It shall be a breach of ethical standards for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under an agreement/contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

ETHICSPOINT/NAVEX GLOBAL:

Douglas County is committed to an environment where open, honest communication is the expectation, not the exception. Douglas County has implemented a phone and Internet-based reporting system called EthicsPoint/Navex Global. The reporting system allows employees to report issues or concerns that they may have in an anonymous and confidential manner. We consider it a critical component in providing a safe, secure, and ethical workplace.

An option within the system allows vendors to also report an issue. As a vendor, you are in a position to observe not only questionable or unethical behavior by our employees but also identify areas that you would like to make a suggestion for change. By calling 1-888-337-3094 or logging-in on the Internet to www.ethicspoint.com and entering Douglas County Government, you can file a report, offer a suggestion or voice a concern. Online instructions are available on how to use the system. The EthicsPoint/Navex Global system also offers a follow-up/response mechanism. You can be assured that this is a fast, easy, and confidential system.
