DEPARTMENT OF THE AIR FORCE
UNITED STATES SPACE FORCE
HEADQUARTERS COMBAT FORCES COMMAND

MEMORANDUM FOR RECORD 10 November 2026

FROM: 21CONS/PKA

SUBJECT: SOURCES SOUGHT – Smart T Power Project

The Peterson Space Force Base (PSFB) 21st Contracting Squadron is requesting information from vendors who provide the work outlined in Attachement 1 – PWS Smart T Power Project. The North American Industry Classification System (NAICS) code is 238210 – Electrical Contractors and Other Wiring Installation Contractors, and the small business size standard is $*19 Million Dollars.*

This sources sought is issued for the purpose of market research in accordance with RFO Part 10. PSFB, CO is requesting information for the subject part number for Market Research Purposes.

The result of this market research will contribute to determining the method of procurement. This announcement is not to be construed as a commitment by the Government, implied or otherwise, to issue a solicitation or to award a contract. At this time, PSFB is not seeking quotes and will not accept unsolicited quotes.

Submit any and all questions along with expressed interest and capability regarding this requirement in writing via email only no later than ***18 November 2026 @ 09:00 A.M. Mountain Time*** to the Contract Specialist, William Bailey, at william.bailey.56@spaceforce.mil AND the Contracting Officer, Stephen Carr at stephen.carr.12@spaceforce.mil.

After the suspense, the contracting officer may elect to post an amendment to this sources sought answering all questions or requesting additional information if necessary.

The Government is requesting a response to the following:

(1) What is the fastest mobilization time and total period of performance you could provide to complete this job at Peterson Space Force Base after award?

(2) Is there a different NAICS code that would better fit this requirement? If so, please provide the recommended code and brief rationale.

(3) What standard commercial warranty is included for installation labor and workmanship, and what are your coverage options?

(4) Is the provided performance work statement clear enough to submit a firm-fixed-price quote, or would your firm require a site visit to better understand the scope of work?

(5) Are there any certificates or licenses that a contractor would need to perform the work outlined in the PWS.

(6) Company name, address, point of contact, telephone number, email address, CAGE code, Unique Entity Identifier (UEI), and business size/socio-economic status under NAICS 238210.
