Q1	**Question: Emergency Response Requirements** Our company is interested in providing fence installation, maintenance, replacement, and repairs during regularly scheduled business hours but does not wish to provide on-call emergency response services. Would Douglas County accept a bid for the remaining services with “NO BID” entered for the After-Hours Labor Rate, and not require the contractor to meet the four-hour emergency response requirement? **Answer:** No. Bids must be all inclusive per the IFB. We need on-call emergency response services in addition to regularly scheduled business hours.	10/20/2026
