2. For State Public Works C.R.S. §8-17-101 - Colorado labor shall be employed to perform at least 80% of the work. Colorado labor means any person who is a resident of the state of Colorado at the time of the Public Works project.
3. All respondents accept the conditions of this DQ, including but not limited to, the following:
    a. All quotes shall become the property of the State of Colorado and will not be returned.
    b. Late quotes shall not be evaluated.
    c. The State reserves the right to reject any or all quotes on the basis of being unresponsive to this DQ or for failure to disclose requested information.
    d. The State shall not be liable for any costs incurred by respondents in the preparation of quotes nor in costs related to any element of the selection.
4. Preference shall be given to Colorado resident bidders and for Colorado labor, as provided by law.
5. Per C.R.S. §24-105-201 If the construction value is $50,000 or greater a Bid Bond and Power of Attorney or Proposal Guaranty is required in an amount not less than 5% of the total Bid.

PROJECT OVERVIEW

Metropolitan State University of Denver (MSU Denver) is soliciting quotes from qualified electrical contractors for the CAVEA Theater Lighting Upgrade project, located in the Jordan Student Success Building on the Auraria Campus in Denver, Colorado. This is a renovation project involving the CAVEA Theater, a venue used for university events, performances, and campus programming. MSU Denver, in coordination with its owner's representative, Wember Inc., and design engineer, RMH Group, is undertaking this project to upgrade the theater's existing theatrical track lighting system. The project involves upgrading the existing theatrical track lighting system in the CAVEA Theater at MSU Denver, including replacing existing track-head fixtures with individually addressable, DMX-controlled fixtures, an updated lighting control station, and associated electrical work.

The selected contractor must coordinate closely with MSU Denver Facilities, University Events staff, and the design engineer throughout construction to ensure the work is completed in accordance with the approved construction documents.

The awarded contractor shall confirm ability to complete all on-site construction between Monday, December 14, 2026, and Friday, January 15, 2027, and shall coordinate scheduling to ensure the theater is fully operational on January 16, 2027.

Scope of Services

See Specifications (**Appendix F**) Section 01 11 00 – Summary of Work.

The scope of services will include full Construction Contracting Services for the project specified during the process of construction and warranty period to the State as per the Documented Quote. Specific tasks to be performed by the Contractor include those generally performed by the construction community where the Contractor is the prime vendor to the State. Bidders shall reference the drawings, specifications, and supporting documents in the Appendices for an understanding of the entire scope of the project.

Per C.R.S. §38-26-106, if a contract amounts to $150,000 or more, the awarded contractor shall provide payment and performance bonds not less than 50% of the value of the contract. The costs associated with this bond are to be included in the contractor’s bid.

MINIMUM REQUIREMENTS AND REQUIRED DOCUMENTS

Notice is hereby given to all interested parties that all firms will be required to meet all minimum requirements to be considered for this project. Interested bidders must show evidence of the following to be considered as qualified, as a minimum:

1. Not previously terminated by the State for non-performance on a State Buildings contract or procurement.
2. The bidding contractor must have been in the same business, under the same name for the last two (2) years.
3. Demonstrated specific contracting experience in projects of similar scope and complexity for at least two (2) projects each in excess of $140,000.00 (hard costs), utilizing the expertise present in their Colorado Office. **Please be sure to specify project names, amounts, dates for each project, and references (name, phone number, and e-mail address) for each project, with quote submission.**
4. Attended and signed in at the Mandatory Pre-Bid Conference.
5. Bidders must include a one-page summary of their firm's qualifications and experience in completing similar theatrical lighting, lighting controls, or comparable specialty electrical projects, as well as any work completed with MSU Denver, University Events, or the Auraria Campus. Bidders must also confirm that they can start and complete the project between December 14, 2026, and January 15, 2027.

Firms meeting the minimum requirements may obtain the bidding documents on the website accompanying this advertisement.
