery of materials, equipment, and services. No plea of ignorance by the Contractor of conditions that exist or that may hereafter exist as a result of failure to fulfill the requirements of the contract documents will be accepted as the basis for varying the requirements or the compensation to the Contractor. The County will not be responsible for any expenses incurred by any Contractor in preparing and submitting its Response.

2. Contractors are advised that all County contracts are subject to all legal requirements contained in County Rules and Policies and Colorado State and Federal Statutes. When conflicts between this Solicitation and these legal documents occur, the highest authority shall prevail.

3. Successful Contractors shall be familiar and comply with all local, state, and federal directives, ordinances, rules, orders, and laws applicable to, and affected by, any awarded agreement.

4. Venue. Colorado law, rules, and regulations shall be applied in the interpretation, execution, and enforcement of this Solicitation and any awarded Agreement. Any provision included or incorporated herein by reference which conflicts with said laws, rules, and regulations shall be null and void. All suits or actions related to this Solicitation and any awarded Agreement shall be filed and proceedings held in the State of Colorado and exclusive venue shall be in Arapahoe County.

5. Variations and Exceptions. Contractors are required to state exactly what they intend to furnish to the County via this Solicitation and must indicate any variances to the terms, conditions, and specifications of this Solicitation no matter how slight in a separate electronic file submitted with the Response before the solicitation submission deadline. If variations are not stated in a file submitted before the solicitation deadline, it shall be construed that the Contractor's Response fully complies with all conditions identified in this Solicitation. Contractors who qualify their Responses by requiring alternate contractual terms and conditions must include such alternate terms and conditions in their Offers. The County reserves the right to declare Contractors' Responses as non-responsive if any of these alternate terms and conditions are in conflict with the County's terms and conditions, or if they are not in the best interests of the County.

6. Non-appropriation. Financial obligations of the County payable after the current fiscal year are contingent on funds for that purpose being appropriated or otherwise made available by the Arapahoe Board of County Commissioners. The County's obligations under any awarded Agreement shall be from year to year only and shall not constitute a multiple-fiscal year direct or indirect debt or other financial obligation of the County within the meaning of Article X, Section 20 of the Colorado Constitution (TABOR) pursuant to C.R.S.§ 29-1-110. The awarded agreement will automatically terminate on January 1st of the first fiscal year for which funds are not appropriated. The County shall give the Contractor written notice of such non-appropriation.

7. Protection of Personal Identifying Information. In the event any awarded Agreement includes or requires the County to disclose to Contractor any Personal Identifying Information as defined in C.R.S. § 24-73-101, Contractor shall comply with the applicable requirements of C.R.S. §§ 24-73-101, et seq., relating to third-party service providers.

8. No indemnification by Arapahoe County. The County is prohibited under Article XI, Section 1 of the Colorado Constitution from indemnifying anyone. Any term included in any awarded Agreement that requires the County to indemnify or hold Contractor harmless; requires the County to agree to binding arbitration; limits Contractor's liability for damages resulting from death, bodily injury, or damage to tangible property shall be void ab initio. Any term included in any awarded Agreement that limits Contractor's liability that is not void under this section shall apply only in excess of any insurance to be maintained under any awarded Agreement, and no insurance policy shall be interpreted as being subject to any limitations of liability of any awarded Agreement.

9. Indemnification. Contractor shall indemnify and hold harmless the County and its elected and appointed officials, officers, employees, agents, and assignees (the "Indemnified Parties") as required under any awarded Agreement. Contractor's obligation to indemnify, and to provide any extended insurance coverage where applicable, shall survive the completion of the scope of services, and shall survive the termination of any awarded agreement.

a. Confidential Information Indemnification. Disclosure or use of any County confidential information by Contractor may be cause for legal action by third parties against Contractor, the County, or their respective agents. Contractor shall indemnify, defend, and hold harmless the Indemnified Parties as required under any awarded agreement.

b. Intellectual Property Indemnification. Contractor shall indemnify, save, and hold harmless the Indemnified Parties in relation to any claim that any deliverable, good or service, software, or work provided by Contractor under any awarded Agreement (collectively, "IP Deliverables"), or the use thereof, infringes a patent, copyright, trademark, trade secret, or any other intellectual property right as required under any awarded Agreement. Contractor's obligations shall not extend to the combination of any IP Deliverables provided by Contractor with any other product, system, or method, unless the other product, system, or method is (a) provided by Contractor or Contractor's subsidiaries or affiliates; (b) specified by Contractor to work with the IP Deliverables; (c) reasonably required in order to use the IP Deliverables in its intended manner and the infringement could not have been avoided by substituting another reasonably available product, system, or method capable of performing the same function; or (d) is reasonably expected to be used in combination with the IP Deliverables.

10. Confidential information. Contractors may designate specific pages or sections within their submission as trade secret or confidential commercial information or as otherwise protected by law ("Confidential Information"). Documents and data that are considered Confidential Information shall be clearly marked as such and separated from the rest of the Solicitation submission documents. Comingling is not acceptable. The County does not favor blanket assertions of Confidential Information. Please note that blanket assertions that merely classify and/or broadly claim information is confidential are insufficient as a matter of law. Any information that will be included in any resulting awarded agreement cannot be considered Confidential Information. Under no circumstances may submission pricing information be considered Confidential Information. In the event a formal agreement is entered into with the County and a portion of the Response carries a designation indicating the Contractor believes it is Confidential Information, then the County agrees that it will use its best efforts to forward any request for the disclosure of the Confidential Information to the Contractor. By submission of its /Response, Contractor agrees to promptly respond to the request for disclosure with any objections and reasons therefor in accordance with the Colorado Open Records Act 6 C.R.S. §§24-72-101 et seq. and any other applicable law. Further, Contractor agrees to assume the obligation to defend, hold harmless, and indemnify the Indemnified Parties in any legal proceeding that arises from non-disclosure of documents or data pursuant to the Contractor's objection.

11. Arapahoe County intends and expects that the contracting processes of the County and its Contractors provide equal opportunity without regard to disability, race, creed, color, sex, religion, sex, sexual orientation, religion, age, national origin, ancestry, or any other characteristic protected by law. Accordingly, the Contractor and their sub-contractors shall not discriminate on any of the foregoing grounds in the performance of any awarded agreement.

12. Governmental Immunity. Liability for claims for injuries to persons or property arising from the negligence of Arapahoe County, its departments, boards, commissions, committees, bureaus, offices, employees, and officials shall be governed by the provisions of the Colorado Governmental Immunity Act, §§24-10-101, et seq., C.R.S. (CGIA). No term or condition of the Agreement shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions

contained in the CGIA.

13. Tax exempt. Contractors shall not include federal, state, or local excise or sales taxes in prices offered, as the County is exempt from payment of such taxes. Materials purchased directly by the Contractor in conjunction with this contract will, however, be subject to applicable state and local sales taxes. The Contractor shall bear these taxes. Under no circumstances shall Contractor be authorized to use the County's tax exemption number in acquiring such materials.

The County shall not be liable for the payment of any excise, sales, or use taxes. Arapahoe County is exempt from federal excise taxes under I.R.C. Chapter 32 (26 U.S.C., Subtitle D, Ch. 32) and from State and local government sales and use taxes under §§39-26-704(1), et seq.

14. Independent Contractor. Contractor shall be considered an independent contractor. An independent contractor is not entitled to worker's compensation benefits and will be obligated to pay federal and state income tax on any monies earned pursuant to the contract relationship. Notwithstanding any provision appearing in any awarded agreement, all personnel assigned by the Contractor to provide services under the terms of such agreement shall be and remain at all times employees of the Contractor or employees of their respective employers for all purposes. The County may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable.

15. By submitting its Response, Contractor warrants and certifies that he/she is eligible to submit a Response because he/she is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a transaction by any Federal, State, or local department or agency.

16. The County logo is trademarked and property solely of Arapahoe County. Contractors do not have permission to use the County logo on any documentation or presentation materials and to do so would be a violation of the trademark. It is also preferred that your company does not utilize its trademark as to not influence an evaluator's evaluation.

17. Failure to Perform**.** The County may, by written notice to the successful Contractor, terminate any awarded agreement if the Contractor has been found to have failed to perform its service in a manner satisfactory to the County as per specifications, including delivery as specified. The date of termination shall be stated in the notice. The County shall be the sole judge of non-performance.

18. Rejection of Offers. The County may, at its sole discretion reject any and all, or parts of any or all, Offers submitted by prospective Contractors including, but not limited to, the following conditions:

Prohibited communications initiated by a Contractor shall be grounds for eliminating the offending Contractor from consideration for award.
- An Offer may not be accepted from, nor any contract be awarded to, any person or firm which is in arrears to the County upon any debt or contract or which is a defaulter as surety or otherwise upon any obligation to the County.
- An Offer may not be accepted from, nor any contract awarded to, any person or firm which has failed to faithfully perform any previous contract with the County, state, or federal government, for a minimum period of three years after that previous contract was terminated for cause.

The selected Contractor shall provide all labor, materials, equipment, supervision, and protective measures necessary to complete the project, including removal of existing wallpaper and adhesive residue, surface preparation, drywall patching and replacement as needed, and application of multiple coats of interior paint.

- Skim-coating damaged substrate areas to ensure uniform texture prior to priming.

Task 3: Interior Painting (Primer & Topcoats)

- Surface priming with high-adhesion stain-blocking primer suitable for newly repaired drywall.
