GENERAL INFORMATION AND PROPOSAL INSTRUCTIONS

ARTICLE 1 - INTRODUCTION

1.1 ABOUT THE COLORADO CONVENTION CENTER

The Colorado Convention Center (CCC) opened in 1990, with more than 100 professional meeting planners working together with architects to design every aspect of the building, the result was simple: a sensible, state-of-the-art facility with easy traffic flow to a stunningly beautiful building in the heart of downtown Denver. The Colorado Convention Center is well known as one of the most practical and “user-friendly” meeting facilities in the country.

The CCC consists of 584,000 square feet of exhibit space, a 5,000-seat theatre, 85,000 square feet of ballroom space (Mile High Ballroom 50,000 sf. and the Four Seasons Ballroom 35,000 sf), 150,000 square feet of meeting rooms, and a new 80,000 square foot Blue Bird Ballroom with all necessary support spaces.

The facilities have established as their primary goal the highest level of service to their customers and clients. All operating entities in each facility must adhere to the following objectives:

a) Offer services according to the highest industry standards and in the best interest of the facility, the community, and the State of Colorado.

b) Operate in a manner consistent with the public interest, providing each facility with full accountability for, and accurate records of all transactions conducted within each venue.

c) Provide the highest level of safety, service and cooperation to tenants and customers of the facilities.

d) Hold and maintain in good standing all required applicable local, state, and federal licenses and permits for the services required herein. Failure to maintain said licenses and permits may be cause for termination of contract.

Colorado Convention Center is soliciting proposals from fully qualified and experienced businesses to provide **Interior Stout Street Corridor LED Lighting Upgrade.** Interested and qualified Respondents who have successfully demonstrated the experience and ability to perform comparable products and services are invited to respond.

Legends Global, as a contractor for the City and County of Denver, (“City") manages and operates the Colorado Convention Center (hereinafter referred to as "CCC").

By this Request for Proposals ("RFP"), Legends Global is soliciting proposals from qualified companies to operate and provide **Interior Stout Street Corridor LED Lighting Upgrade** at the CCC as a preferred provider service.

1.2 LOCAL, SMALL, MINORITY AND WOMEN-OWNED BUSINESS ENGAGEMENT

Colorado Convention Center and Legends Global recognizes the importance of the success of Minority Owned (“MBE”) and Women Owned (“WBE”) Business Enterprises to the economies of the state, city, and communities it serves, as well as the corporation itself. We are committed to pursuing business relationships with M/WBE firms and using innovative approaches designed to continually improve business opportunities at the Colorado Convention Center.

CCC is committed to advancing business equity and sustainability through growing the capacity of MWBEs. CCC will take multiple actions as an expression of this commitment.

1. CCC will conduct outreach to these enterprises at the time of issuance of a Request for Proposals (RFP) to notify them of upcoming opportunities and encourage them to submit a proposal.

2. CCC will make efforts to do this through institutional procurements for goods and services, long-term workforce opportunities, and revenue streams for community benefit. Each contract's engagement efforts are intended to advance CCC's commitment to ensure, local, small, disadvantaged, minority, and women-owned business enterprises.

3. Each RFP will ask questions about the bidder's local, small, disadvantaged, minority and women-owned enterprise status, commitment to supporting the CCC through the successful selection on this project, as well as their commitment to diversity and inclusiveness in their business practices, staff hiring, compensation, training and retention, and support of the community.

4. Responses to these questions will be one of the main criteria in the selection committee's consideration of proposals.

5. CCC will seek feedback regarding and make an effort to resolve barriers that these entities may experience in responding to the RFP and performing the specified services in each RFP.

1.2.1 Small and Minority/Women-owned Business Certification

Consultants or subcontractors who are classified as minority-owned, woman-owned, small business, or disadvantaged business should be registered and hold certification from the City and County of Denver or a comparable federal certification.

1.3 Sustainability

CCC and the City and County of Denver's Executive Order 123, is committed to protecting the environment, and the health of the public and its employees. CCC is directed to procure cost-competitive products and services that minimize resource consumption and negative impacts on the environment and human health.

Legends Global reserves the right to then interview each of the short-listed Proposers and may require presentations to be made by such Proposers. The proposal review and selection process are as follows:

Step One – Receipt of RFP's RFPs from Proposers will be received on the day and at the time indicated in this RFP.

Step Two – Technical and Financial Review Legends Global will initially review and evaluate the Technical Submittals and Financial Documents Responses. Legends Global and may require all or some Proposers to participate in an oral interview during this initial process. The general purpose of this session is to clarify specific aspects of the above submittals. Although the oral interview itself will not be a basis for an award, responses provided in the interview will be considered. Absence of an interview does not indicate lack of interest in a proposal.

Step Three – Shortlist Legends Global will evaluate all proposals on the basis of technical merit and Anti-Discrimination response. Legends Global will evaluate whether the technical portion of the Proposal provides the details of the necessary technical and personnel support, and the manner in which it will fully implement and satisfy all requirements of the Project. Legends Global will also evaluate whether the Proposer's anti-discrimination plan achieves minority and female participation in subcontracting and employment opportunities at substantial and meaningful levels and whether Proposer's satisfactorily demonstrated their best efforts.

Step Four – Presentations of Shortlisted Proposers Selected Proposers may be requested to participate in additional meetings with Legends Global. The agenda for a meeting will provide for a presentation by the Proposer and a question-and-answer period. Legends Global does not require or expect the Proposers to provide elaborate presentations. Legends Global may request Proposers explain the basis of their cost/pricing for the proposal.

Step Five – Cost Review Legends Global will review all the Shortlisted proposals and select the Proposers that it considers in its best interest. During the Legends Global deliberations, Legends Global may request further information from Proposers. Where similar Proposals come from several Proposers, Legends Global may decide to engage in negotiations with only one, several, or all Proposers submitting similar Proposals. The cost/price portion of the Proposal will be evaluated separately. It will be utilized to evaluate the Proposer's understanding of the requirements of the RFP and to determine the most probable cost. The cost/price portion will be evaluated for reasonableness and completeness. The Proposers' proposed total estimated cost/price shall not be controlling in the selection of the Proposer with which Legends Global will negotiate a contract for the services described in this RFP. Legends Global will evaluate the reasonableness of each Proposer's cost/price Proposal, determine whether the proposed cost/price is consistent with the proposed technical approach and indicates a clear understanding of a sound approach to satisfying the requirements in the scope of services set forth.

Step Six – Negotiation Legends Global may undertake negotiations with several Proposers for similar or different Proposals. Based upon these negotiations, Legends Global will offer a "Notice of Award" to selected Proposer(s) for the services described herein.
