Addendum No. 1

Date: November 12, 2026
Westminster Public Schools
RFP 26-002 – Summer 2027 Facility Improvements – Multiple Locations

This Addendum modifies and supplements RFP 26-002 – Summer 2027 Facility Improvements – Multiple Locations. Respondents are responsible for reviewing this Addendum and all accompanying documents and incorporating all applicable revisions into their proposals.

1. Revised Solicitation Schedule – Section 2

The following solicitation dates are revised:

Activity	Revised Date and Time
Deadline for Questions	November 19, 2026 by 5:00 p.m. MPT
Responses to Questions	December 3, 2026 by 5:00 p.m. MPT
Proposal Submission Deadline	December 10, 2026, by 2:00 p.m. MPT
Proposal Review and Shortlisting	To Be Determined
Interviews with Shortlisted Respondents	Anticipated January 2027
Contract Award	Anticipated January 2027

The District has established a supplemental question period to allow Respondents to review the revised documents issued with this Addendum. All questions must be submitted through the Rocky Mountain E-Purchasing System in accordance with the solicitation requirements.

Following the proposal submission deadline, the District will review and evaluate proposals to establish a shortlist of Respondents for interviews. Interviews are anticipated to occur in January 2027, with specific dates and times to be communicated directly to shortlisted Respondents. The anticipated interview and contract award dates are subject to change at the District's discretion.

2. Additional Pricing Requirements – Section 4, Tab 7

The District is issuing a revised Attachment D – Pricing Proposal, which replaces the previously issued Attachment D in its entirety. The revised Attachment D includes separate pricing requirements for the project alternates identified in the revised construction documents for Package B – Sherrelwood Elementary and Package D – Hodgkins Leadership Academy.

In addition, Respondents shall complete and submit the newly issued Attachment H – Construction Division Cost Breakdown for each Project Package proposed.

Respondents shall use the revised Attachment D and new Attachment H when preparing their proposals. The total cost breakdown identified in Attachment H must equal the corresponding Base Proposal amount submitted on Attachment D, excluding any separately priced alternates. All other pricing and evaluation requirements remain unchanged unless expressly modified by this Addendum.

3. Revised Construction Documents – All Project Packages

The District is issuing revised construction documents prepared by DAO Architecture, dated November 12, 2026, for all six Project Packages. Respondents shall refer to the applicable DAO Addendum 001 for all revisions, clarifications, and additional requirements to the previously issued drawings and specifications. The following documents are issued as separate files through the Rocky Mountain E-Purchasing System:

Project Package	School/Location	Revised Document
A	International School at Harris Park	DAO Addendum 001 – Harris Park
B	Sherrelwood Elementary	DAO Addendum 001 – Sherrelwood
C	Early Learning Center at Gregory Hill	DAO Addendum 001 – ECC
D	Hodgkins Leadership Academy	DAO Addendum 001 – Hodgkins
E	Fairview PK-8	DAO Addendum 001 – Fairview
F	Tennyson Knolls Preparatory School	DAO Addendum 001 – Tennyson Knolls

Where revised drawings or specifications supersede previously issued documents, the revised documents shall govern in accordance with the Order of Precedence established in Section 6 of the RFP. These documents are incorporated into and made part of the solicitation. Respondents shall review the revised documents applicable to each Project Package proposed and include all applicable revisions in their proposals.

4. Project Alternates

Package B: Sherrelwood Elementary

Respondents shall provide separate pricing for Additive Alternate 01 – Exterior Soffit Replacement, as identified in the revised drawings issued with DAO Addendum 001. This alternate shall be priced separately on Revised Attachment D and excluded from the Base Proposal and corresponding Attachment H cost breakdown.

Package D: Hodgkins Leadership Academy

The revised construction documents for Package D – Hodgkins Leadership Academy establish two project alternates under Specification Section 01 23 00 – Alternates:

- Alternate 01 – Classroom Enclosure Scope
- Alternate 02 – Casework Modification Scope

Respondents submitting proposals for Package D shall provide separate pricing for each alternate, in addition to the Base Proposal. The alternates shall be priced in accordance with the applicable revised drawings and specifications issued with DAO Addendum 001.

Alternate pricing shall not be included in the Base Proposal amount submitted on Revised Attachment D or the corresponding Base Proposal cost breakdown submitted on Attachment H. Respondents shall provide separate pricing for each alternate using Revised Attachment D – Pricing Proposal. The District reserves the right to accept or reject either alternate in accordance with the solicitation requirements.

5. Asbestos Management Documentation – All Project Packages
The District is providing supplemental asbestos management documentation for all six Project locations as separate files through the Rocky Mountain E-Purchasing System.

Project Package	School/Location	Document
A	International School at Harris Park	Asbestos Management Plan
B	Sherrelwood Elementary	Asbestos Management Plan
C	Early Learning Center at Gregory Hill	Asbestos Management Plan
D	Hodgkins Leadership Academy	H+L Architecture Letter – Asbestos-Containing Materials
E	Fairview PK-8	Asbestos Management Plan
F	Tennyson Knolls Preparatory School	Asbestos Management Plan

For Hodgkins Leadership Academy, the H+L Architecture letter indicates that asbestos-containing materials were not included in the school's original construction.

These documents are provided for informational purposes and do not modify the responsibilities for regulated-material abatement established in Section 3.10 of the RFP and Attachment E – WPS General Conditions of the Construction Agreement. Respondents are responsible for reviewing the applicable documentation and complying with all requirements concerning regulated materials and coordination of District-provided abatement activities.

6. Acknowledgment of Addendum
Respondents are responsible for acknowledging receipt of Addendum No. 1 in accordance with the solicitation requirements and ensuring their proposals incorporate all applicable revisions and accompanying documents.

Except as expressly modified by this Addendum, all other terms and conditions of RFP 26-002 remain unchanged.
