Insurance coverage by bid: check before signing (2026-11-13)

For Luke, before he buys the Brown Bison policy today (Fri 2026-11-13). Every limit below is quoted from the bid's own documents; the page refs are in the last column of the matrix. Nothing here is a quote or price, and nothing here says a policy is in force. On almost every bid, proof of insurance is due **at award or before work starts, not with the bid**.

1. Summary: the highest limit each coverage needs

1. **CGL:** $2,000,000 each occurrence / $2,000,000 aggregate / $2,000,000 products-completed ops. Driver: **Widefield RFP 26-27-013 (GO)**. Every other GO/REVIVE bid needs $1,000,000 per occurrence, with aggregates up to $2,000,000 (PSD, Lafayette). Long shot: CCC Stout LED needs $5,000,000 per occurrence (NO-BID unless Luke overrules by today 17:00).
2. **Auto:** $1,000,000 CSL, any auto (owned, hired, non-owned). Drivers: BVCC, COS janitorial/snow, PSD, Widefield, La Plata. No bid asks for more.
3. **Workers comp:** statutory on every bid that has an insurance clause (Pagosa and BOR have none). **Employers liability:** highest is $1,000,000. Drivers: COS R26-080JW/082JW ("minimum limit of $1,000,000") and Canon City ($500,000 accident / $1,000,000 disease policy / $1,000,000 disease each employee).
4. **Umbrella/excess:** no GO/REVIVE bid requires one. Widefield marks it "Waived". PSD and Weld let an umbrella count toward the limits. Only CCC ($5M CGL) would force one.
5. **Professional/E&O:** $1,000,000 per occurrence or wrongful act / $3,000,000 annual aggregate, plus proof of an extended reporting period at project end. Driver: **PSD IFB 27-701-002 (GO)**. PSD will look at an exception if it comes in with the bid. Also: Canon City $600,000/$1,000,000; Widefield $1,000,000; BVCC and Lafayette only if their conditions apply.
6. **Employee crime / third-party fidelity:** $1,000,000 per loss. Driver: **COS janitorial R26-080JW (REVIVE)**. BVCC asks for $1,000,000/$1,000,000 only if staff can get at state money, securities or inventory, and that list names janitors.
7. **Cyber:** $1,000,000 each occurrence / $2,000,000 aggregate. Driver: **Widefield (marked Req)**. BVCC needs the same only if we touch protected offender information.
8. **Pollution:** no GO/REVIVE bid requires it (Widefield waived it). **Master key + care-custody-control:** CGL endorsements for COS janitorial; no separate limit is stated.
9. **Priority (GO/REVIVE):** Widefield, COS janitorial, COS snow, PSD hood, BVCC, Canon City boiler, Lafayette, Pagosa (no insurance clause at all), La Plata. **Long shots (EVALUATE / REVIVE-IF / AT RISK / default NO-BID):** Canon City janitorial, CPW heater, Arapahoe 26-64 and 26-57, Trails, COS parks irrigation, Lakewood, Weld cabling, Fort Collins doors, Adams County, Westminster, Aims, CCC Stout LED, BOR Alamogordo.
10. **Proof due WITH the proposal (not at award):** Lafayette 12/18 (a COI *or* a statement that we can meet the requirements, plus a loss run and OSHA 300A), COS 11/23 (signed and initialed Exhibit 1 with the insurer's name), Arapahoe 26-64 and 26-57 (a "Certificate of Liability Insurance" with the bid). BVCC conflicts with itself: DQ 12.B lists a COI in the quote contents.

2. Check before you sign: items a standard CGL + auto + WC package often leaves out

#	Check	Which bids need it	Limit / wording (quoted)
1	**Employee crime + third-party fidelity** (a separate crime policy or bond)	COS janitorial R26-080JW (REVIVE); BVCC (conditional)	COS: "not less than $1,000,000 per loss"; must cover "employee dishonesty, forgery or alteration and computer fraud"; "third party fidelity coverage extension shall apply" on City premises; "extended theft and mysterious disappearance"; "shall not contain a condition requiring an arrest and conviction" (p.39). BVCC: "$1,000,000 each occurrence; and … $1,000,000 general aggregate" incl. employee dishonesty, if employees have "access to state money, securities, or inventory, including … janitors" (Att. 2 p.2).
2	**Master key endorsement** on the CGL	COS janitorial	"Policy shall be endorsed to include master key coverage." No limit stated (p.39). Pagosa and BOR also put lost-key and re-keying costs on us by contract (not an insurance clause).
3	**Care-custody-control**	COS janitorial	"Policy shall be endorsed to include

	endorsement on the CGL		coverage for 'care-custody-control'." No limit stated (p.39).
4	**Professional / E&O**	PSD hood (GO); Canon City 129-26 and 151-26; Widefield; BVCC, Lafayette, Adams (conditional)	PSD: "$1,000,000" each occurrence or wrongful act, "$3,000,000" annual aggregate, extended-reporting evidence "at the end of the project" (Att. E p.2). Canon City: "$600,000 each claim and … $1,000,000 general aggregate" (PSA VII.B.3). Widefield: "$1,000,000 each occurrence and aggregate", marked Req, but the text applies it to "design, design-assist, or professional services". COS janitorial and parks irrigation name E&O in sec. 4 with **no limit anywhere**.
5	**Cyber / privacy**	Widefield (Req); BVCC and CPW (conditional)	Widefield: "$1,000,000 each occurrence; $2,000,000 general aggregate". BVCC: Att. 2 says $1,000,000/$2,000,000, Att. 1 says $1,000,000/$1,000,000. CPW: $1,000,000/$1,000,000 if we "may have access to any protected

			information".
6	**CGL at $2M per occurrence** (most packages are $1M occ / $2M agg)	Widefield	"$2,000,000 each occurrence; $2,000,000 general aggregate; $2,000,000 products & completed operations aggregate" (Att. A p.11). Attachment A does not say whether an umbrella may be stacked to reach $2M (umbrella is marked "Waived").
7	**Employers liability at $1M** (many WC policies default to $100k/$500k/$100k)	COS janitorial, snow, parks irrigation; Canon City both	COS: "minimum limit of $1,000,000" (p.39). Canon City: "$500,000 each accident, … $1,000,000 disease – policy limit, and … $1,000,000 disease – each employee" (PSA VII.B.1). Widefield and Aims: $500,000 on all three lines.
8	**Umbrella / excess**	None of the priority bids	Only CCC Stout LED (CGL "not less than $5,000,000 each occurrence", occurrence form, "Claims made policies are not acceptable").
9	**Pollution**	None of the priority bids	Widefield: "$1,000,000 each occurrence and aggregate" when work involves hazardous materials, marked **Waived**. Westminster: "when

			applicable" (asbestos plans are in the package), no limit stated.
10	**Blanket endorsements**: additional insured (ongoing + completed ops), waiver of subrogation (CGL, auto, WC), primary and non-contributory, 30-day notice of cancellation	Nearly all	BVCC, CPW and Widefield want waiver of subrogation on **all** policies; La Plata wants it on CGL and auto (Exh. C C4 p.33) and WC (Agreement sec. 9 p.21); PSD on WC only (Att. E p.2); Canon City's AI endorsement must have "no … exclusion for bodily injury or property damage arising from completed operations"; Lakewood wants a schedule of forms with policy numbers.
11	**Any-auto coverage** (owned, hired, non-owned), not just hired/non-owned	BVCC, CPW, COS, PSD, Lafayette, Fort Collins, Weld, Adams	BVCC/CPW/COS: "any auto (including owned, hired, and non-owned autos)". Lakewood and Adams also want statutory PIP (Lakewood adds uninsured motorist).
12	**Occurrence-form CGL + $50k fire damage**	BVCC, CPW (ISO occurrence + "$50,000 any one fire"); PSD, Weld, Aims, CCC (occurrence)	Widefield: "$50,000 damage to the premises rented to you".
13	**Carrier rating**	BVCC strictest of the priority bids	BVCC Att. 2: A.M. Best "A" or better, size VII or better;

#	Check	Which bids need it	Limit / wording (quoted)
			BVCC Att. 1 and CPW: "A-VIII". PSD, Widefield and Weld: A- VII. COS: B+ / VII. CCC (long shot): "no less than A VIII" (p.11).
14	**Deductible cap**	Lakewood (long shot)	Deductibles "in no event greater than Twenty Thousand U.S. Dollars ($20,000)" (Agreement VIII.B.1).
15	**WC if Brown Bison has no W-2 employees**	La Plata, Canon City, COS	PSD, Lakewood and Weld accept an exemption/rejection or sole-proprietor form; BVCC Att. 2 p.1 asks for WC only if we have "employees that are not owners". La Plata's Notice of Award asks for "Proof of Workers' Compensation coverage" (p.16). Canon City and COS require WC plus EL limits.

3. Matrix (quoted limits only)

Key: occ = each occurrence; agg = aggregate; P/CO = products-completed operations; CSL = combined single limit; AI = additional insured; WOS = waiver of subrogation; P&NC = primary and non-contributory; n/s = not stated in the document.
